# Care Options

Knowing all of your available care options means you'll get the care you need when you need it.

## Primary care

Visit your primary care provider (PCP) to build a relationship and establish a personalized health history. If you need a primary care provider, visit [myProvidence.com](https://myProvidence.com) and select "Find a Provider" after logging in. Then choose Primary Care Providers.

## Telehealth (phone or video appointment)\*

Arrange a phone appointment to talk with your provider from wherever you are. Schedule a visit with your PCP or specialist using a video conferencing platform such as Zoom.

## 24/7 nurse advice line (ProvRN)

Speak with a registered nurse anytime, any day. Call when you have a health concern and are looking for advice. Have your member number available and call **800-700-0481**.

## ExpressCare

On-demand virtual care with Providence ExpressCare Virtual. Connect to care in minutes from anywhere using your tablet, smartphone or computer. Conditions treated by this service include things like common colds, fever, heartburn, sore throat, pink eye, UTIs, allergies, dry skin and more.

To get started, visit [Providence.org/services/expresscare-virtual](https://Providence.org/services/expresscare-virtual).

## ExpressCare clinics

Find a same-day in-person appointment or walk-in where available. Treat common conditions like a cold, sore throat or allergies. Most clinics are open from either 7 a.m. to 7 p.m. or 8 a.m. to 8 p.m. To find a location and schedule an appointment, visit [Providence.org/expresscare](https://Providence.org/expresscare).

## Urgent care

Urgent care is where you turn when you can't wait for a Primary Care appointment for minor injuries like cuts, burns and pains. To find an urgent care clinic, login to [myProvidence.com](https://myProvidence.com) and select "Find a Provider." Then choose Find A Service or Place; Urgent Care Clinic.

## Emergency care

Use emergency care for symptoms like suspected heart attack, severe abdominal pain, poisoning or loss of consciousness.

For more information, visit

[ProvidenceHealthPlan.com/Care-Options](https://ProvidenceHealthPlan.com/Care-Options)

\*Subject to availability, call your provider's office to ask if this is an option.

## Provider Directory

We built the provider directory with you in mind. The many search options help you find the right fit. Important identifiers include:

- Race and ethnicity
- Personal identity
- Cultural competency
- LGBTQ+
- Location
- Provider type
- Specialty
- Languages spoken

# Alternative Care

**We want to help you be your best and achieve both physical and mental well-being. That's why we offer coverage for alternative care therapies that can help alleviate pain and positively impact your overall health.**

## Chiropractic care

Chiropractic care promotes health through improving your quality of life and alleviating pain. Chiropractors use clinical expertise and the best available evidence to diagnose and treat conditions that affect your body's movement without medication or surgery. Some of the most common reasons for getting chiropractic care are:

- Back pain
- Neck pain
- Headaches
- Allergy relief
- Numbness, tingling or weakness

## Acupuncture

Acupuncture therapy involves licensed professionals inserting small needles to stimulate specific parts of the body and its neural network. Studies show that acupuncture can help manage chronic pain, headaches and migraine, with little risk of side effects. Conditions that may benefit from acupuncture include the following:

- Arthritis
- Low back pain
- Neck pain
- Migraines
- Anxiety, depression or insomnia

## Finding a provider is easy

✔ Login to [myProvidence.com](https://myProvidence.com) and select Find a Provider  
Or, visit [ProvidenceHealthPlan.com/ProviderDirectory](https://ProvidenceHealthPlan.com/ProviderDirectory) and search using your ID number from your member ID card

✔ Select "Alternative Care"

✔ Adjust filters to find the right provider: zip code, specialty, language, gender, race and ethnicity, personal identity and more

# Behavioral Health Resources

**As a Providence member, you have options when it comes to behavioral health care:**

## Behavioral Health Network

We value whole self-care for all members. Our expansive network of providers offers care close to home or while you're away. And to simplify whole self-care, we've established a direct access line to a 24/7 dedicated support team, trained in crisis care.

- Covered services include diagnostic evaluation, individual and group therapy, and more
- Medications prescribed by providers as needed
- Virtual and in-person appointments to help with whole self-care

## Finding a provider is easy

- ✓ Login to [myProvidence.com](https://myprovidence.com) and select Find a Provider  
Or, visit [ProvidenceHealthPlan.com/ProviderDirectory](https://providencehealthplan.com/providerdirectory) and search using your ID number from your member ID card
- ✓ Select "Mental Health/Substance Use Disorder"
- ✓ Adjust filters to find the right provider: zip code, specialty, language, gender, race and ethnicity, personal identity and more

## What is behavioral health?

Behavioral health includes the emotions and behaviors affecting your overall well-being and is treated by caring for your mental health or challenges with substance use. Covered services include things like counseling, addiction support programs, and psychotherapy treatment
