Evidence of Coverage, Annual Notice of Change, and Summary of Benefits

This is important information regarding changes to 2023 coverage.

This notice is regarding cost-saving changes to 2023 Medicare Advantage benefits. These cost-saving benefit changes are part of the Inflation Reduction Act (IRA). The IRA will save money for Medicare beneficiaries by strengthening the Medicare program and lowering drug costs.

The IRA requires drug companies that raise drug prices faster than the rate of inflation to pay Medicare a rebate. Medicare calls these "Part B Rebutable Drugs." **Beginning April 1, 2023**, certain Part B rebatable drugs may be subject to a lower coinsurance. Providence Medicare Advantage Plans members may experience reductions in coinsurance for these Part B rebatable drugs. As of January 1, 2023, the IRA requires that under a Medicare Part D prescription drug plan, you will not pay more than \$35 for a one-month supply of covered insulin products. **Beginning July 1, 2023**, under Medicare Part B, Providence Medicare Advantage Plans members who take insulin through a pump that is covered under Medicare's durable medical equipment (DME) will not pay more than \$35 for a one-month's supply of covered insulin.

No response is required to this notice, but we recommend you keep this information for future reference. For more information regarding benefits, please review the Evidence of Coverage located at [ProvidenceHealthAssurance.com/EOC](https://www.providencehealthassurance.com/EOC). If you have any questions, please call us at 503-574-8000 or 1-800-603-2340 (TTY 711) 8 a.m. to 8 p.m. (Pacific Time), seven days a week.

Section 1.5 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Service for more information.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We have included a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and didn’t receive this insert with this packet, please call Customer Service and ask for the “LIS Rider.”

There are four “drug payment stages.”

The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Important Message About What You Pay for Vaccines - Our plan covers most Part D vaccines at no cost to you. Call Customer Service for more information.

Important Message About What You Pay for Insulin - You won’t pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it’s on.

Getting Help from Medicare - If you chose this plan because you were looking for insulin coverage at \$35 a month or less, it is important to know that you may have other options available to you for 2023 at even lower costs because of changes to the Medicare Part D program. Contact Medicare, at 1-800- MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week for help comparing your options. TTY users should call 1-877-486-2048.

Additional Resources to Help – Please contact our Customer Service number at 503-574-8000 or 1-800-603-2340 for additional information. (TTY users should call 711.) Hours are 8 a.m. to 8 p.m. (Pacific Time), seven days a week.

SECTION 3 Deciding Which Plan to Choose

Section 3.1 – If you want to stay in Providence Medicare Timber + Rx (HMO)

To stay in our plan, you don’t need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Providence Medicare Timber + Rx (HMO).

Section 3.2 – If you want to change plans

We hope to keep you as a member next year, but if you want to change for 2023, follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- *OR--* You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 1.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

As a reminder, Providence Health Assurance offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Providence Medicare Timber + Rx (HMO).

- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact Customer Service if you need more information on how to do so.
 - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 4 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2023.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2023, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) between January 1 and March 31, 2023.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 5 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Oregon, the SHIP is called Senior Health Insurance Benefits Assistance (SHIBA). In Washington, the SHIP is called Statewide Health Insurance Benefits Advisors (also SHIBA).

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHIBA counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call SHIBA in Oregon at 1-800-722-4134 (TTY 711). You can call SHIBA in Washington at 1-800-562-6900 (TTY 360-586-0241).
