   - Check the changes to our benefits and costs to see if they affect you.
     - Review the changes to medical care costs (doctor, hospital)

   - Check to see if your primary care doctors, specialists, hospitals and other providers will be in our network next year.
   - Think about whether you are happy with our plan.

2. **COMPARE:** Learn about other plan choices
   - Check coverage and costs of plans in your area. Use the Medicare Plan Finder at www.medicare.gov/plan-compare website or review the list in the back of your Medicare & You 2023 handbook.
   - Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan’s website.

3. **CHOOSE:** Decide whether you want to change your plan
   - If you don’t join another plan by December 7, 2022, you will stay in Providence Medicare Reverence (HMO-POS).
To change to a different plan, you can switch plans between October 15 and December 7. Your new coverage will start on January 1, 2023. This will end your enrollment with Providence Medicare Reverence (HMO-POS).

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

Section 2.2 – Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay “out-of-pocket” for the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered services for the rest of the year.
Cost | 2022 (this year) | 2023 (next year)
---|---|---
Maximum out-of-pocket amount | $4,500 In-Network | $4,500 In-Network
Your costs for covered medical services (such as copays) count toward your maximum out-of-pocket amount. Your plan premium does not count toward your maximum out-of-pocket amount. | $10,000 Out-of-Network | $10,000 Out-of-Network
Once you have paid $4,500 out-of-pocket for covered services from in-network providers, you will pay nothing for your covered services for the rest of the calendar year.
Both in-network and out-of-network services count toward your out-of-pocket costs. If you see both in-network and out-of-network providers, or only out-of-network providers, your maximum out-of-pocket costs will be $10,000 for 2023.
There is no change for the upcoming benefit year.

Section 2.3 – Changes to the Provider Network

An updated Provider Directory is located on our website at www.ProvidenceHealthAssurance.com/findaprovider. You may also call Customer Service for updated provider information or to ask us to mail you a Provider Directory.

There are changes to our network of providers for next year. **Please review the 2023 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) that are part of your plan during the year. If a mid-year change in our providers affects you, please contact Customer Service so we may assist.
# Section 2.4 – Changes to Benefits and Costs for Medical Services

**SECTION 3 Deciding Which Plan to Choose**

**Section 3.1 – If you want to stay in Providence Medicare Reverence (HMO-POS)**

*To stay in our plan, you don’t need to do anything.* If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Providence Medicare Reverence (HMO-POS).
Section 3.2 – If you want to change plans

We hope to keep you as a member next year, but if you want to change for 2023, follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, there may be a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the Medicare & You 2023 handbook, call your State Health Insurance Assistance Program (SHIP) (see Section 5), or call Medicare (see Section 7.2).

As a reminder, Providence Health Assurance offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To change to a different Medicare health plan, enroll in the new plan. You will automatically be disenrolled from Providence Medicare Reverence (HMO-POS).
- To change to Original Medicare with a prescription drug plan, enroll in the new drug plan. You will automatically be disenrolled from Providence Medicare Reverence (HMO-POS).
- To change to Original Medicare without a prescription drug plan, you must either:
  o Send us a written request to disenroll. Contact Customer Service if you need more information on how to do so.
  o – or – Contact Medicare, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 4 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from October 15 until December 7. The change will take effect on January 1, 2023.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.
If you enrolled in a Medicare Advantage plan for January 1, 2023, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) between January 1 and March 31, 2023.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage at any time. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

**SECTION 5 Programs That Offer Free Counseling about Medicare**

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Oregon, the SHIP is called Senior Health Insurance Benefits Assistance (SHIBA). In Washington, the SHIP is called Statewide Health Insurance Benefits Advisors (also SHIBA).

It is a state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare. SHIBA counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call SHIBA in Oregon at 1-800-722-4134 (TTY 711). You can call SHIBA in Washington at 1-800-562-6900 (TTY 360-586-0241). - **What if you have coverage from an AIDS Drug Assistance Program (ADAP)?** The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance CAREAssist in Oregon or Early Intervention Program (EIP) in Washington. **Note:** To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status.

If you are currently enrolled in an ADAP, it can continue to provide you with Medicare Part D prescription cost-sharing assistance for drugs on the ADAP formulary. In order to be sure you continue receiving this assistance, please notify your local ADAP enrollment worker of any changes in your Medicare Part D plan name or policy number.

To contact CAREAssist in Oregon, call 971-673-0144 or 1-800-805-2313 (TTY 711). To contact the Early Intervention Program (EIP) in Washington, call 1-877-376-9316.
