

Addendum to  
2023  
Evidence of Coverage, Annual Notice of Change, and Summary of Benefits

**This is important information regarding changes to 2023 coverage.**

This notice is regarding cost-saving changes to 2023 Medicare Advantage benefits. These cost-saving benefit changes are part of the Inflation Reduction Act (IRA). The IRA will save money for Medicare beneficiaries by strengthening the Medicare program and lowering drug costs.

The IRA requires drug companies that raise drug prices faster than the rate of inflation to pay Medicare a rebate. Medicare calls these "Part B Rebutable Drugs." **Beginning April 1, 2023**, certain Part B rebatable drugs may be subject to a lower coinsurance. Providence Medicare Advantage Plans members may experience reductions in coinsurance for these Part B rebatable drugs. As of January 1, 2023, the IRA requires that under a Medicare Part D prescription drug plan, you will not pay more than \$35 for a one-month supply of covered insulin products. **Beginning July 1, 2023**, under Medicare Part B, Providence Medicare Advantage Plans members who take insulin through a pump that is covered under Medicare's durable medical equipment (DME) will not pay more than \$35 for a one-month's supply of covered insulin.

No response is required to this notice, but we recommend you keep this information for future reference. For more information regarding benefits, please review the Evidence of Coverage located at [ProvidenceHealthAssurance.com/EOC](https://www.providencehealthassurance.com/EOC). If you have any questions, please call us at 503-574-8000 or 1-800-603-2340 (TTY 711) 8 a.m. to 8 p.m. (Pacific Time), seven days a week.

## SECTION 1 Changes to Benefits and Costs for Next Year

### Section 1.1 – Changes to the Monthly Premium

Cost	2022 (this year)	2023 (next year)
<b>Monthly premium</b> (You must also continue to pay your Medicare Part B premium unless it is paid for you by Oregon Health Plan (Medicaid).)	\$0	\$0  There is no change for the upcoming benefit year.

### Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay “out-of-pocket” for the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered services for the rest of the year.

Cost	2022 (this year)	2023 (next year)
<b>Maximum out-of-pocket amount</b>  <b>Because our members also get assistance from Oregon Health Plan (Medicaid), very few members ever reach this out-of-pocket maximum.</b>  If you are eligible for Oregon Health Plan (Medicaid) assistance with Part A and Part B copays and deductibles, you are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services.  Your costs for covered medical services (such as copays and deductibles) count toward your maximum out-of-pocket amount. Your costs for prescription drugs do not count toward your maximum out-of-pocket amount.	\$3,400	\$8,300  Once you have paid \$8,300 out-of-pocket for covered services, you will pay nothing for your covered services for the rest of the calendar year.

## Section 1.3 – Changes to the Provider and Pharmacy Networks

An updated *Provider and Pharmacy Directory* is located on our website at [www.ProvidenceHealthAssurance.com/findaprovider](http://www.ProvidenceHealthAssurance.com/findaprovider). You may also call Customer Service for updated provider and/or pharmacy information or to ask us to mail you a *Provider and Pharmacy Directory*.

There are changes to our network of providers for next year. **Please review the 2023 *Provider and Pharmacy Directory* to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

There are changes to our network of pharmacies for next year. **Please review the 2023 *Provider and Pharmacy Directory* to see which pharmacies are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) and pharmacies that are part of your plan during the year. If a mid-year change in our providers affects you, please contact Customer Service so we may assist.

## Section 1.5 – Changes to Part D Prescription Drug Coverage

---

<b>Changes to Our Drug List</b>
---------------------------------

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Service for more information.

**Changes to Prescription Drug Costs**

If you receive “Extra Help” to pay your Medicare prescription drugs, you may qualify for a reduction or elimination of your cost sharing for Part D drugs. Some of the information described in this section may not apply to you. **Note:** If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs does not apply to you.** We have included a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and didn’t receive this insert with this packet, please call Customer Service and ask for the “LIS Rider.”

There are four “drug payment stages.”

The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

**Changes to the Deductible Stage**

Stage	2022 (this year)	2023 (next year)
<b>Stage 1: Yearly Deductible Stage</b>	Because we have no deductible, this payment stage does not apply to you.	Because we have no deductible, this payment stage does not apply to you.

**Changes to Your Cost Sharing in the Initial Coverage Stage**

Stage	2022 (this year)	2023 (next year)
<p><b>Stage 2: Initial Coverage Stage</b></p> <p>During this stage, the plan pays its share of the cost of your drugs and <b>you pay your share of the cost.</b></p> <p>For information about the costs for a long-term supply or for mail-order prescriptions, look in Chapter 6, Section 5 of your <i>Evidence of Coverage</i>.</p>	<p>Your cost for a one-month supply filled at a network pharmacy:</p> <p>For generic drugs, you pay either a \$0, \$1.35 or \$3.95 copayment per prescription.</p> <p>For all other drugs, you pay either a \$0, \$4.00 or \$9.85 copayment per prescription.</p> <hr/> <p>Once you have paid \$7,050 out-of-pocket for Part D drugs, you will move to the next stage (the Catastrophic Coverage Stage).</p>	<p>Your cost for a one-month supply filled at a network pharmacy:</p> <p>For generic drugs, you pay either a \$0, \$1.45 or \$4.15 copayment per prescription.</p> <p>For all other drugs, you pay either a \$0, \$4.30 or \$10.35 copayment per prescription.</p> <hr/> <p>Once you have paid \$7,400 out-of-pocket for Part D drugs, you will move to the next stage (the Catastrophic Coverage Stage).</p>

**SECTION 2 Administrative Changes**

Administrative changes may be strictly informational, with little to no impact on your benefits, or they may change how you access your care and which services and prescription drugs are available to you. The table below lists the administrative changes we are making for next year.

Description	2022 (this year)	2023 (next year)
Advair Diskus®	Generic Cost-share	Brand Cost-share
Humulin N®, Humulin R®, and Humulin 70-30® insulin vials	Generic Cost-share	Brand Cost-share

## SECTION 3 Deciding Which Plan to Choose

### Section 3.1 – If you want to stay in Providence Medicare Dual Plus (HMO D-SNP)

**To stay in our plan, you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Providence Medicare Dual Plus (HMO D-SNP).

### Section 3.2 – If you want to change plans

We hope to keep you as a member next year, but if you want to change for 2023, follow these steps:

#### Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- -- *OR*-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder ([www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare)), read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

As a reminder, Providence Health Assurance offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

#### Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Providence Medicare Dual Plus (HMO D-SNP).
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Providence Medicare Dual Plus (HMO D-SNP).
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Customer Service if you need more information on how to do so.
  - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

## SECTION 4 Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2023.

### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2023, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) between January 1 and March 31, 2023.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

## SECTION 5 Programs That Offer Free Counseling about Medicare and Medicaid

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Oregon, the SHIP is called Senior Health Insurance Benefits Assistance (SHIBA).

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHIBA counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call SHIBA at 1-800-722-4134 (TTY 711). You can learn more about SHIBA by visiting their website ([www.shiba.oregon.gov](http://www.shiba.oregon.gov)).

For questions about your Oregon Health Plan (Medicaid) benefits, contact Oregon Health Plan (Medicaid) at 1-800-273-0557, Monday – Friday, 8 a.m. to 5 p.m. TTY users should call 711. Ask how joining another plan or returning to Original Medicare affects how you get your Oregon Health Plan (Medicaid) coverage.

## SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs.

- **“Extra Help” from Medicare.** Because you have Oregon Health Plan (Medicaid), you are already enrolled in “Extra Help,” also called the Low Income Subsidy. “Extra Help” pays some of your prescription drug premiums, annual deductibles and coinsurance. Because you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about “Extra Help”, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
  - The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
  - Your State Medicaid Office (applications).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through CAREAssist. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call CAREAssist at 971-673-0144 or 1-800-805-2313 (TTY 711).
