

Providence St. Joseph Health
Enhanced Preventive Drug List

Enhanced Preventive drugs are exempt from the deductible with little to no cost share depending on the plan, subject to formulary and tier status, as well as pharmacy management programs such as prior authorization, step therapy and/or quantity limits. Drugs must be obtained from our Designated Mail Order pharmacy, **Postal Prescription Services (PPS)**, for plans with a \$0 cost share on Enhanced Preventive drugs.

The list is reviewed periodically and may be updated to ensure the drugs comply with IRS guidance and with Pharmacy & Therapeutics Committee formulary decisions. **Not all doses or dosage forms of listed drugs may be covered.** For the most current information, please visit your drug formulary at <http://www.ProvidenceHealthPlan.com/PSJHFormulary>.
