

Important Information about the COVID-19 Special Enrollment Period

The COVID-19 Special Enrollment Period runs from February 15, 2021 through May 15, 2021. Providence Health Plan is accepting new enrollments for our plans during this time. Here are some things you need to know when using this application, as this enrollment period is different from Open Enrollment and other Special Enrollment Periods.

01 Qualifying Events are not required to sign up for health insurance during this Special Enrollment Period.

If you're enrolling for coverage without a Qualifying Event: skip Step 1 of the application ("Specify Enrollment Period") and proceed to Step 2 ("Provide Member Information").

If you're enrolling for coverage because you've experienced one of the three Qualifying Events listed below: check the appropriate box under Option 2 ("I'm enrolling for new coverage during a Special Enrollment Period (1/1/2021-12/31/2021)") on the application:

1. Birth, adoption, placement for adoption or foster care of a child
2. Acquisition of legal guardianship
3. Qualified Medical Child Support Order (QMCSO)

After selecting one of the three Qualifying Events listed above, continue filling out the rest of this application.

02 It may be possible to request a different coverage effective date.

Once we receive your completed application, we'll mail you an Offer of Coverage. Your effective date of coverage will follow those outlined in the table under the "When will my coverage take effect?" section on the "Additional Information" page at the end of this application form.

If you'd like to request an accelerated effective date (which would start on the 1st of the month following our receipt of your completed application), call our Membership Accounting team at 503-574-5791 or 888-816-1300 (TTY: 711).

Questions? We're here to help.

Speak to one of our Sales representatives at 503-574-5000 or 800-988-0088 (TTY: 771), 6 a.m. to 7 p.m. (Pacific Time) Monday through Friday and 9 a.m. to 5 p.m. (Pacific Time) Saturday.

Before You Begin

Here's some important information about this form.

Everyone listed on this form will be enrolled in the same single plan. A separate application is required for any family members who want coverage on different plans.

All plans purchased using this application will expire December 31, 2021. All plans are guaranteed renewable for the next plan year. We'll send you information at the end of the plan year, if you are eligible, about renewing your coverage for 2022.

Learn about different plans, compare coverage and check rates at [ProvidenceHealthPlan.com](https://www.ProvidenceHealthPlan.com).

This form does NOT cancel any active coverage you might already have. To avoid paying two premiums or having overlapping coverage, you need to cancel any currently active coverage you might have on a plan from either the Health Benefit Exchange or an employer, even if the policy is with Providence Health Plan.

Once you've completed this form:

Submit pages 1–6. If the form isn't signed, dated, fully completed, or if we need additional information, the date your coverage starts may be delayed. Your application will expire 60 days after the signature date, and we will not accept any postdated applications.

What is a Medical Home?

When you enroll in a Connect or Choice plan, you are required to choose a Medical Home. The Medical Home you choose coordinates all elements of your care across hospitals, specialists, pharmacies, home health services, and community resources to ensure greater accessibility, shorter wait times, and an integrative approach to your health. A referral from your Medical Home is required to see a specialist.

How do I make changes to an existing plan?

If you are an active Individual & Family Plan policyholder in the state of Oregon and would like to make changes to your current plan, visit ProvidenceHealthPlan.com/forms to complete an Individual & Family Plan Change Form. Please note that outside of Open Enrollment (11/1/2020-12/15/2020), some plan changes require a Special Enrollment Qualifying Event (described on page 1).

This application form is only for new enrollment in an Individual & Family Plan purchased directly from Providence Health Plan. That means if you are an active member and submit this application for new enrollment, you will be enrolled in a new policy which will result in duplicate coverage and two premium payments.
