January 1 – December 31, 2025

Evidence of Coverage:

Your Medicare Health Benefits and Services and Prescription Drug Coverage as a Member of Providence Medicare Extra + Rx (HMO)

This document gives you the details about your Medicare health care and prescription drug coverage from January 1 – December 31, 2025. **This is an important legal document. Please keep it in a safe place.**

For questions about this document, please contact our Customer Service at 503-574-8000 or 1-800-603-2340 for additional information. (TTY users should call 711.) Hours are 8 a.m. to 8 p.m. (Pacific Time), seven days a week. This call is free.

This plan, Providence Medicare Extra + Rx (HMO), is offered by Providence Health Assurance. (When this *Evidence of Coverage* says “we,” “us,” or “our,” it means Providence Health Assurance. When it says “plan” or “our plan,” it means Providence Medicare Extra + Rx (HMO).)

This information is available in multiple formats, including audio CDs, large print, and braille.

Benefits, premium, deductible, and/or copayments/coinsurance may change on January 1, 2026.

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary. We will notify affected enrollees about changes at least 30 days in advance.

This document explains your benefits and rights. Use this document to understand about:

- Your plan premium and cost sharing;
- Your medical and prescription drug benefits;
- How to file a complaint if you are not satisfied with a service or treatment;
- How to contact us if you need further assistance; and,
- Other protections required by Medicare law.

CHAPTER 12: <i>Definitions of important words</i>	219
--	------------

CHAPTER 1:

Getting started as a member

SECTION 1 Introduction

Section 1.1	You are enrolled in Providence Medicare Extra + Rx (HMO), which is a Medicare HMO
--------------------	--

You are covered by Medicare, and you have chosen to get your Medicare health care and your prescription drug coverage through our plan, Providence Medicare Extra + Rx (HMO). We are required to cover all Part A and Part B services. However, cost sharing and provider access in this plan differ from Original Medicare.

Providence Medicare Extra + Rx (HMO) is a Medicare Advantage HMO Plan (HMO stands for Health Maintenance Organization) approved by Medicare and run by a private company.

Coverage under this Plan qualifies as Qualifying Health Coverage (QHC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at: www.irs.gov/Affordable-Care-Act/Individuals-and-Families for more information.

Section 1.2	What is the <i>Evidence of Coverage</i> document about?
--------------------	--

This *Evidence of Coverage* document tells you how to get your medical care and prescription drugs. It explains your rights and responsibilities, what is covered, what you pay as a member of the plan, and how to file a complaint if you are not satisfied with a decision or treatment.

The words *coverage* and *covered services* refer to the medical care and services and the prescription drugs available to you as a member of Providence Medicare Extra + Rx (HMO).

It's important for you to learn what the plan's rules are and what services are available to you. We encourage you to set aside some time to look through this *Evidence of Coverage* document.

If you are confused, concerned or just have a question, please contact our plan's Customer Service.

Section 1.3	Legal information about the <i>Evidence of Coverage</i>
--------------------	--

This *Evidence of Coverage* is part of our contract with you about how Providence Medicare Extra + Rx (HMO) covers your care. Other parts of this contract include your enrollment form, the *List of Covered Drugs (Formulary)*, and any notices you receive from us about changes to your coverage or conditions that affect your coverage. These notices are sometimes called *riders* or *amendments*.

The contract is in effect for months in which you are enrolled in Providence Medicare Extra + Rx (HMO) between January 1, 2025, and December 31, 2025.

Chapter 1 Getting started as a member

Each calendar year, Medicare allows us to make changes to the plans that we offer. This means we can change the costs and benefits of Providence Medicare Extra + Rx (HMO) after December 31, 2025. We can also choose to stop offering the plan in your service area, after December 31, 2025.

Medicare (the Centers for Medicare & Medicaid Services) must approve Providence Medicare Extra + Rx (HMO) each year. You can continue each year to get Medicare coverage as a member of our plan as long as we choose to continue to offer the plan and Medicare renews its approval of the plan.

SECTION 2 What makes you eligible to be a plan member?

Section 2.1 Your eligibility requirements

You are eligible for membership in our plan as long as:

- You have both Medicare Part A and Medicare Part B
- -- *and* -- you live in our geographic service area (Section 2.2 below describes our service area). Incarcerated individuals are not considered living in the geographic service area even if they are physically located in it.
- -- *and* -- you are a United States citizen or are lawfully present in the United States

Section 2.2 Here is the plan service area for Providence Medicare Extra + Rx (HMO)

Providence Medicare Extra + Rx (HMO) is available only to individuals who live in our plan service area. To remain a member of our plan, you must continue to reside in the plan service area. The service area is described below.

Our service area includes these counties in Oregon: Benton, Clackamas, Columbia, Crook, Deschutes, Hood River, Jefferson, Lane, Linn, Marion, Multnomah, Polk, Washington, Wheeler, and Yamhill and this county in Washington: Clark.

If you plan to move out of the service area, you cannot remain a member of this plan. Please contact Customer Service to see if we have a plan in your new area. When you move, you will have a Special Enrollment Period that will allow you to switch to Original Medicare or enroll in a Medicare health or drug plan that is available in your new location.

It is also important that you call Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

Section 2.3 U.S. Citizen or Lawful Presence

A member of a Medicare health plan must be a U.S. citizen or lawfully present in the United States. Medicare (the Centers for Medicare & Medicaid Services) will notify Providence Medicare Extra + Rx (HMO) if you are not eligible to remain a member on this basis. Providence Medicare Extra + Rx (HMO) must disenroll you if you do not meet this requirement.

SECTION 3 Important membership materials you will receive

Section 3.1 Your plan membership card

While you are a member of our plan, you must use your membership card whenever you get services covered by this plan and for prescription drugs you get at network pharmacies. You should also show the provider your Medicaid card, if applicable. Here's a sample membership card to show you what yours will look like:

Do NOT use your red, white, and blue Medicare card for covered medical services while you are a member of this plan. If you use your Medicare card instead of your Providence Medicare Extra + Rx (HMO) membership card, you may have to pay the full cost of medical services yourself. Keep your Medicare card in a safe place. You may be asked to show it if you need hospital services, hospice services, or participate in Medicare approved clinical research studies also called clinical trials.

If your plan membership card is damaged, lost, or stolen, call Customer Service right away and we will send you a new card.

Section 3.2 Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists our current network providers. **Network providers** are the doctors and other health care professionals, medical groups, durable medical equipment suppliers, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost sharing as payment in full.

You must use network providers to get your medical care and services. If you go elsewhere without proper authorization you will have to pay in full. The only exceptions are emergencies, urgently needed services when the network is not available (that is, in situations when it is unreasonable or not possible to obtain services in-network), out-of-area dialysis services, and cases in which Providence Medicare Extra + Rx (HMO) authorizes use of out-of-network providers.

The *Provider and Pharmacy Directory* lists our network pharmacies. **Network pharmacies** are all of the pharmacies that have agreed to fill covered prescriptions for our plan members. You can use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use. See Chapter 5, Section 2.5 for information on when you can use pharmacies that are not in the plan's network.

The *Provider and Pharmacy Directory* will also tell you which of the pharmacies in our network have preferred cost sharing, which may be lower than the standard cost sharing offered by other network pharmacies for some drugs.

If you don't have the *Provider and Pharmacy Directory*, you can get a copy (electronically or in hardcopy form) from Customer Service. You can also find this information on our website at www.ProvidenceHealthAssurance.com/findaprovider. Requests for hard copy *Provider and Pharmacy Directory* will be mailed to you within three business days.

Section 3.3 The plan's *List of Covered Drugs (Formulary)*

The plan has a *List of Covered Drugs (Formulary)*. We call it the "Drug List" for short. It tells which Part D prescription drugs are covered under the Part D benefit included in Providence Medicare Extra + Rx (HMO). The drugs on this list are selected by the plan with the help of a team of doctors and pharmacists. The list must meet requirements set by Medicare. Medicare has approved the Providence Medicare Extra + Rx (HMO) Drug List.

The Drug List also tells you if there are any rules that restrict coverage for your drugs.

We will provide you a copy of the Drug List. To get the most complete and current information about which drugs are covered, you can visit the plan's website (www.ProvidenceHealthAssurance.com/formulary) or call Customer Service.

SECTION 4 Your monthly costs for Providence Medicare Extra + Rx (HMO)

Your costs may include the following:

- Plan Premium (Section 4.1)
- Monthly Medicare Part B Premium (Section 4.2)
- Optional Supplemental Benefit Premium (Section 4.3)
- Part D Late Enrollment Penalty (Section 4.4)
- Income Related Monthly Adjusted Amount (Section 4.5)
- Medicare Prescription Payment Plan Amount (Section 4.6)

In some situations, your plan premium could be less

The “Extra Help” program helps people with limited resources pay for their drugs. Chapter 2, Section 7 talks more about this program. If you qualify, enrolling in the program might lower your monthly plan premium.

If you are *already enrolled* and getting help from this program, **the information about premiums in this Evidence of Coverage may not apply to you.** We sent you a separate insert, called the *Evidence of Coverage Rider for People Who Get “Extra Help” Paying for Prescription Drugs* (also known as the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug coverage. If you don’t have this insert, please call Customer Service and ask for the LIS Rider.

Medicare Part B and Part D premiums differ for people with different incomes. If you have questions about these premiums review your copy of *Medicare & You 2025* handbook, the section called *2025 Medicare Costs*. If you need a copy, you can download it from the Medicare website (www.medicare.gov/medicare-and-you). Or you can order a printed copy by phone at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048.

Section 4.1 Plan premium

As a member of our plan, you pay a monthly plan premium. For 2025, the monthly premium for Providence Medicare Extra + Rx (HMO) is \$161.

Section 4.2 Monthly Medicare Part B Premium

Many members are required to pay other Medicare premiums

In addition to paying the monthly plan premium, you must continue paying your Medicare premiums to remain a member of the plan. This includes your premium for Part B. It may also include a premium for Part A which affects members who aren’t eligible for premium free Part A.

Chapter 1 Getting started as a member**Section 4.3 Optional Supplemental Benefit Premium**

If you signed up for extra benefits, also called *optional supplemental benefits*, then you pay an additional premium each month for these extra benefits. See Chapter 4, Section 2.2 for details.

If you elected Optional Supplemental Dental coverage, the premium pricing is as follows:

Optional Supplemental Dental Plan	Monthly Premium
Providence Dental Basic	\$37.50
Providence Dental Enhanced	\$53.50

Section 4.4 Part D Late Enrollment Penalty

Some members are required to pay a Part D **late enrollment penalty**. The Part D late enrollment penalty is an additional premium that must be paid for Part D coverage if at any time after your initial enrollment period is over, there is a period of 63 days or more in a row when you did not have Part D or other creditable prescription drug coverage. Creditable prescription drug coverage is coverage that meets Medicare's minimum standards since it is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. The cost of the late enrollment penalty depends on how long you went without Part D or other creditable prescription drug coverage. You will have to pay this penalty for as long as you have Part D coverage.

The Part D late enrollment penalty is added to your monthly premium. When you first enroll in Providence Medicare Extra + Rx (HMO), we let you know the amount of the penalty. If you do not pay your Part D late enrollment penalty, you could lose your prescription drug benefits.

You **will not** have to pay it if:

- You receive "Extra Help" from Medicare to pay for your prescription drugs.
- You have gone less than 63 days in a row without creditable coverage.
- You have had creditable drug coverage through another source such as a former employer, union, TRICARE, or Veterans Health Administration (VA). Your insurer or your human resources department will tell you each year if your drug coverage is creditable coverage. This information may be sent to you in a letter or included in a newsletter from the plan. Keep this information, because you may need it if you join a Medicare drug plan later.
 - **Note:** Any notice must state that you had creditable prescription drug coverage that is expected to pay as much as Medicare's standard prescription drug plan pays.
 - **Note:** The following are *not* creditable prescription drug coverage: prescription drug discount cards, free clinics, and drug discount websites.

Medicare determines the amount of the penalty. Here is how it works:

Chapter 1 Getting started as a member

- If you went 63 days or more without Part D or other creditable prescription drug coverage after you were first eligible to enroll in Part D, the plan will count the number of full months that you did not have coverage. The penalty is 1% for every month that you did not have creditable coverage. For example, if you go 14 months without coverage, the penalty will be 14%.
- Then Medicare determines the amount of the average monthly premium for Medicare drug plans in the nation from the previous year. For 2024, this average premium amount was \$34.70. This amount may change for 2025.
- To calculate your monthly penalty, you multiply the penalty percentage and the average monthly premium and then round it to the nearest 10 cents. In the example here, it would be 14% times \$34.70, which equals \$4.858. This rounds to \$4.90. This amount would be added **to the monthly premium for someone with a Part D late enrollment penalty**.

There are three important things to note about this monthly Part D late enrollment penalty:

- First, **the penalty may change each year** because the average monthly premium can change each year.
- Second, **you will continue to pay a penalty** every month for as long as you are enrolled in a plan that has Medicare Part D drug benefits, even if you change plans.
- Third, if you are under 65 and currently receiving Medicare benefits, the Part D late enrollment penalty will reset when you turn 65. After age 65, your Part D late enrollment penalty will be based only on the months that you don't have coverage after your initial enrollment period for aging into Medicare.

If you disagree about your Part D late enrollment penalty, you or your representative can ask for a review. Generally, you must request this review **within 60 days** from the date on the first letter you receive stating you have to pay a late enrollment penalty. However, if you were paying a penalty before joining our plan, you may not have another chance to request a review of that late enrollment penalty.

Important: Do not stop paying your Part D late enrollment penalty while you're waiting for a review of the decision about your late enrollment penalty. If you do, you could be disenrolled for failure to pay your plan premiums.

Section 4.5	Income Related Monthly Adjustment Amount
--------------------	---

Some members may be required to pay an extra charge, known as the Part D Income Related Monthly Adjustment Amount, also known as IRMAA. The extra charge is figured out using your modified adjusted gross income as reported on your IRS tax return from two years ago. If this amount is above a certain amount, you'll pay the standard premium amount and the additional IRMAA. For more information on the extra amount you may have to pay based on your income, visit <https://www.medicare.gov/drug-coverage-part-d/costs-for-medicare-drug-coverage/monthly-premium-for-drug-plans>.

Chapter 1 Getting started as a member

If you have to pay an extra amount, Social Security, not your Medicare plan, will send you a letter telling you what that extra amount will be. The extra amount will be withheld from your Social Security, Railroad Retirement Board, or Office of Personnel Management benefit check, no matter how you usually pay your plan premium, unless your monthly benefit isn't enough to cover the extra amount owed. If your benefit check isn't enough to cover the extra amount, you will get a bill from Medicare. **You must pay the extra amount to the government. It cannot be paid with your monthly plan premium. If you do not pay the extra amount, you will be disenrolled from the plan and lose prescription drug coverage.**

If you disagree about paying an extra amount, you can ask Social Security to review the decision. To find out more about how to do this, contact Social Security at 1-800-772-1213 (TTY 1-800-325-0778).

Section 4.6	Medicare Prescription Payment Plan Amount
--------------------	--

If you're participating in the Medicare Prescription Payment Plan, each month you'll pay your plan premium (if you have one) and you'll get a bill from your health or drug plan for your prescription drugs (instead of paying the pharmacy). Your monthly bill is based on what you owe for any prescriptions you get, plus your previous month's balance, divided by the number of months left in the year.

Chapter 2, Section 7 talks more about the Medicare Prescription Payment Plan. If you disagree with the amount billed as part of this payment option, you can follow the steps in Chapter 9 to make a complaint or appeal.

SECTION 5	More information about your monthly premium
------------------	--

Section 5.1	There are several ways you can pay your plan premium
--------------------	---

There are four ways you can pay your plan premium.

Option 1: Paying by check

You can pay by check every month. We generate and mail you a monthly billing statement, which includes a payment coupon and return envelope. If you lose your payment coupon, please contact Customer Service to request a new one.

If you would like to mail your check, our payment address is:

Providence Medicare Advantage Plans
P.O. Box 4175
Portland, OR 97208

Checks should be made payable to Providence Medicare Advantage Plans, not to CMS or HHS. Please include your member ID number on your check.

Chapter 1 Getting started as a member

Payments are due on the 1st of each month but are not considered late until the 15th of each month.

Option 2: Paying online or by telephone

You can pay online or by telephone every month. We accept payment via checking/savings account or credit/debit card (Visa or MasterCard only). You can make one-time or monthly recurring payments via your myProvidence account or the Providence website. Please visit myProvidence.com or Providence.org/premiumpay to get started. If you would like to pay by phone, Self Service is available at 844-791-1468, 24 hours a day, seven days a week. TTY users should call 711. Payments are due on the 1st of each month but are not considered late until the 15th of each month.

Option 3: Having your plan premium taken out of your monthly Social Security check

You can have the plan premium taken out of your monthly Social Security check. Contact Customer Service for more information on how to pay your plan premium this way. We will be happy to help you set this up. Please note that once SSA payment is in effect, you will not receive a monthly statement.

Option 4: Having your plan premium taken out of your monthly Railroad Retirement Board check

You can have the plan premium taken out of your monthly Railroad Retirement Board check. We will be happy to help you set this up. Contact Customer Service for more information about how to pay your plan premium this way. Please note that once RRB payment is in effect, you will not receive a monthly statement.

Changing the way you pay your plan premium. If you decide to change the way you pay your plan premium, it can take up to three months for your new payment method to take effect. While we are processing your request for a new payment method, you are responsible for making sure that your plan premium is paid on time. To change your payment method, please contact Customer Service.

What to do if you are having trouble paying your plan premium

Your plan premium is due in our office by the 1st of each month. If we have not received your payment by the 15th of the month, we will send you a notice telling you that your plan membership will end if we do not receive your premium within 90 days. If you are required to pay a Part D late enrollment penalty, you must pay the penalty to keep your prescription drug coverage.

If you are having trouble paying your premium on time, please contact Customer Service to see if we can direct you to programs that will help with your costs.

If we end your membership because you did not pay your premium, you will have health coverage under Original Medicare. In addition, you may not be able to receive Part D coverage

Chapter 1 Getting started as a member

until the following year if you enroll in a new plan during the annual enrollment period. (If you go without creditable drug coverage for more than 63 days, you may have to pay a Part D late enrollment penalty for as long as you have Part D coverage.)

At the time we end your membership, you may still owe us for premiums you have not paid. In the future, if you want to enroll again in our plan (or another plan that we offer), you will need to pay the amount you owe before you can enroll.

If you think we have wrongfully ended your membership, you can make a complaint (also called a grievance); see Chapter 9 for how to file a complaint. If you had an emergency circumstance that was out of your control and it caused you to not be able to pay your plan premium within our grace period, you can make a complaint. For complaints, we will review our decision again.

Chapter 9, Section 10 of this document tells how to make a complaint, or you can call us at 503-574-8000 or 1-800-603-2340 between 8 a.m. and 8 p.m. (Pacific Time), seven days a week. TTY users should call 711. You must make your request no later than 60 calendar days after the date your membership ends.

Section 5.2	Can we change your monthly plan premium during the year?
--------------------	---

No. We are not allowed to change the amount we charge for the plan's monthly plan premium during the year. If the monthly plan premium changes for next year we will tell you in September and the change will take effect on January 1.

However, in some cases the part of the premium that you have to pay can change during the year. This happens if you become eligible for the "Extra Help" program or if you lose your eligibility for the "Extra Help" program during the year. If a member qualifies for "Extra Help" with their prescription drug costs, the "Extra Help" program will pay part of the member's monthly plan premium. A member who loses their eligibility during the year will need to start paying their full monthly premium. You can find out more about the "Extra Help" program in Chapter 2, Section 7.

SECTION 6 **Keeping your plan membership record up to date**

Your membership record has information from your enrollment form, including your address and telephone number. It shows your specific plan coverage, including your Primary Care Provider.

The doctors, hospitals, pharmacists, and other providers in the plan's network need to have correct information about you. **These network providers use your membership record to know what services and drugs are covered and the cost-sharing amounts for you.** Because of this, it is very important that you help us keep your information up to date.

Let us know about these changes:

- Changes to your name, your address, or your phone number

Chapter 1 Getting started as a member

- Changes in any other health insurance coverage you have (such as from your employer, your spouse or domestic partner's employer, workers' compensation, or Medicaid)
- If you have any liability claims, such as claims from an automobile accident
- If you have been admitted to a nursing home
- If you receive care in an out-of-area or out-of-network hospital or emergency room
- If your designated responsible party (such as a caregiver) changes
- If you are participating in a clinical research study (**Note:** You are not required to tell your plan about the clinical research studies you intend to participate in, but we encourage you to do so)

If any of this information changes, please let us know by calling Customer Service.

It is also important to contact Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

SECTION 7 How other insurance works with our plan

Other insurance

Medicare requires that we collect information from you about any other medical or drug insurance coverage that you have. That's because we must coordinate any other coverage you have with your benefits under our plan. This is called **Coordination of Benefits**.

Once each year, we will send you a letter that lists any other medical or drug insurance coverage that we know about. Please read over this information carefully. If it is correct, you don't need to do anything. If the information is incorrect, or if you have other coverage that is not listed, please call Customer Service. You may need to give your plan member ID number to your other insurers (once you have confirmed their identity) so your bills are paid correctly and on time.

When you have other insurance (like employer group health coverage), there are rules set by Medicare that decide whether our plan or your other insurance pays first. The insurance that pays first is called the primary payer and pays up to the limits of its coverage. The one that pays second, called the secondary payer, only pays if there are costs left uncovered by the primary coverage. The secondary payer may not pay all of the uncovered costs. If you have other insurance, tell your doctor, hospital, and pharmacy.

These rules apply for employer or union group health plan coverage:

- If you have retiree coverage, Medicare pays first.
- If your group health plan coverage is based on your or a family member's current employment, who pays first depends on your age, the number of people employed by

Chapter 1 Getting started as a member

your employer, and whether you have Medicare based on age, disability, or End-Stage Renal Disease (ESRD):

- If you're under 65 and disabled and you or your family member is still working, your group health plan pays first if the employer has 100 or more employees or at least one employer in a multiple employer plan that has more than 100 employees.
- If you're over 65 and you or your spouse or domestic partner is still working, your group health plan pays first if the employer has 20 or more employees or at least one employer in a multiple employer plan that has more than 20 employees.
- If you have Medicare because of ESRD, your group health plan will pay first for the first 30 months after you become eligible for Medicare.

These types of coverage usually pay first for services related to each type:

- No-fault insurance (including automobile insurance)
- Liability (including automobile insurance)
- Black lung benefits
- Workers' compensation

Medicaid and TRICARE never pay first for Medicare-covered services. They only pay after Medicare, employer group health plans, and/or Medigap have paid.

SECTION 2 Medicare (how to get help and information directly from the Federal Medicare program)

Medicare is the Federal health insurance program for people 65 years of age or older, some people under age 65 with disabilities, and people with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a kidney transplant).

The Federal agency in charge of Medicare is the Centers for Medicare & Medicaid Services (sometimes called CMS). This agency contracts with Medicare Advantage organizations including us.

Method	Medicare – Contact Information
CALL	1-800-MEDICARE, or 1-800-633-4227 Calls to this number are free. 24 hours a day, 7 days a week.
TTY	1-877-486-2048 This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are free.

Chapter 2 Important phone numbers and resources

Method	Medicare – Contact Information
WEBSITE	<u>www.medicare.gov</u> This is the official government website for Medicare. It gives you up-to-date information about Medicare and current Medicare issues. It also has information about hospitals, nursing homes, physicians, home health agencies, and dialysis facilities. It includes documents you can print directly from your computer. You can also find Medicare contacts in your state. The Medicare website also has detailed information about your Medicare eligibility and enrollment options with the following tools: • Medicare Eligibility Tool: Provides Medicare eligibility status information. • Medicare Plan Finder: Provides personalized information about available Medicare prescription drug plans, Medicare health plans, and Medigap (Medicare Supplement Insurance) policies in your area. These tools provide an <i>estimate</i> of what your out-of-pocket costs might be in different Medicare plans. You can also use the website to tell Medicare about any complaints you have about Providence Medicare Extra + Rx (HMO): • Tell Medicare about your complaint: You can submit a complaint about Providence Medicare Extra + Rx (HMO) directly to Medicare. To submit a complaint to Medicare, go to <u>www.medicare.gov/MedicareComplaintForm/home.aspx</u>. Medicare takes your complaints seriously and will use this information to help improve the quality of the Medicare program. If you don't have a computer, your local library or senior center may be able to help you visit this website using its computer. Or, you can call Medicare and tell them what information you are looking for. They will find the information on the website and review the information with you. (You can call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.)

SECTION 3 State Health Insurance Assistance Program (free help, information, and answers to your questions about Medicare)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. Here is a list of the State Health Insurance Assistance Programs in each state we serve:

- In Oregon, the SHIP is called Senior Health Insurance Benefits Assistance (SHIBA).
- In Washington, the SHIP is called Statewide Health Insurance Benefits Advisors (also SHIBA).

SHIBA is an independent (not connected with any insurance company or health plan) state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare.

SHIBA counselors can help you understand your Medicare rights, help you make complaints about your medical care or treatment, and help you straighten out problems with your Medicare bills. SHIBA counselors can also help you with Medicare questions or problems and help you understand your Medicare plan choices and answer questions about switching plans.

METHOD TO ACCESS SHIP and OTHER RESOURCES:

- Visit <https://www.shiphelp.org> (Click on SHIP LOCATOR in middle of page)
- Select your **STATE** from the list. This will take you to a page with phone numbers and resources specific to your state.

SECTION 4 Quality Improvement Organization

There is a designated Quality Improvement Organization for serving Medicare beneficiaries in each state. For Oregon and Washington, the Quality Improvement Organization is called Acentra Health.

Acentra Health has a group of doctors and other health care professionals who are paid by Medicare to check on and help improve the quality of care for people with Medicare. Acentra Health is an independent organization. It is not connected with our plan.

You should contact Acentra Health in any of these situations:

- You have a complaint about the quality of care you have received.
- You think coverage for your hospital stay is ending too soon.
- You think coverage for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon.

Method	Acentra Health (Oregon and Washington's Quality Improvement Organization) – Contact Information
CALL	1-888-305-6759 (toll-free) Local hours are 9 a.m. to 5 p.m. (Pacific Time), Monday through Friday, and 11 a.m. to 4 p.m. (Pacific Time) on weekends and holidays. A message can also be left at the toll-free number 24 hours a day, seven days a week.
TTY	711

SECTION 5 Social Security

Social Security is responsible for determining eligibility and handling enrollment for Medicare. U.S. citizens and lawful permanent residents who are 65 or older, or who have a disability or End-Stage Renal Disease and meet certain conditions, are eligible for Medicare. If you are already getting Social Security checks, enrollment into Medicare is automatic. If you are not getting Social Security checks, you have to enroll in Medicare. To apply for Medicare, you can call Social Security or visit your local Social Security office.

Social Security is also responsible for determining who has to pay an extra amount for their Part D drug coverage because they have a higher income. If you got a letter from Social Security telling you that you have to pay the extra amount and have questions about the amount or if your income went down because of a life-changing event, you can call Social Security to ask for reconsideration.

If you move or change your mailing address, it is important that you contact Social Security to let them know.

Method	Social Security– Contact Information
CALL	1-800-772-1213 Calls to this number are free. Available 8:00 am to 7:00 pm, Monday through Friday. You can use Social Security's automated telephone services to get recorded information and conduct some business 24 hours a day.
TTY	1-800-325-0778 This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are free. Available 8:00 am to 7:00 pm, Monday through Friday.
WEBSITE	www.ssa.gov

SECTION 6 Medicaid

Medicaid is a joint Federal and state government program that helps with medical costs for certain people with limited incomes and resources. Some people with Medicare are also eligible for Medicaid.

The programs offered through Medicaid help people with Medicare pay their Medicare costs, such as their Medicare premiums. These Medicare Savings Programs include:

- **Qualified Medicare Beneficiary (QMB):** Helps pay Medicare Part A and Part B premiums, and other cost sharing (like deductibles, coinsurance, and copayments). (Some people with QMB are also eligible for full Medicaid benefits (QMB+).)
- **Specified Low-Income Medicare Beneficiary (SLMB):** Helps pay Part B premiums. (Some people with SLMB are also eligible for full Medicaid benefits (SLMB+).)
- **Qualifying Individual (QI):** Helps pay Part B premiums.
- **Qualified Disabled & Working Individuals (QDWI):** Helps pay Part A premiums.

To find out more about Medicaid and its programs, contact Oregon Health Plan or Washington Apple Health.

Method	Oregon Health Plan – Contact Information
CALL	1-800-273-0557 Hours are 8 a.m. to 5 p.m. (Pacific Time), Monday through Friday.
TTY	711
WRITE	Oregon Health Plan (OHP) PO Box 14015 Salem, OR 97309
WEBSITE	www.oregon.gov/oha/healthplan

Method	Washington Apple Health – Contact Information
CALL	1-800-562-3022 Hours are 7 a.m. to 5 p.m. (Pacific Time), Monday through Friday, except state holidays.
TTY	711
WRITE	Washington Apple Health P.O. Box 45531 Olympia, WA 98504 Email: askmedicaid@hca.wa.gov

Chapter 2 Important phone numbers and resources

Method	Washington Apple Health – Contact Information
WEBSITE	www.hca.wa.gov/health-care-services-supports/apple-health-medicaid-coverage

SECTION 7 Information about programs to help people pay for their prescription drugs

The Medicare.gov website (<https://www.medicare.gov/basics/costs/help/drug-costs>) provides information on how to lower your prescription drug costs. For people with limited incomes, there are also other programs to assist, described below.

Medicare’s “Extra Help” Program

Medicare provides “Extra Help” to pay prescription drug costs for people who have limited income and resources. Resources include your savings and stocks, but not your home or car. If you qualify, you get help paying for any Medicare drug plan’s monthly premium, yearly deductible, and prescription copayments. This “Extra Help” also counts toward your out-of-pocket costs.

If you automatically qualify for “Extra Help,” Medicare will mail you a letter. You will not have to apply. If you do not automatically qualify, you may be able to get “Extra Help” to pay for your prescription drug premiums and costs. To see if you qualify for getting “Extra Help,” call:

- 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
- The Social Security Office at 1-800-772-1213, between 8 am and 7 pm, Monday through Friday. TTY users should call 1-800-325-0778; or
- Your State Medicaid Office. (See Section 6 of this chapter for contact information).

If you believe you have qualified for “Extra Help” and you believe that you are paying an incorrect cost-sharing amount when you get your prescription at a pharmacy, our plan has a process for you to either request assistance in obtaining evidence of your proper copayment level, or, if you already have the evidence, to provide this evidence to us.

- Please contact Customer Service if you believe that you are being charged the wrong cost-sharing amount. We can confirm your current coverage and whether or not your “Extra Help” is being applied to your benefits correctly. If you disagree with our findings, we may ask you to provide one of the following pieces of documentation to verify your Low-Income Subsidy:
 - A copy of your Medicaid card that includes your name and an eligibility date during a month after June of the previous calendar year;
 - A copy of a state document that confirms active Medicaid status during a month after June of the previous calendar year;

Chapter 2 Important phone numbers and resources

- A print-out from the State electronic enrollment file showing Medicaid status during a month after June of the previous calendar year;
 - A printed screenshot from the State’s Medicaid System showing Medicaid status during a month after June of the previous calendar year;
 - Other documentation provided by the State showing Medicaid status during a month after June of the previous calendar year; or,
 - A letter from Social Security showing that you receive Supplemental Security Income (SSI).
- After receiving one of the documents listed above, we will update your information within 72 hours so you can pick up your prescription(s) at the new cost. If you are unable to provide one of the above-mentioned documents but still believe you qualify for “Extra Help,” Customer Service can walk you through next steps.
 - When we receive the evidence showing your copayment level, we will update our system so that you can pay the correct copayment when you get your next prescription at the pharmacy. If you overpay your copayment, we will reimburse you. Either we will forward a check to you in the amount of your overpayment or we will offset future copayments. If the pharmacy hasn’t collected a copayment from you and is carrying your copayment as a debt owed by you, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make payment directly to the state. Please contact Customer Service if you have questions.

What if you have “Extra Help” and coverage from an AIDS Drug Assistance Program (ADAP)?

What is the AIDS Drug Assistance Program (ADAP)?

The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also on the ADAP formulary qualify for prescription cost-sharing assistance through Oregon's AIDS Drug Assistance Program, CAREAssist; Washington's AIDS Drug Assistance Program, Early Intervention Program (EIP).

Note: To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. If you change plans, please notify your local ADAP enrollment worker so you can continue to receive assistance. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call CAREAssist at 971-673-0144 or 1-800-805-2313 (TTY 711) or the Early Intervention Program (EIP) at 1-877-376-9316.

The Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a new payment option that works with your current drug coverage, and it can help you manage your drug costs by spreading them across **monthly payments that vary throughout the year** (January – December). **This payment option might help you manage your expenses, but it doesn’t save you money or lower your drug costs.** “Extra Help” from Medicare and help from your SPAP and ADAP, for those who qualify, is

Chapter 2 Important phone numbers and resources

more advantageous than participation in the Medicare Prescription Payment Plan. All members are eligible to participate in this payment option, regardless of income level, and all Medicare drug plans and Medicare health plans with drug coverage must offer this payment option. Contact us or visit Medicare.gov to find out if this payment option is right for you.

Method	The Medicare Prescription Payment Plan – Contact Information

SECTION 8 How to contact the Railroad Retirement Board

The Railroad Retirement Board is an independent Federal agency that administers comprehensive benefit programs for the nation's railroad workers and their families. If you receive your Medicare through the Railroad Retirement Board, it is important that you let them know if you move or change your mailing address. If you have questions regarding your benefits from the Railroad Retirement Board, contact the agency.

Chapter 2 Important phone numbers and resources

Method	Railroad Retirement Board – Contact Information
CALL	1-877-772-5772 Calls to this number are free. If you press “0,” you may speak with an RRB representative from 9:00 am to 3:30 pm, Monday, Tuesday, Thursday, and Friday, and from 9:00 am to 12:00 pm on Wednesday. If you press “1,” you may access the automated RRB HelpLine and recorded information 24 hours a day, including weekends and holidays.
TTY	1-312-751-4701 This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are <i>not</i> free.
WEBSITE	rrb.gov/

SECTION 9 Do you have group insurance or other health insurance from an employer?

If you (or your spouse or domestic partner) get benefits from your (or your spouse or domestic partner's) employer or retiree group as part of this plan, you may call the employer/union benefits administrator or Customer Service if you have any questions. You can ask about your (or your spouse or domestic partner's) employer or retiree health benefits, premiums, or the enrollment period. You may also call 1-800-MEDICARE (1-800-633-4227; TTY: 1-877-486-2048) with questions related to your Medicare coverage under this plan.

If you have other prescription drug coverage through your (or your spouse or domestic partner's) employer or retiree group, please contact **that group's benefits administrator**. The benefits administrator can help you determine how your current prescription drug coverage will work with our plan.

CHAPTER 3:

Using the plan for your medical services

SECTION 1 Things to know about getting your medical care as a member of our plan

This chapter explains what you need to know about using the plan to get your medical care covered. It gives definitions of terms and explains the rules you will need to follow to get the medical treatments, services, equipment, prescription drugs, and other medical care that are covered by the plan.

For the details on what medical care is covered by our plan and how much you pay when you get this care, use the benefits chart in the next chapter, Chapter 4 (*Medical Benefits Chart, what is covered and what you pay*).

Section 1.1 What are network providers and covered services?
--

- **Providers** are doctors and other health care professionals licensed by the state to provide medical services and care. The term providers also includes hospitals and other health care facilities.
- **Network providers** are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment and your cost-sharing amount as payment in full. We have arranged for these providers to deliver covered services to members in our plan. The providers in our network bill us directly for care they give you. When you see a network provider, you pay only your share of the cost for their services.
- **Covered services** include all the medical care, health care services, supplies, equipment, and Prescription Drugs that are covered by our plan. Your covered services for medical care are listed in the benefits chart in Chapter 4. Your covered services for prescription drugs are discussed in Chapter 5.

Section 1.2 Basic rules for getting your medical care covered by the plan

As a Medicare health plan, Providence Medicare Extra + Rx (HMO) must cover all services covered by Original Medicare and must follow Original Medicare's coverage rules.

Providence Medicare Extra + Rx (HMO) will generally cover your medical care as long as:

- **The care you receive is included in the plan's Medical Benefits Chart** (this chart is in Chapter 4 of this document).
- **The care you receive is considered medically necessary.** Medically necessary means that the services, supplies, equipment, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- **You have a network primary care provider (a PCP) who is providing and overseeing your care.** As a member of our plan, you must choose a network PCP (for more information about this, see Section 2.1 in this chapter).

Chapter 3 Using the plan for your medical services

- You do not need a referral from your PCP to see a network specialist, or to receive urgent and emergency care services. However, your PCP may still want to recommend an appropriate network specialist for your medical condition and provide follow-up health care as needed. For coordination of care, it is recommended that you notify your PCP when you want to see a network specialist.
- **You must receive your care from a network provider** (for more information about this, see Section 2 in this chapter). In most cases, care you receive from an out-of-network provider (a provider who is not part of our plan's network) will not be covered. This means that you will have to pay the provider in full for the services furnished. *Here are three exceptions:*
 - The plan covers emergency care or urgently needed services that you get from an out-of-network provider. For more information about this, and to see what emergency or urgently needed services means, see Section 3 in this chapter.
 - If you need medical care that Medicare requires our plan to cover but there are no specialists in our network that provide this care, you can get this care from an out-of-network provider at the same cost sharing you normally pay in-network. Authorization should be obtained from the plan prior to seeking care. In this situation, you will pay the same as you would pay if you got the care from a network provider. For information about getting approval to see an out-of-network doctor, see Section 2.4 in this chapter.
 - The plan covers kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area or when your provider for this service is temporarily unavailable or inaccessible. The cost sharing you pay the plan for dialysis can never exceed the cost sharing in Original Medicare. If you are outside the plan's service area and obtain the dialysis from a provider that is outside the plan's network, your cost sharing cannot exceed the cost sharing you pay in-network. However, if your usual in-network provider for dialysis is temporarily unavailable and you choose to obtain services inside the service area from a provider outside the plan's network, the cost sharing for the dialysis may be higher.

SECTION 2 Use providers in the plan's network to get your medical care

Section 2.1	You must choose a Primary Care Provider (PCP) to provide and oversee your medical care
--------------------	---

What is a PCP and what does the PCP do for you?

What is a PCP?

When you enroll in Providence Medicare Extra + Rx (HMO), you must choose an available plan provider to be your assigned PCP. A PCP is a physician, nurse practitioner, or health care professional who meets state requirements and is trained to give you basic medical care. In addition to providing your routine or basic care, your PCP will coordinate the other covered services you receive as a plan member. For example, your assigned PCP may want to provide approval before you see a specialist (this is called coordination of care).

You must see your assigned Primary Care Provider (PCP) for Primary Care services. If you see a network Primary Care Provider (PCP) that is not your assigned Primary Care Provider (PCP) the services will not be covered.

What types of providers may act as a PCP?

There are several types of providers who qualify as PCPs. Your PCP could be:

- An Internal Medicine Physician
- A Family Practice Physician
- A General Practice Physician
- A Geriatric Physician
- A Nurse Practitioner

What is the role of a PCP in your plan?

Usually, you will see your PCP first for your health care needs. There are only a few types of covered services you can get on your own, without contacting your PCP first. Please see Section 2.2 for these exceptions.

What is the role of the PCP in coordinating covered services?

As previously mentioned, your PCP will provide most of your care. They will also help coordinate the rest of your covered services, such as x-rays, laboratory tests, therapies, specialist visits, hospital admissions, and follow-up care. "Coordinating" your services includes reaching out to other plan providers to discuss your care and progress. If you need certain types of covered services or supplies, your PCP may want to coordinate them in advance.

What is the role of the PCP in making decisions about or obtaining prior authorization (PA), if applicable?

Chapter 3 Using the plan for your medical services

In some cases, your PCP will also need to request prior authorization (prior approval) before you get some services. Since your PCP will provide and coordinate most of your health care services, you should confirm that their office has all of your past medical records.

How do you choose your PCP?

You may choose your PCP from the *Provider and Pharmacy Directory*, which is available on our website at www.ProvidenceHealthAssurance.com/findaprovider. You may also call Customer Service for assistance selecting your PCP. Once you make your decision, you must notify Customer Service to ensure accurate claims processing and payment.

It is important to keep other providers and facilities in mind when choosing your PCP. For example, if there is a particular specialist or hospital that you want to use, check to see if your prospective PCP, specialist, or facility is in our network by searching in our Provider and Pharmacy Directory or calling our Customer Service for assistance.

Changing your PCP

You may change your PCP for any reason, at any time. Also, it's possible that your PCP might leave our plan's network of providers and you would have to find a new PCP.

Please notify Customer Service before your first appointment if you want to change your PCP. Changes to your PCP will go into effect the first day of the month following the date of your request. Customer Service is more than happy to assist you.

Please note: If there is a particular specialist or hospital that you want to use, please coordinate your services with your PCP.

Section 2.2 What kinds of medical care can you get without a referral from your PCP?

You can get the services listed below without getting approval in advance from your PCP.

- Routine women's health care, which includes breast exams, screening mammograms (x-rays of the breast), Pap tests, and pelvic exams as long as you get them from a network provider
- Flu shots (or vaccines), COVID-19 vaccinations, and pneumonia vaccinations
- Emergency services from network providers or from out-of-network providers
- Urgently needed plan-covered services, which are services requiring immediate medical attention that are not emergencies, provided you are temporarily outside the service area of the plan, or it is unreasonable given your time, place, and circumstances to obtain this service from network providers with whom the plan contracts. Examples of urgently needed services are unforeseen medical illnesses and injuries or unexpected flare-ups of existing conditions. However, medically necessary routine provider visits, such as annual

Chapter 3 Using the plan for your medical services

checkups, are not considered urgently needed even if you are outside the service area of the plan or the plan network is temporarily unavailable.

- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area. If possible, please call Customer Service before you leave the service area so we can help arrange for you to have maintenance dialysis while you are away.
- Mental health and substance use disorder services. Please contact Customer Service for details.
- Routine eye exams and routine vision hardware. You can get your routine eye exam and hardware from any qualified provider that accepts Medicare. Please see the Medical Benefits Chart in Chapter 4 for details.
- Embedded routine preventive dental services. Please see the Medical Benefits Chart in Chapter 4 for details. Also, see Chapter 4, Section 2.2 for information about optional supplemental dental coverage.
- Routine hearing exam and hearing aids as long as you use an approved hearing provider. Please see the Medical Benefits Chart in Chapter 4 for details.
- Contact your PCP for a specialist recommendation for your medical care needs.

Section 2.3	How to get care from specialists and other network providers
--------------------	---

A specialist is a doctor who provides health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart conditions.
- Orthopedists care for patients with certain bone, joint, or muscle conditions.

Health care services are only covered when they are medically necessary. Please note that your PCP will provide most of your health care and, when medically appropriate, will coordinate with a Providence network specialist for continued care.

Services like elective surgical procedures, hospitalizations, and skilled nursing care must be approved by Providence Health Assurance before the date of service. Likewise, authorizations to see out-of-network providers must be approved by Providence Health Assurance before you receive care. Your PCP is responsible for getting Providence Health Assurance's approval for the above. For more information, please contact Customer Service.

If there is a particular specialist or hospital that you want to use, check with your PCP first to make sure your desired specialist or facility is in our network. To find a provider, specialist or facility visit www.ProvidenceHealthAssurance.com/findaprovider.

To find out which services require prior authorization, please see Chapter 4, Section 2.1.

What if a specialist or another network provider leaves our plan?

We may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. If your doctor or specialist leaves your plan, you have certain rights and protections that are summarized below:

- Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists.
- We will notify you that your provider is leaving our plan so that you have time to select a new provider.
 - If your primary care or behavioral health provider leaves our plan, we will notify you if you have seen that provider within the past three years.
 - If any of your other providers leave our plan, we will notify you if you are assigned to the provider, currently receive care from them, or have seen them within the past three months.
- We will assist you in selecting a new qualified in-network provider that you may access for continued care.
- If you are currently undergoing medical treatment or therapies with your current provider, you have the right to request, and we will work with you to ensure, that the medically necessary treatment or therapies you are receiving continues.
- We will provide you with information about the different enrollment periods available to you and options you may have for changing plans.
- We will arrange for any medically necessary covered benefit outside of our provider network, but at in-network cost sharing, when an in-network provider or benefit is unavailable or inadequate to meet your medical needs. Please note that prior authorization rules may still apply in this situation.
- If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider to manage your care.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file a quality of care complaint to the QIO, a quality of care grievance to the plan, or both. Please see Chapter 9.

Section 2.4	How to get care from out-of-network providers
--------------------	--

In general, care you receive from an out-of-network provider (a provider who is not part of our plan's network) will not be covered. Here are five exceptions that will be paid at the in-network rate if received from an out-of-network provider:

Chapter 3 Using the plan for your medical services

- Emergency or urgently needed care when you are out of the service area of the plan or when in-area providers are temporarily unavailable. Please see Chapter 4, Section 2.1 for additional details on obtaining this care.
- Flu shots or pneumonia vaccinations.
- Kidney dialysis services that you get at a dialysis facility when you are temporarily outside the plan's service area.
- Routine eye exam and routine eye wear. Please see Chapter 4, Section 2.1 for additional details on obtaining this care.
- If you need medical care that Medicare requires our plan to cover and the providers in our network cannot provide this care, you can get this care from an out-of-network provider. Authorization should be obtained from the plan prior to seeking care. Your provider is responsible for requesting authorization before providing you services. If authorization is received, you will pay the same as you would pay if you got the care from a network provider.

SECTION 3 How to get services when you have an emergency or urgent need for care or during a disaster

Section 3.1 Getting care if you have a medical emergency
--

What is a medical emergency and what should you do if you have one?

A **medical emergency** is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent your loss of life (and, if you are a pregnant woman, loss of an unborn child), loss of a limb or function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do *not* need to get approval or a referral first from your PCP. You do not need to use a network doctor. You may get covered emergency medical care whenever you need it, anywhere in the United States or its territories, and from any provider with an appropriate state license even if they are not part of our network; you also have worldwide emergency/urgent care coverage if needed.

What is covered if you have a medical emergency?

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency.

Chapter 3 Using the plan for your medical services

The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your doctors will continue to treat you until your doctors contact us and make plans for additional care. Your follow-up care will be covered by our plan.

If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

What if it wasn't a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care – thinking that your health is in serious danger – and the doctor may say that it wasn't a medical emergency after all. If it turns out that it was not an emergency, as long as you reasonably thought your health was in serious danger, we will cover your care.

However, after the doctor has said that it was *not* an emergency, we will cover additional care *only* if you get the additional care in one of these two ways:

- You go to a network provider to get the additional care.
- – *or* – The additional care you get is considered urgently needed services and you follow the rules for getting this urgently needed services (for more information about this, see Section 3.2 below).

Section 3.2	Getting care when you have an urgent need for services
--------------------	---

What are urgently needed services?

A plan-covered service requiring immediate medical attention that is not an emergency is an urgently needed service if either you are temporarily outside the service area of the plan, or it is unreasonable given your time, place, and circumstances to obtain this service from network providers with whom the plan contracts. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. However, medically necessary routine provider visits, such as annual checkups, are not considered urgently needed even if you are outside the service area of the plan or the plan network is temporarily unavailable.

If you have an urgent medical situation, you may contact your primary care provider, call ProvRN at 503-574-6520 or 1-800-700-0481, and/or get services from an urgent care provider. Please see Chapter 4, Section 2 for cost-sharing information.

Our plan covers worldwide emergency and urgent care services outside the United States under the following circumstances:

Chapter 3 Using the plan for your medical services

- Emergency care: Treatment needed immediately because any delay would mean risk of permanent damage to your health.
- Urgently needed services: Services you require within 12 hours in order to avoid the likely onset of an emergency medical condition.

See the Medical Benefits Chart in Chapter 4, Section 2 for more information on this coverage.

Section 3.3 Getting care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from your plan.

Please visit the following website: www.ProvidenceHealthAssurance.com/disastercare for information on how to obtain needed care during a disaster.

If you cannot use a network provider during a disaster, your plan will allow you to obtain care from out-of-network providers at in-network cost sharing. If you cannot use a network pharmacy during a disaster, you may be able to fill your prescription drugs at an out-of-network pharmacy. Please see Chapter 5, Section 2.5 for more information.

SECTION 4 What if you are billed directly for the full cost of your services?

Section 4.1 You can ask us to pay our share of the cost of covered services

If you have paid more than your plan cost sharing for covered services, or if you have received a bill for the full cost of covered medical services, go to Chapter 7 (*Asking us to pay our share of a bill you have received for covered medical services or drugs*) for information about what to do.

Section 4.2 If services are not covered by our plan, you must pay the full cost

Providence Medicare Extra + Rx (HMO) covers all medically necessary services as listed in the Medical Benefits Chart in Chapter 4 of this document. If you receive services not covered by our plan or services obtained out-of-network and were not authorized, you are responsible for paying the full cost of services.

For covered services that have a benefit limitation, you also pay the full cost of any services you get after you have used up your benefit for that type of covered service. Once a benefit limit has been reached for a particular service, any additional out-of-pocket costs for that service will not

count toward your plan's out-of-pocket maximum. You can call Customer Service when you want to know how much of your benefit limit you have already used.

SECTION 5 How are your medical services covered when you are in a clinical research study?

Section 5.1 What is a clinical research study?
--

A clinical research study (also called a *clinical trial*) is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. Certain clinical research studies are approved by Medicare. Clinical research studies approved by Medicare typically request volunteers to participate in the study.

Once Medicare approves the study, and you express interest, someone who works on the study will contact you to explain more about the study and see if you meet the requirements set by the scientists who are running the study. You can participate in the study as long as you meet the requirements for the study, *and* you have a full understanding and acceptance of what is involved if you participate in the study.

If you participate in a Medicare-approved study, Original Medicare pays most of the costs for the covered services you receive as part of the study. If you tell us that you are in a qualified clinical trial, then you are only responsible for the in-network cost sharing for the services in that trial. If you paid more, for example, if you already paid the Original Medicare cost-sharing amount, we will reimburse the difference between what you paid and the in-network cost sharing. However, you will need to provide documentation to show us how much you paid. When you are in a clinical research study, you may stay enrolled in our plan and continue to get the rest of your care (the care that is not related to the study) through our plan.

If you want to participate in any Medicare-approved clinical research study, you do *not* need to tell us or to get approval from us or your PCP. The providers that deliver your care as part of the clinical research study do *not* need to be part of our plan's network of providers. Please note that this does not include benefits for which our plan is responsible that include, as a component, a clinical trial or registry to assess the benefit. These include certain benefits specified under national coverage determinations requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies and may be subject to prior authorization and other plan rules.

Although you do not need to get our plan's permission to be in a clinical research study, covered for Medicare Advantage enrollees by Original Medicare, we encourage you to notify us in advance when you choose to participate in Medicare-qualified clinical trials.

If you participate in a study that Medicare has *not* approved, *you will be responsible for paying all costs for your participation in the study.*

Chapter 3 Using the plan for your medical services

Section 5.2	When you participate in a clinical research study, who pays for what?
--------------------	--

Once you join a Medicare-approved clinical research study, Original Medicare covers the routine items and services you receive as part of the study, including:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure if it is part of the research study.
- Treatment of side effects and complications of the new care.

After Medicare has paid its share of the cost for these services, our plan will pay the difference between the cost sharing in Original Medicare and your in-network cost sharing as a member of our plan. This means you will pay the same amount for the services you receive as part of the study as you would if you received these services from our plan. However, you are required to submit documentation showing how much cost sharing you paid. Please see Chapter 7 for more information for submitting requests for payments.

Here's an example of how the cost sharing works: Let's say that you have a lab test that costs \$100 as part of the research study. Let's also say that your share of the costs for this test is \$20 under Original Medicare, but the test would be \$10 under our plan's benefits. In this case, Original Medicare would pay \$80 for the test, and you would pay the \$20 copay required under Original Medicare. You would then notify your plan that you received a qualified clinical trial service and submit documentation such as a provider bill to the plan. The plan would then directly pay you \$10. Therefore, your net payment is \$10, the same amount you would pay under our plan's benefits. Please note that in order to receive payment from your plan, you must submit documentation to your plan such as a provider bill.

When you are part of a clinical research study, **neither Medicare nor our plan will pay for any of the following:**

- Generally, Medicare will *not* pay for the new item or service that the study is testing unless Medicare would cover the item or service even if you were *not* in a study.
- Items or services provided only to collect data, and not used in your direct health care. For example, Medicare would not pay for monthly CT scans done as part of the study if your medical condition would normally require only one CT scan.
- Items and services customarily provided by the research sponsors free-of-charge for any enrollee in the trial.

Do you want to know more?

You can get more information about joining a clinical research study by visiting the Medicare website to read or download the publication Medicare and Clinical Research Studies. (The

Chapter 3 Using the plan for your medical services

publication is available at: www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf.) You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

SECTION 6 Rules for getting care in a religious non-medical health care institution

Section 6.1 What is a religious non-medical health care institution?

A religious non-medical health care institution is a facility that provides care for a condition that would ordinarily be treated in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against a member's religious beliefs, we will instead provide coverage for care in a religious non-medical health care institution. This benefit is provided only for Part A inpatient services (non-medical health care services).

Section 6.2 Receiving Care from a Religious Non-Medical Health Care Institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are conscientiously opposed to getting medical treatment that is **non-excepted**.

- **Non-excepted** medical care or treatment is any medical care or treatment that is *voluntary* and *not required* by any federal, state, or local law.
- **Excepted** medical treatment is medical care or treatment that you get that is *not* voluntary or *is required* under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services you receive is limited to *non-religious* aspects of care.
- If you get services from this institution that are provided to you in a facility, the following conditions apply:
 - You must have a medical condition that would allow you to receive covered services for inpatient hospital care or skilled nursing facility care.
 - – *and* – you must get approval in advance from our plan before you are admitted to the facility, or your stay will not be covered.

There is no limit to the number of days covered by the plan for each inpatient hospital stay. For more information, please see the 'Inpatient hospital care' row in the Medical Benefits Chart, which is located in Chapter 4, Section 2 of this document.

SECTION 7 Rules for ownership of durable medical equipment

Section 7.1	Will you own the durable medical equipment after making a certain number of payments under our plan?
--------------------	---

Durable medical equipment (DME) includes items such as oxygen equipment and supplies, wheelchairs, walkers, powered mattress systems, crutches, diabetic supplies, speech generating devices, IV infusion pumps, nebulizers, and hospital beds ordered by a provider for use in the home. The member always owns certain items, such as prosthetics. In this section, we discuss other types of DME that you must rent.

In Original Medicare, people who rent certain types of DME own the equipment after paying copayments for the item for 13 months. As a member of Providence Medicare Extra + Rx (HMO), however, you usually will not acquire ownership of rented DME items no matter how many copayments you make for the item while a member of our plan, even if you made up to 12 consecutive payments for the DME item under Original Medicare before you joined our plan. Under certain limited circumstances, we will transfer ownership of the DME item to you. Call Providence Home Services for more information.

What happens to payments you made for durable medical equipment if you switch to Original Medicare?

If you did not acquire ownership of the DME item while in our plan, you will have to make 13 new consecutive payments after you switch to Original Medicare in order to own the item. The payments made while enrolled in your plan do not count.

Example 1: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. The payments you made in Original Medicare do not count.

Example 2: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. You were in our plan but did not obtain ownership while in our plan. You then go back to Original Medicare. You will have to make 13 consecutive new payments to own the item once you join Original Medicare again. All previous payments (whether to our plan or to Original Medicare) do not count.

Section 7.2	Rules for oxygen equipment, supplies, and maintenance
--------------------	--

What oxygen benefits are you entitled to?

If you qualify for Medicare oxygen equipment coverage, Providence Medicare Extra + Rx (HMO) will cover:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents

Chapter 3 Using the plan for your medical services

- Tubing and related oxygen accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

If you leave Providence Medicare Extra + Rx (HMO) or no longer medically require oxygen equipment, then the oxygen equipment must be returned.

What happens if you leave your plan and return to Original Medicare?

Original Medicare requires an oxygen supplier to provide you services for five years. During the first 36 months you rent the equipment. The remaining 24 months the supplier provides the equipment and maintenance (you are still responsible for the copayment for oxygen). After five years you may choose to stay with the same company or go to another company. At this point, the five-year cycle begins again, even if you remain with the same company, requiring you to pay copayments for the first 36 months. If you join or leave our plan, the five-year cycle starts over.

CHAPTER 4:

Medical Benefits Chart

*(what is covered and
what you pay)*

SECTION 1 Understanding your out-of-pocket costs for covered services

This chapter provides a Medical Benefits Chart that lists your covered services and shows how much you will pay for each covered service as a member of Providence Medicare Extra + Rx (HMO). Later in this chapter, you can find information about medical services that are not covered. It also explains limits on certain services. Please contact Customer Service for information about exclusions or limitations that are not listed in this *Evidence of Coverage*.

Section 1.1 Types of out-of-pocket costs you may pay for your covered services
--

To understand the payment information, we give you in this chapter, you need to know about the types of out-of-pocket costs you may pay for your covered services.

- **Copayment** is the fixed amount you pay each time you receive certain medical services. You pay a copayment at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your copayments.)
- **Coinsurance** is the percentage you pay of the total cost of certain medical services. You pay a coinsurance at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your coinsurance.)

Most people who qualify for Medicaid or for the Qualified Medicare Beneficiary (QMB) program should never pay deductibles, copayments or coinsurance. Be sure to show your proof of Medicaid or QMB eligibility to your provider, if applicable.

Section 1.2 What is the most you will pay for covered medical services?

Because you are enrolled in a Medicare Advantage Plan, there is a limit on the total amount you have to pay out-of-pocket each year for in-network medical services that are covered by our plan. This limit is called the maximum out-of-pocket (MOOP) amount for medical services. For calendar year 2025, this amount is \$4,000.

The amounts you pay for copayments, and coinsurance for in-network covered services count toward this maximum out-of-pocket amount. The amounts you pay for your plan premiums and for your Part D prescription drugs do not count toward your maximum out-of-pocket amount. In addition, amounts you pay for some services do not count toward your maximum out-of-pocket amount. These services are marked with a plus sign (+) in the Medical Benefits Chart. If you reach the maximum out-of-pocket amount of \$4,000, you will not have to pay any out-of-pocket costs for the rest of the year for in-network covered services. However, you must continue to pay your plan premium and the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

Section 1.3 Our plan does not allow providers to balance bill you

As a member of Providence Medicare Extra + Rx (HMO), an important protection for you is that you only have to pay your cost-sharing amount when you get services covered by our plan. Providers may not add additional separate charges, called **balance billing**. This protection applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don't pay certain provider charges.

Here is how this protection works.

- If your cost sharing is a copayment (a set amount of dollars, for example, \$15.00), then you pay only that amount for any covered services from a network provider.
- If your cost sharing is a coinsurance (a percentage of the total charges), then you never pay more than that percentage. However, your cost depends on which type of provider you see:
 - If you receive the covered services from a network provider, you pay the coinsurance percentage multiplied by the plan's reimbursement rate (as determined in the contract between the provider and the plan).
 - If you receive the covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers. (Remember, the plan covers services from out-of-network providers only in certain situations, such as when you get an approval or for emergencies or urgently needed services.)
 - If you receive the covered services from an out-of-network provider who does not participate with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for non-participating providers. (Remember, the plan covers services from out-of-network providers only in certain situations, such as when you get an approval, or for emergencies or outside the service area for urgently needed services.)
- If you believe a provider has balance billed you, call Customer Service.

SECTION 2 Use the *Medical Benefits Chart* to find out what is covered and how much you will pay

Section 2.1 Your medical benefits and costs as a member of the plan

The Medical Benefits Chart on the following pages lists the services Providence Medicare Extra + Rx (HMO) covers and what you pay out-of-pocket for each service. Part D prescription drug coverage is in Chapter 5. The services listed in the Medical Benefits Chart are covered only when the following coverage requirements are met:

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

- Your Medicare covered services must be provided according to the coverage guidelines established by Medicare.
- Your services (including medical care, services, supplies, equipment, and Part B prescription drugs) *must* be medically necessary. Medically necessary means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- For new enrollees, your MA coordinated care plan must provide a minimum 90-day transition period, during which time the new MA plan may not require prior authorization for any active course of treatment, even if the course of treatment was for a service that commenced with an out-of-network provider.
- You have a primary care provider (a PCP) who is providing and overseeing your care.
- Some of the services listed in the Medical Benefits Chart are covered *only* if your doctor or other network provider gets approval in advance (sometimes called prior authorization) from us. Covered services that need approval in advance are marked in the Medical Benefits Chart by an asterisk. In addition, the following services not listed in the Benefits Chart require prior authorization:
 - Ambulance
 - Non-emergency ambulance transportation services, such as transports from a hospital to a skilled nursing facility, require prior authorization. Most of the time, the ordering provider contacts us to get the prior authorization; however, you always have the right to request an authorization.
 - Dental services
 - General anesthesia for dental services requires prior authorization. Most of the time, the ordering provider contacts us to get the prior authorization; however, you always have the right to request an authorization.
 - Some oral surgery services, including services provided in an office setting, require prior authorization. Most of the time, the ordering provider contacts us to get the prior authorization; however, you always have the right to request an authorization.
 - Diabetes self-management training, diabetic services, and supplies
 - Non-preferred test strips and glucometers, testing supplies over the Medicare-covered quantity limits, and diabetic shoes or inserts require prior authorization.
 - You or the ordering provider should contact Providence Home Services at 1-800-762-1253 to request a prior authorization.
 - Durable medical equipment (DME) and related supplies
 - Select durable medical equipment, including, but not limited to, the following categories, requires prior authorization:
 - Certain continuous glucose monitors (CGM)
 - Seat lift mechanisms
 - Power wheelchair and supplies

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

- Select nerve stimulators
 - Skin substitutes
 - Oral appliances
 - Flexion/extension devices
 - Wound therapy pumps
 - Speech generating devices
 - Purchase of CPAP post trial/rental period
- You or the ordering provider should contact Providence Home Services at 1-800-762-1253 to request a prior authorization.
- Home health agency care
 - Home health services may require prior authorization. You or the ordering provider should contact Providence Home Services at 1-800-762-1253 to request a prior authorization.
- Inpatient hospital care
 - No matter the reason for admission, all inpatient hospitalizations require notification. Most of the time, the inpatient facility or ordering provider contacts us; however, you always have the right to notify us.
- Inpatient mental health care
 - All inpatient mental health, substance use disorder, and opioid treatment services require notification. Most of the time, the inpatient facility or ordering provider contacts us; however, you always have the right to notify us.
- Inpatient stay: Covered services received in a hospital or SNF during a non-covered inpatient stay
 - All services received during a non-covered inpatient stay may require prior authorization. Most of the time, the inpatient facility or ordering provider contacts us to get the prior authorization; however, you always have the right to request an authorization.
- Inpatient rehabilitation facility admissions
 - All inpatient rehab facility stays require notification. Most of the time, the inpatient facility or ordering provider contacts us; however, you always have the right to notify us.
- Medicare Part B prescription drugs
 - Certain Medicare Part B prescription drugs, such as chemotherapy drugs, require prior authorization. Most of the time, the ordering provider contacts us to get the prior authorization; however, you always have the right to request an authorization.
- Outpatient diagnostic tests and therapeutic services and supplies

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

- All high-tech radiology, such as MRI, MRA, SPECT, CTA, CT, PET, requires prior authorization. Most of the time, the ordering provider contacts the imaging benefit administrator to get the prior authorization; however, you always have the right to request an authorization. See Chapter 2, Section 1 for contact information.
- Outpatient hospital services
 - Neuropsychological testing may require prior authorization. You or the ordering provider should contact us to inquire about prior authorization.
 - Genetic testing, cytogenetic studies, and related counseling require prior authorization. Most of the time, the ordering provider contacts us to get the prior authorization; however, you always have the right to request an authorization.
- Outpatient mental health care
 - Outpatient mental health services may require prior authorization. You or the ordering provider should contact us to inquire about prior authorization.
- Outpatient substance use disorder services
 - Outpatient substance use disorder services may require prior authorization. You or the ordering provider should contact us to inquire about prior authorization.
- Outpatient surgery, including services provided at hospital outpatient facilities and ambulatory surgical centers
 - Select hip, knee, and shoulder procedures require prior authorization. Most of the time, the ordering provider contacts us to get the prior authorization; however, you always have the right to request an authorization.
 - Miscellaneous cosmetic, reconstructive, nasal, oral, dental, and/or orthognathic procedures require prior authorization. Most of the time, the ordering provider contacts us to get the prior authorization; however, you always have the right to request an authorization.
 - Organ, tissue, and bone marrow transplants, including pre-transplant evaluations and HLA typing, require prior authorization. Most of the time, the ordering provider contacts us to get the prior authorization; however, you always have the right to request an authorization.
 - Uvullectomy, uvulopalatopharyngoplasty (UPPP), and laser-assisted uvulopalatoplasty (LAUP) require prior authorization. Most of the time, the ordering provider contacts us to get the prior authorization; however, you always have the right to request an authorization.
 - Cervical, thoracic, and lumbar spinal surgeries require prior authorization. Most of the time, the ordering provider contacts us to get the prior authorization; however, you always have the right to request an authorization.
 - Bariatric surgical procedures require prior authorization. Most of the time, the ordering provider contacts us to get the prior authorization; however, you always have the right to request an authorization.
 - Procedures, surgeries, and treatments that may be considered experimental or investigational require prior authorization. Most of the time, the ordering provider

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

contacts us to get the prior authorization; however, you always have the right to request an authorization.

- Services and procedures without specific CPT codes (unlisted services and procedures) require prior authorization. Most of the time, the ordering provider contacts us to get the prior authorization; however, you always have the right to request an authorization.
- Partial hospitalization services
 - All partial hospitalization services may require prior authorization. You or the ordering provider should contact us to get the prior authorization.
- Prosthetic devices and related supplies
 - All prosthetic devices and some supplies require prior authorization.
 - You or the ordering provider should contact Providence Home Services at 1-800-762-1253 to request a prior authorization.
- Screening for lung cancer with low dose computed tomography (LDCT)
 - This screening includes a CT scan that requires prior authorization. Most of the time, the ordering provider contacts the imaging benefit administrator to get the prior authorization; however, you always have the right to request an authorization. See Chapter 2, Section 1 for contact information.
 - LDCT counseling does not require authorization.
- Skilled nursing facility (SNF) care
 - All skilled nursing facility care requires notification. Most of the time, the skilled nursing facility or ordering provider contacts us; however, you always have the right to notify us.
- Vision care – Medical vision hardware
 - Medical vision hardware may require prior authorization. You or the ordering provider should contact us to inquire about prior authorization.
- If your coordinated care plan provides approval of a prior authorization request for a course of treatment, the approval must be valid for as long as medically reasonable and necessary to avoid disruptions in care in accordance with applicable coverage criteria, your medical history, and the treating provider's recommendation.

Other important things to know about our coverage:

- Like all Medicare health plans, we cover everything that Original Medicare covers. For some of these benefits, you pay *more* in our plan than you would in Original Medicare. For others, you pay *less*. (If you want to know more about the coverage and costs of Original Medicare, look in your *Medicare & You 2025* handbook. View it online at www.medicare.gov or ask for a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.)
- For all preventive services that are covered at no cost under Original Medicare, we also cover the service at no cost to you. However, if you also are treated or monitored for an

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

existing medical condition during the visit when you receive the preventive service, a copayment will apply for the care received for the existing medical condition.

- If Medicare adds coverage for any new services during 2025, either Medicare or our plan will cover those services.

You will see this apple next to the preventive services in the benefits chart.

Medical Benefits Chart

Services that are covered for you	What you must pay when you get these services
 Abdominal aortic aneurysm screening A one-time screening ultrasound for people at risk. The plan only covers this screening if you have certain risk factors and if you get a referral for it from your physician, physician assistant, nurse practitioner, or clinical nurse specialist. Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for members eligible for this preventive screening.
Acupuncture for chronic low back pain Covered services include: Up to 12 visits in 90 days are covered for Medicare beneficiaries under the following circumstances: For the purpose of this benefit, chronic low back pain is defined as: • lasting 12 weeks or longer; • nonspecific, in that it has no identifiable systemic cause (i.e., not associated with metastatic, inflammatory, infectious, etc. disease); • not associated with surgery; and • not associated with pregnancy. An additional eight sessions will be covered for those patients demonstrating an improvement. No more than 20 acupuncture treatments may be administered annually. Treatment must be discontinued if the patient is not improving or is regressing.	\$20 copayment for each Medicare-covered acupuncture visit.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Acupuncture for chronic low back pain (continued) Provider Requirements: Physicians (as defined in 1861(r)(1) of the Social Security Act (the Act) may furnish acupuncture in accordance with applicable state requirements. Physician assistants (PAs), nurse practitioners (NPs)/clinical nurse specialists (CNSs) (as identified in 1861(aa)(5) of the Act), and auxiliary personnel may furnish acupuncture if they meet all applicable state requirements and have: • a master's or doctoral level degree in acupuncture or Oriental Medicine from a school accredited by the Accreditation Commission on Acupuncture and Oriental Medicine (ACAOM); and, • a current, full, active, and unrestricted license to practice acupuncture in a State, Territory, or Commonwealth (i.e. Puerto Rico) of the United States, or District of Columbia. Auxiliary personnel furnishing acupuncture must be under the appropriate level of supervision of a physician, PA, or NP/CNS required by our regulations at 42 CFR §§ 410.26 and 410.27.	

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Ambulance services* Covered ambulance services whether for an emergency or non-emergency situation, include fixed wing, rotary wing, and ground ambulance services, to the nearest appropriate facility that can provide care if they are furnished to a member whose medical condition is such that other means of transportation could endanger the person's health or if authorized by the plan. If the covered ambulance services are not for an emergency situation, it should be documented that the member's condition is such that other means of transportation could endanger the person's health and that transportation by ambulance is medically required. *Prior authorization rules may apply for non-emergency transportation services, including from out-of-network to in-network facilities. See Section 2.1 of this chapter for details.	\$275 copayment per one-way Medicare-covered ground ambulance transport. \$275 copayment per one-way Medicare-covered air ambulance transport. \$50 copayment for ambulance services received through the 911 emergency medical response system when you receive treatment but do not ride in the ambulance. \$50 copayment for an authorized one-way ambulance transport from an out-of-network to an in-network facility.
 Annual routine physical exam Our plan covers an annual routine physical exam in addition to the Medicare-covered annual wellness visit. This benefit allows you to see your provider without a specific medical complaint and includes a comprehensive physical exam once per calendar year. Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for an annual routine physical exam.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
 Annual wellness visit If you've had Part B for longer than 12 months, you can get an annual wellness visit to develop or update a personalized prevention plan based on your current health and risk factors. This is covered once every 12 months. Note: Your first annual wellness visit can't take place within 12 months of your <i>Welcome to Medicare</i> preventive visit. However, you don't need to have had a <i>Welcome to Medicare</i> visit to be covered for annual wellness visits after you've had Part B for 12 months. Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for the annual wellness visit.
 Bone mass measurement For qualified individuals (generally, this means people at risk of losing bone mass or at risk of osteoporosis), the following services are covered every 24 months or more frequently if medically necessary: procedures to identify bone mass, detect bone loss, or determine bone quality, including a physician's interpretation of the results. Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for Medicare-covered bone mass measurement.
 Breast cancer screening (mammograms) Covered services include: • One baseline mammogram between the ages of 35 and 39 • One screening mammogram every 12 months for women age 40 and older • Clinical breast exams once every 24 months Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for covered screening mammograms.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Cardiac rehabilitation services Comprehensive programs of cardiac rehabilitation services that include exercise, education, and counseling are covered for members who meet certain conditions with a doctor's order. The plan also covers intensive cardiac rehabilitation programs that are typically more rigorous or more intense than cardiac rehabilitation programs. Cardiac rehabilitation visits are limited to 36 sessions over a period of 36 weeks. If medically necessary, you may receive up to 36 additional sessions. Intensive cardiac rehabilitation visits are limited to 36 sessions over a period of 36 weeks. If medically necessary, you may receive up to 36 additional sessions.	There is no coinsurance, copayment, or deductible for each Medicare-covered cardiac rehabilitation visit. \$20 copayment for each Medicare-covered intensive cardiac rehabilitation visit.
 Cardiovascular disease risk reduction visit (therapy for cardiovascular disease) We cover one visit per year with your primary care doctor to help lower your risk for cardiovascular disease. During this visit, your doctor may discuss aspirin use (if appropriate), check your blood pressure, and give you tips to make sure you're eating healthy. Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for the intensive behavioral therapy cardiovascular disease preventive benefit.
 Cardiovascular disease testing Blood tests for the detection of cardiovascular disease (or abnormalities associated with an elevated risk of cardiovascular disease) once every 5 years (60 months). Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for cardiovascular disease testing that is covered once every 5 years.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
 Cervical and vaginal cancer screening Covered services include: - For all women: Pap tests and pelvic exams are covered once every 24 months - If you are at high risk of cervical or vaginal cancer or you are of childbearing age and have had an abnormal Pap test within the past 3 years: one Pap test every 12 months Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for Medicare-covered preventive Pap and pelvic exams.
Chiropractic services Covered services include: We cover only manual manipulation of the spine to correct subluxation (when one or more of the bones of your spine move out of position) if you get this service from a chiropractor or other qualified provider.	\$20 copayment for each Medicare-covered chiropractic visit.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
 Colorectal cancer screening The following screening tests are covered: • Colonoscopy has no minimum or maximum age limitation and is covered once every 120 months (10 years) for patients not at high risk, or 48 months after a previous flexible sigmoidoscopy for patients who are not at high risk for colorectal cancer, and once every 24 months for high risk patients after a previous screening colonoscopy or barium enema. • Flexible sigmoidoscopy for patients 45 years and older. Once every 120 months for patients not at high risk after the patient received a screening colonoscopy. Once every 48 months for high-risk patients from the last flexible sigmoidoscopy or barium enema. • Screening fecal-occult blood tests for patients 45 years and older. Once every 12 months. • Multitarget stool DNA for patients 45 to 85 years of age and not meeting high risk criteria. Once every 3 years. • Blood-based Biomarker Tests for patients 45 to 85 years of age and not meeting high risk criteria. Once every 3 years. • Barium Enema as an alternative to colonoscopy for patients at high risk and 24 months since the last screening barium enema or the last screening colonoscopy. • Barium Enema as an alternative to flexible sigmoidoscopy for patient not at high risk and 45 years or older. Once at least 48 months following the last screening barium enema or screening flexible sigmoidoscopy.	There is no coinsurance, copayment, or deductible for a Medicare-covered colorectal cancer screening exam, excluding barium enemas, for which coinsurance applies. If your doctor finds and removes a polyp or other tissue during the colonoscopy or flexible sigmoidoscopy, the screening exam becomes a diagnostic exam. There is no coinsurance, copayment, or deductible for members eligible for each Medicare-covered screening barium enema.
Colorectal cancer screening tests include a follow-on screening colonoscopy after a Medicare covered non-invasive stool-based colorectal cancer screening test returns a positive result.	
Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Dental services* In general, preventive dental services (such as cleaning, routine dental exams, and dental x-rays) are not covered by Original Medicare. However, Medicare currently pays for dental services in a limited number of circumstances, specifically when that service is an integral part of specific treatment of a beneficiary's primary medical condition. Some examples include reconstruction of the jaw following fracture or injury, tooth extractions done in preparation for radiation treatment for cancer involving the jaw, or oral exams preceding kidney transplantation. In addition, we cover: Medicare-covered dental services: • Surgery of the jaw or related structures, setting fractures of the jaw or facial bones, extraction of teeth to prepare the jaw for radiation treatments for neoplastic disease, and other jaw or dental services that would be provided by a medical doctor. Embedded routine preventive dental services: • Two oral exams per calendar year. • Two prophylaxis (cleanings) or up to two periodontic maintenance services in lieu of standard prophylaxis services per calendar year. • Up to one bitewing series and up to one single tooth x-ray per calendar year. • One topical application of fluoride treatment per calendar year. Please use your Dental ID card when seeking embedded routine preventive dental services. This does not include services in connection with routine or additional periodontal care, treatment, filling, removal or replacement of teeth. Coverage for additional dental services can be purchased for an extra cost. Refer to Section 2.2 of this chapter for more information.	\$20 copayment for each Medicare-covered dental visit. There is no coinsurance, copayment, or deductible for each covered embedded routine preventive dental service provided by an in-network dental provider. There is no annual allowance maximum for covered embedded routine preventive dental services. See Chapter 2, Section 1 benefit administrator contact information table for details on where to go for more information.
*This service may require prior authorization. See Section 2.1 of this chapter for details.	

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
 Depression screening We cover one screening for depression per year. The screening must be done in a primary care setting that can provide follow-up treatment and/or referrals. Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for an annual depression screening visit.
 Diabetes screening We cover this screening (includes fasting glucose tests) if you have any of the following risk factors: high blood pressure (hypertension), history of abnormal cholesterol and triglyceride levels (dyslipidemia), obesity, or a history of high blood sugar (glucose). Tests may also be covered if you meet other requirements, like being overweight and having a family history of diabetes. You may be eligible for up to two diabetes screenings every 12 months following the date of your most recent diabetes screening test. Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for the Medicare-covered diabetes screening tests.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
 Diabetes self-management training, diabetic services and supplies*	
For all people who have diabetes (insulin and non-insulin users), covered services include:	
Supplies to monitor your blood glucose: Blood glucose monitor, blood glucose test strips, lancet devices and lancets, and glucose-control solutions for checking the accuracy of test strips and monitors.	There is no coinsurance, copayment, or deductible for Medicare-covered diabetic monitoring supplies. Test strips and glucometers are limited to the plan's preferred manufacturers. All diabetic supplies and/or devices should be provided and arranged through the retail pharmacy network or other network provider.
For people with diabetes who have severe diabetic foot disease: One pair per calendar year of therapeutic custom-molded shoes (including inserts provided with such shoes) and two additional pairs of inserts, or one pair of depth shoes and three pairs of inserts (not including the non-customized removable inserts provided with such shoes). Coverage includes fitting.	There is no coinsurance, copayment, or deductible for Medicare-covered therapeutic shoes or inserts. All Durable Medical Equipment (DME) must be provided and arranged through the retail pharmacy network, Providence Home Services, or other plan-authorized provider.
Diabetes self-management training is covered under certain conditions.	There is no coinsurance, copayment, or deductible for Medicare-covered diabetes self-management training.
Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	
*This service may require prior authorization. See Section 2.1 of this chapter for details.	

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Durable medical equipment (DME) and related supplies* (For a definition of durable medical equipment, see Chapter 12 as well as Chapter 3, Section 7 of this document.) Covered items include, but are not limited to: wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, and walkers. We cover all medically necessary DME covered by Original Medicare. If our supplier in your area does not carry a particular brand or manufacturer, you may ask them if they can special order it for you. <i>This most recent list of suppliers is also available on our website at www.ProvidenceHealthAssurance.com/findaprovider. The DME supplier in your area is Providence Home Services. They can be reached at 1-800-762-1253.</i>	20% of the total cost for Medicare-covered durable medical equipment and related supplies. Your cost sharing for Medicare oxygen equipment coverage is 20% of the total cost, every month. Your cost sharing will not change after being enrolled for 36 months. All Durable Medical Equipment (DME), such as continuous glucose monitors (CGMs), insulin pumps, and wheelchairs, must be provided by the retail pharmacy network, Providence Home Services, or other network provider.

*This service may require prior authorization. See Section 2.1 of this chapter for details.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Emergency care Emergency care refers to services that are: • Furnished by a provider qualified to furnish emergency services, and • Needed to evaluate or stabilize an emergency medical condition. A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you are a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse. Cost sharing for necessary emergency services furnished out-of-network is the same as for such services furnished in-network. You have worldwide emergency coverage. Please see the “Worldwide emergency/urgent care” section of this medical benefits chart for details.	\$125 copayment for each Medicare-covered emergency room visit. If you are admitted to the hospital within 24 hours of your emergency room visit, you do not have to pay the emergency room copayment. If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must have your inpatient care at the out-of-network hospital authorized by the plan and your cost is the cost sharing you would pay at a network hospital. See the “Inpatient hospital services” section of this medical benefits chart for inpatient cost-sharing information.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Fitness benefit	
Providence Medicare Extra + Rx (HMO) members get to enjoy in-network gyms to help you take control of your health and help you feel your best. As a member, you get the following at low or no cost to you:	There is no coinsurance, copayment, or deductible for the standard fitness benefit.
• Fitness Gyms: You have access to a variety of local gyms. You may locate a fitness center, within a 40-mile radius, by visiting the fitness website. Go to Chapter 2 Section 1 to the Benefit Administrator table for contact information. • Online Fitness: Classes are available, please go to the fitness website for class schedules. • Fitness Activities: You also have access to social events and other activities available on the fitness website. • Brain Health – A program is available to help you be at your sharpest, exercise your memory, enhance your attention and brain speed.	
If you have any questions, need help finding a participating fitness center, want to enroll or learn more about the program, contact the Benefits Administrator. You can find their contact information in Chapter 2, Section 1.	

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Hearing services	
Diagnostic hearing and balance evaluations performed by your provider to determine if you need medical treatment are covered as outpatient care when furnished by a physician, audiologist, or other qualified provider.	\$20 copayment for Medicare-covered diagnostic hearing exams.
Please note: A separate cost sharing may apply if additional services are provided.	
Routine hearing services	
You may also receive one routine hearing exam from an approved hearing provider per calendar year.	There is no coinsurance, copayment, or deductible for one routine hearing exam with an approved hearing provider.*
Hearing Aids:	
Up to two branded hearing aids every year (one for each ear).	\$699 copayment per Advanced hearing aid.* \$999 copayment per Premium hearing aid.* \$50 additional fee per rechargeable hearing aid.
This benefit is limited to approved brand hearing aids, which come in a variety of styles and colors to customize your look and feel. Rechargeable options are also available for an additional \$50 per aid. Please keep in mind that you must see an approved hearing provider to use this benefit. See Chapter 2, Section 1 for contact information for the hearing benefit administrator.	*Cost-sharing amounts for routine hearing exam and hearing aids do not count toward your plan's out-of-pocket maximum.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Hearing services (continued) Hearing aid purchase includes: • One year of follow-up provider visits from the date of purchase • 60-day trial period • 3-year extended warranty • 80 batteries per aid for non-rechargeable models Hearing aid benefit does not include or cover any of the following: • Additional fee for rechargeable hearing aids • Ear molds • Hearing aid accessories • Additional provider visits • Additional batteries for non-rechargeable hearing aids • Any batteries for rechargeable hearing aids • Any hearing aids aside from the approved branded Advanced and Premium aids • Costs associated with loss and damage warranty claims Costs associated with excluded items are the responsibility of the member and are not covered by the plan.	
 HIV screening For people who ask for an HIV screening test or who are at increased risk for HIV infection, we cover: • One screening exam every 12 months For women who are pregnant, we cover: • Up to three screening exams during a pregnancy Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for members eligible for Medicare-covered preventive HIV screening.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Home health agency care* Prior to receiving home health services, a doctor must certify that you need home health services and will order home health services to be provided by a home health agency. You must be homebound, which means leaving home is a major effort. Covered services include, but are not limited to: • Part-time or intermittent skilled nursing and home health aide services (To be covered under the home health care benefit, your skilled nursing and home health aide services combined must total fewer than 8 hours per day and 35 hours per week) • Physical therapy, occupational therapy, and speech therapy • Medical and social services • Medical equipment and supplies *This service may require prior authorization. See Section 2.1 of this chapter for details.	There is no coinsurance, copayment, or deductible for each Medicare-covered home health visit. However, the applicable cost sharing listed elsewhere in this medical benefits chart will apply if the item is covered under a different benefit. For example, durable medical equipment not provided by a home health agency. All home health care and services must be provided by Providence Home Services or other plan-authorized provider.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Home infusion therapy* Home infusion therapy involves the intravenous or subcutaneous administration of drugs or biologicals to an individual at home. The components needed to perform home infusion include the drug (for example, antivirals, immune globulin), equipment (for example, a pump), and supplies (for example, tubing and catheters). Covered services include, but are not limited to: • Professional services, including nursing services, furnished in accordance with the plan of care • Patient training and education not otherwise covered under the durable medical equipment benefit • Remote monitoring • Monitoring services for the provision of home infusion therapy and home infusion drugs furnished by a qualified home infusion therapy supplier Non-preferred Part B drugs may be subject to Step Therapy. The most current list of Part B drugs subject to Step Therapy can be found on our website, www.ProvidenceHealthAssurance.com/formulary. Please note: A separate cost sharing may apply for professional fees. *This service may require prior authorization. See Section 2.1 of this chapter for details.	There is no coinsurance, copayment, or deductible for Medicare-covered home infusion therapy. 0% - 20% of the total cost for Medicare-covered Part B chemotherapy Drugs and their administration. 0% - 20% of the total cost for other Medicare-covered Part B drugs and their administration. 20% of the total cost for Medicare-covered durable medical equipment, prosthetic devices, and related medical supplies.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Hospice care You are eligible for the hospice benefit when your doctor and the hospice medical director have given you a terminal prognosis certifying that you're terminally ill and have 6 months or less to live if your illness runs its normal course. You may receive care from any Medicare-certified hospice program. Your plan is obligated to help you find Medicare-certified hospice programs in the plan's service area, including those the MA organization owns, controls, or has a financial interest in. Your hospice doctor can be a network provider or an out-of-network provider. Covered services include: • Drugs for symptom control and pain relief • Short-term respite care • Home care When you are admitted to a hospice, you have the right to remain in your plan; if you chose to remain in your plan, you must continue to pay plan premiums. <u>For hospice services and for services that are covered by Medicare Part A or B and are related to your terminal prognosis:</u> Original Medicare (rather than our plan) will pay your hospice provider for your hospice services and any Part A and Part B services related to your terminal prognosis. While you are in the hospice program, your hospice provider will bill Original Medicare for the services that Original Medicare pays for. You will be billed Original Medicare cost sharing. <u>For services that are covered by Medicare Part A or B and are not related to your terminal prognosis:</u> If you need non-emergency, non-urgently needed services that are covered under Medicare Part A or B and that are not related to your terminal prognosis, your cost for these services depends on whether you use a provider in our plan's network and follow plan rules (such as if there is a requirement to obtain prior authorization).	When you enroll in a Medicare-certified hospice program, your hospice services and your Part A and Part B services related to your terminal prognosis are paid for by Original Medicare, not Providence Medicare Extra + Rx (HMO). You must get care from a Medicare-certified hospice provider. An additional cost sharing may apply for hospice consultation services provided during an inpatient hospital stay. A separate cost sharing may apply for drugs and respite care. Our plan covers hospice consultation services (one time only) for a terminally ill person who hasn't elected the hospice benefit. There is no coinsurance, copayment, or deductible for hospice consultation services obtained in a primary care provider's office. \$20 copayment for hospice consultation services obtained in a specialist's office.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Hospice care (continued)	
• If you obtain the covered services from a network provider and follow plan rules for obtaining service, you only pay the plan cost-sharing amount for in-network services • If you obtain the covered services from an out-of-network provider, you pay the cost sharing under Fee-for-Service Medicare (Original Medicare)	
<u>For services that are covered by Providence Medicare Extra + Rx (HMO) but are not covered by Medicare Part A or B:</u> Providence Medicare Extra + Rx (HMO) will continue to cover plan-covered services that are not covered under Part A or B whether or not they are related to your terminal prognosis. You pay your plan cost-sharing amount for these services.	
<u>For drugs that may be covered by the plan's Part D benefit:</u> If these drugs are unrelated to your terminal hospice condition, you pay cost sharing. If they are related to your terminal hospice condition, then you pay Original Medicare cost sharing. Drugs are never covered by both hospice and our plan at the same time. For more information, please see Chapter 5, Section 9.4 ("What if you're in Medicare-certified hospice?").	
Note: If you need non-hospice care (care that is not related to your terminal prognosis), you should contact us to arrange the services.	

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
 Immunizations Covered Medicare Part B services include: • Pneumonia vaccines • Flu/influenza shots (or vaccines), once each flu/influenza season in the fall and winter, with additional flu/influenza shots (or vaccines) if medically necessary • Hepatitis B vaccines if you are at high or intermediate risk of getting Hepatitis B • COVID-19 vaccines • Other vaccines if you are at risk and they meet Medicare Part B coverage rules We also cover some vaccines under our Part D prescription drug benefit. Refer to Chapter 6, Section 8 for additional information. Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for the pneumonia, influenza, Hepatitis B, and COVID-19 vaccines. There is no coinsurance, copayment, or deductible for all other Medicare-covered Part B immunizations. You must go to a Medicare provider for your flu and/or pneumonia shot. You can get most immunizations at your local pharmacy.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Inpatient hospital care* Includes inpatient acute, inpatient rehabilitation, long-term care hospitals and other types of inpatient hospital services. Inpatient hospital care starts the day you are formally admitted to the hospital with a doctor's order. The day before you are discharged is your last inpatient day. Except in an emergency, your provider must tell us that you are going to be admitted to the hospital. Covered services include, but are not limited to: • Semi-private room (or a private room if medically necessary) • Meals, including special diets • Regular nursing services • Costs of special care units (such as intensive care or coronary care units) • Drugs and medications • Lab tests • X-rays and other radiology services • Necessary surgical and medical supplies • Use of appliances, such as wheelchairs • Operating and recovery room costs • Physical, occupational, and speech language therapy • Inpatient substance use disorder services • Under certain conditions, the following types of transplants are covered: corneal, kidney, kidney-pancreatic, heart, liver, lung, heart/lung, bone marrow, stem cell, and intestinal/multivisceral. If you need a transplant, we will arrange to have your case reviewed by a Medicare-approved transplant center that will decide whether you are a candidate for a transplant.	For days 1-5, you pay a \$250 copayment each day for each Medicare-covered inpatient hospital stay. For day 6 and beyond, there is no coinsurance, copayment, or deductible for each Medicare-covered inpatient hospital stay. For inpatient hospital care, the cost sharing described above applies each time you are admitted to the hospital. Cost sharing is charged for each inpatient stay. A transfer to a separate facility type is considered a new admission. For each inpatient hospital stay, you are covered for unlimited days as long as the stay is covered in accordance with plan rules. Medicare hospital benefit periods do not apply.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Inpatient hospital care* (continued) Transplant providers may be local or outside of the service area. If our in-network transplant services are outside the community pattern of care, you may choose to go locally as long as the local transplant providers are willing to accept the Original Medicare rate. If Providence Medicare Extra + Rx (HMO) provides transplant services at a location outside the pattern of care for transplants in your community and you choose to obtain transplants at this distant location, we will arrange or pay for appropriate lodging and transportation costs for you and a companion. Travel expenses are subject to prior authorization and eligibility of the recipient. The total maximum reimbursement allowed for transplant travel is \$5,000. Food and lodging expenses are limited to up to \$150 per day and apply to the \$5,000 maximum. • Blood - including storage and administration. Coverage of whole blood and packed red cells begins with the first pint of blood that you need. All other components of blood are also covered beginning with the first pint used. • Physician services Note: To be an inpatient, your provider must write an order to admit you formally as an inpatient of the hospital. Even if you stay in the hospital overnight, you might still be considered an outpatient. If you are not sure if you are an inpatient or an outpatient, you should ask the hospital staff. You can also find more information in a Medicare fact sheet called <i>Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask!</i> This fact sheet is available on the Web at https://es.medicare.gov/publications/11435-Medicare-Hospital-Benefits.pdf or by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week. *This service may require prior authorization. See Section 2.1 of this chapter for details.	Please note: If you receive take-home supplies or any items unrelated to the condition you are being treated for, you may be responsible for the costs. If you get authorized inpatient care at an out-of-network hospital after your emergency condition is stabilized, your cost is the cost sharing you would pay at a network hospital.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Inpatient services in a psychiatric hospital* Covered services include mental health care services that require a hospital stay. You get up to 190 days of Medicare-covered inpatient psychiatric hospital care in a lifetime. Please keep in mind that the number of covered lifetime hospitalization days never resets. For example, if Medicare previously paid for you to stay in an inpatient psychiatric hospital for 100 days, then your plan will only pay for up to 90 days of a future stay. The 190-day limit does not apply to inpatient mental health services provided in a psychiatric unit of a general hospital. Except in an emergency, your provider must tell us that you are going to be admitted to the hospital. Mental health services are managed by Providence Health Assurance. Providence Health Assurance must be contacted for authorizations. *This service may require prior authorization. See Section 2.1 of this chapter for details.	For days 1-7, you pay a \$200 copayment each day for each Medicare-covered inpatient psychiatric hospital stay. For days 8-90, there is no coinsurance, copayment, or deductible for each Medicare-covered inpatient psychiatric hospital stay. For inpatient mental health care, the cost sharing described above applies each time you are admitted to the hospital. Cost sharing is charged for each inpatient stay. A transfer to a separate facility type is considered a new admission. Medicare hospital benefit periods do not apply.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Inpatient stay: Covered services received in a hospital or SNF during a non-covered inpatient stay* • Physician services • Diagnostic tests (like lab tests) • X-ray, radium, and isotope therapy including technician materials and services • Surgical dressings • Splints, casts and other devices used to reduce fractures and dislocations • Prosthetics and orthotics devices (other than dental) that replace all or part of an internal body organ (including contiguous tissue), or all or part of the function of a permanently inoperative or malfunctioning internal body organ, including replacement or repairs of such devices • Leg, arm, back, and neck braces; trusses, and artificial legs, arms, and eyes including adjustments, repairs, and replacements required because of breakage, wear, loss, or a change in the patient's physical condition • Physical therapy, speech therapy, and occupational therapy	The services and supplies listed to the left will continue to be covered at the cost sharing described in their respective sections of this medical benefits chart. For example, physical therapy will be covered at the cost-sharing amount under "Outpatient rehabilitation services."

*This service may require prior authorization. See Section 2.1 of this chapter for details.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Meal delivery program (for post-discharge only) We cover up to 28 meals over a 14-day period. This benefit can be used immediately following your discharge from an Inpatient Acute Hospital, Inpatient Psychiatric Hospital, or SNF (if the preceding event is a qualified inpatient hospital stay). All meals will be delivered directly to your home, and you may be eligible to receive meals to help you manage or recover from your specific health conditions or injuries. Benefit guidelines: • First meal delivery may take up to three business days after ordered • Observation stays do not qualify for this meal benefit • Meals must be ordered through our meal delivery vendor, Mom's Meals • Some restrictions and limitations may apply For general program information, please visit www.ProvidenceHealthAssurance.com/momsmeals. No action is required on your part to initiate this benefit as Mom's Meals will contact eligible members directly. If you decline this benefit but later change your mind, please call Customer Service at 503-574-8000 or 1-800-603-2340. TTY users should call 711.	There is no coinsurance, copayment, or deductible for non-Medicare-covered meal delivery program. Coverage is limited to two meals per day for 14 days (28 meals total) following each inpatient hospitalization.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
 Medical nutrition therapy This benefit is for people with diabetes, renal (kidney) disease (but not on dialysis), or after a kidney transplant when ordered by your doctor. We cover 3 hours of one-on-one counseling services during your first year that you receive medical nutrition therapy services under Medicare (this includes our plan, any other Medicare Advantage plan, or Original Medicare), and 2 hours each year after that. If your condition, treatment, or diagnosis changes, you may be able to receive more hours of treatment with a physician's order. A physician must prescribe these services and renew their order yearly if your treatment is needed into the next calendar year. We cover medical nutrition therapy prescribed by a physician regardless of your condition or diagnosis. Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for members eligible for Medicare-covered medical nutrition therapy services. There is no coinsurance, copayment, or deductible for non-Medicare-covered medical nutrition therapy services ordered by a physician.
 Medicare Diabetes Prevention Program (MDPP) MDPP services will be covered for eligible Medicare beneficiaries under all Medicare health plans. MDPP is a structured health behavior change intervention that provides practical training in long-term dietary change, increased physical activity, and problem-solving strategies for overcoming challenges to sustaining weight loss and a healthy lifestyle.	There is no coinsurance, copayment, or deductible for the MDPP benefit.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)**Medicare Part B prescription drugs***

These drugs are covered under Part B of Original Medicare. Members of our plan receive coverage for these drugs through our plan. Covered drugs include:

- Drugs that usually aren't self-administered by the patient and are injected or infused while you are getting physician, hospital outpatient, or ambulatory surgical center services
- Insulin furnished through an item of durable medical equipment (such as a medically necessary insulin pump)
- Other drugs you take using durable medical equipment (such as nebulizers) that were authorized by the plan
- The Alzheimer's drug, Leqembi®, (generic name lecanemab), which is administered intravenously. In addition to medication costs, you may need additional scans and tests before and/or during treatment that could add to your overall costs. Talk to your doctor about what scans and tests you may need as part of your treatment
- Clotting factors you give yourself by injection if you have hemophilia
- Transplant/Immunosuppressive Drugs: Medicare covers transplant drug therapy if Medicare paid for your organ transplant. You must have Part A at the time of the covered transplant, and you must have Part B at the time you get immunosuppressive drugs. Keep in mind, Medicare drug coverage (Part D) covers immunosuppressive drugs if Part B doesn't cover them
- Injectable osteoporosis drugs, if you are homebound, have a bone fracture that a doctor certifies was related to post-menopausal osteoporosis, and cannot self-administer the drug
- Some Antigens: Medicare covers antigens if a doctor prepares them and a properly instructed person (who could be you, the patient) gives them under appropriate supervision
- Certain oral anti-cancer drugs: Medicare covers some oral cancer drugs you take by mouth if the same drug is available in injectable form or the drug is a prodrug (an oral form of a drug that, when ingested, breaks down into the same active ingredient found in the injectable drug) of the injectable drug. As new oral cancer drugs become available, Part B may cover them. If Part B doesn't cover them, Part D does

0% - 20% of the total cost for Medicare-covered Part B chemotherapy and radiation drugs and other Part B drugs.

A separate cost sharing may apply for the administration of Medicare-covered Part B prescription drugs.

Medicare Part B prescription drugs may be subject to step therapy.

Insulin cost sharing is subject to a cost share cap of \$35 for one-month's supply of insulin.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Medicare Part B prescription drugs* (continued)	
• Oral anti-nausea drugs: Medicare covers oral anti-nausea drugs you use as part of an anti-cancer chemotherapeutic regimen if they're administered before, at, or within 48 hours of chemotherapy or are used as a full therapeutic replacement for an intravenous anti-nausea drug • Certain oral End-Stage Renal Disease (ESRD) drugs if the same drug is available in injectable form and the Part B ESRD benefit covers it • Calcimimetic medications under the ESRD payment system, including the intravenous medication Parsabiv®, and the oral medication Sensipar® • Certain drugs for home dialysis, including heparin, the antidote for heparin, when medically necessary, and topical anesthetics. • Erythropoiesis-stimulating agents: Medicare covers erythropoietin by injection if you have End-Stage Renal Disease (ESRD) or you need this drug to treat anemia related to certain other conditions (such as Epogen®, Procrit®, Retacrit®, Epoetin Alfa, Aranesp®, Darbepoetin Alfa, Mircera®, or Methoxy polyethylene glycol-epoetin beta) • Intravenous Immune Globulin for the home treatment of primary immune deficiency diseases • Parenteral and enteral nutrition (intravenous and tube feeding)	
The following link will take you to a list of Part B Drugs that may be subject to Step Therapy: www.ProvidenceHealthAssurance.com/Formulary	
We also cover some vaccines under our Part B and most adult vaccines under our Part D prescription drug benefit.	
Chapter 5 explains the Part D prescription drug benefit, including rules you must follow to have prescriptions covered. What you pay for your Part D prescription drugs through our plan is explained in Chapter 6.	
*This service may require prior authorization. See Section 2.1 of this chapter for details.	

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Non-Emergency Medical Transportation services (NEMT) Non-Emergency medical transportation services offer mobility solutions that promotes better access to your medical care. Covered services include: Up to 24 one-way trips, which do not exceed 25 miles each, per calendar year. This benefit is limited to transportation for non-emergency medical services, such as counseling sessions, physical therapy, and specialist visits. Your transportation provider has a comprehensive network of transportation and logistics partners, from Uber and Lyft to taxis and wheelchair vans, covering both urban and rural communities. Want to schedule a ride for an upcoming medical appointment? Refer to Chapter 2, Section 1 under benefit administrator contact information.	There is no coinsurance, copayment, or deductible for up to 24 one-way trips (maximum of 25 miles each) per calendar year.
Nurse Hotline Dealing with a potentially urgent medical situation? ProvRN is available 24 hours a day, 7 days a week. Registered nurses will help you determine your next steps, from taking a pain reliever to visiting an urgent care location. Whether you're calling about yourself or your child, our nurses can help. Simply call 503-574-6520 or 1-800-700-0481 to get started.	There is no coinsurance, copayment, or deductible for the nurse hotline.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
 Obesity screening and therapy to promote sustained weight loss If you have a body mass index of 30 or more, we cover intensive counseling to help you lose weight. This counseling is covered if you get it in a primary care setting, where it can be coordinated with your comprehensive prevention plan. Talk to your primary care doctor or practitioner to find out more. Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for preventive obesity screening and therapy.
Opioid treatment program services* Members of our plan with opioid use disorder (OUD) can receive coverage of services to treat OUD through an Opioid Treatment Program (OTP) which includes the following services: • U.S. Food and Drug Administration (FDA)-approved opioid agonist and antagonist medication-assisted treatment (MAT) medications. • Dispensing and administration of MAT medications (if applicable) • Substance use counseling • Individual and group therapy • Toxicology testing • Intake activities • Periodic assessments Please note: A separate cost sharing may apply if additional services are provided. *This service may require prior authorization. See Section 2.1 of this chapter for details.	There is no coinsurance, copayment, or deductible for Medicare-covered opioid treatment program services.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Outpatient diagnostic tests and therapeutic services and supplies*	
Covered services include, but are not limited to:	
• X-rays	There is no coinsurance, copayment, or deductible for Medicare-covered x-rays.
• Radiation (radium and isotope) therapy including technician materials and supplies	15% of the total cost for Medicare-covered therapeutic radiology services and supplies.
• Special imaging procedures, such as MRI, CT, and PET scans. All special imaging procedures need to be coordinated by your ordering provider through the imaging benefit administrator. See Chapter 2, Section 1 for contact information.	15% of the total cost for Medicare-covered special imaging procedures and special diagnostic tests.
• Special diagnostic tests, such as ultrasounds and Holter monitoring	15% of the total cost for Medicare-covered diagnostic radiology services up to \$250 maximum per day.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Outpatient diagnostic tests and therapeutic services and supplies* (continued)	
• Surgical supplies, such as dressings • Splints, casts, and other devices used to reduce fractures and dislocations	20% of the total cost for Medicare-covered dressings and supplies, splints, casts, and other devices used to reduce fractures and dislocations. These must be provided by Providence Home Services or another network provider.
• Laboratory tests • Blood - including storage and administration. Coverage of whole blood and packed red cells begins with the first pint of blood that you need. All other components of blood are also covered beginning with the first pint used. • Other outpatient diagnostic tests and procedures	There is no coinsurance, copayment, or deductible for Medicare-covered lab services and blood services. 20% of the total cost for other Medicare-covered diagnostic tests and procedures.
Please note: A separate cost sharing may apply if you receive any services aside from the Medicare-covered lab, blood, or other diagnostic tests and procedures described above.	
*This service may require prior authorization. See Section 2.1 of this chapter for details.	

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Outpatient hospital observation* Observation services are hospital outpatient services given to determine if you need to be admitted as an inpatient or can be discharged. For outpatient hospital observation services to be covered, they must meet the Medicare criteria and be considered reasonable and necessary. Observation services are covered only when provided by the order of a physician or another individual authorized by state licensure law and hospital staff bylaws to admit patients to the hospital or order outpatient tests. Note: Unless the provider has written an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost-sharing amounts for outpatient hospital services. Even if you stay in the hospital overnight, you might still be considered an outpatient. If you are not sure if you are an outpatient, you should ask the hospital staff. You can also find more information in a Medicare fact sheet called <i>Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask!</i> This fact sheet is available on the Web at https://es.medicare.gov/publications/11435-Medicare-Hospital-Benefits.pdf or by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week. *This service may require prior authorization. See Section 2.1 of this chapter for details.	\$70 copayment for Medicare-covered observation services.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Outpatient hospital services* We cover medically necessary services you get in the outpatient department of a hospital for diagnosis or treatment of an illness or injury. Covered services include, but are not limited to: • Services in an emergency department or outpatient clinic, such as observation services or outpatient surgery Please note: A separate cost sharing may apply for professional fees. • Laboratory and diagnostic tests billed by the hospital • Mental health care, including care in a partial-hospitalization program, if a doctor certifies that inpatient treatment would be required without it • X-rays and other radiology services billed by the hospital	\$125 copayment for each Medicare-covered emergency room visit. \$70 copayment for Medicare-covered observation services. \$150 copayment for each Medicare-covered outpatient hospital surgical service. There is no facility fee for outpatient clinic visits. There is no coinsurance, copayment, or deductible for Medicare-covered lab services and blood services. 20% of the total cost for other Medicare-covered diagnostic tests and procedures. There is no coinsurance, copayment, or deductible for Medicare-covered partial hospitalization program services. There is no coinsurance, copayment, or deductible for Medicare-covered x-rays. 15% of the total cost for Medicare-covered radiology services. 15% of the total cost for Medicare-covered special imaging procedures and special diagnostic tests. 15% of the total cost for Medicare-covered diagnostic radiology services up to \$250 maximum per day.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Outpatient hospital services* (continued) • Medical supplies such as splints and casts • Certain drugs and biologicals that you can't give yourself Note: Unless the provider has written an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost-sharing amounts for outpatient hospital services. Even if you stay in the hospital overnight, you might still be considered an outpatient. If you are not sure if you are an outpatient, you should ask the hospital staff. You can also find more information in a Medicare fact sheet called <i>Are You a Hospital Inpatient or Outpatient? If You Have Medicare – Ask!</i> This fact sheet is available on the Web at https://es.medicare.gov/publications/11435-Medicare-Hospital-Benefits.pdf or by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week. *This service may require prior authorization. See Section 2.1 of this chapter for details.	20% of the total cost for Medicare-covered medical supplies. 0% - 20% of the total cost for Medicare-covered Part B chemotherapy and radiation drugs and other Part B drugs. A separate cost sharing may apply for the administration of Medicare-covered Part B prescription drugs. Please note: If you receive take-home supplies or any items unrelated to the condition you are being treated for, you may be responsible for the costs.
Outpatient mental health care* Covered services include: Mental health services provided by a state-licensed psychiatrist or doctor, clinical psychologist, clinical social worker, clinical nurse specialist, licensed professional counselor (LPC), licensed marriage and family therapist (LMFT), nurse practitioner (NP), physician assistant (PA), or other Medicare-qualified mental health care professional as allowed under applicable state laws. Mental health services are managed by Providence Health Assurance. Providence Health Assurance must be contacted for authorizations. *This service may require prior authorization. See Section 2.1 of this chapter for details.	\$20 copayment for each Medicare-covered individual or group therapy visit. There is no coinsurance, copayment, or deductible for Medicare-covered partial hospitalization program services.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Outpatient rehabilitation services* Covered services include: physical therapy, occupational therapy, and speech language therapy. Outpatient rehabilitation services are provided in various outpatient settings, such as hospital outpatient departments, independent therapist offices, and Comprehensive Outpatient Rehabilitation Facilities (CORFs). *Prior authorization is not required for initial rehab services; however, subsequent visits may require authorization.	\$20 copayment for each Medicare-covered occupational therapy visit. \$20 copayment for each Medicare-covered physical therapy visit and speech and language therapy visit.
Outpatient substance use disorder services* Covered levels of care for substance use disorder include: - Partial hospitalization/day treatment - Intensive outpatient treatment	There is no coinsurance, copayment, or deductible for Medicare-covered partial hospitalization program services. \$20 copayment for each Medicare-covered intensive outpatient therapy visit.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Outpatient substance use disorder services* (continued)	\$20 copayment for each Medicare-covered individual or group therapy visit.
• Outpatient treatment Covered services include: • Diagnostic assessment, evaluations, and treatment planning • Treatment and/or procedures • Medication management and other associated treatments • Individual, family, and group therapy • Provider-based case management services • Crisis intervention Please note: All substance use disorder services must be received on an outpatient basis in a hospital, alternate facility, or provider's office. Additionally, these services must be provided by, or under the direction of, a properly qualified behavioral health practitioner. Mental health services are managed by Providence Health Assurance. Providence Health Assurance must be contacted for authorizations. *This service may require prior authorization. See Section 2.1 of this chapter for details.	
Outpatient surgery, including services provided at hospital outpatient facilities and ambulatory surgical centers*	\$100 copayment for each Medicare-covered ambulatory surgical center visit. \$150 copayment for each Medicare-covered outpatient hospital surgical service. \$70 copayment for Medicare-covered observation services. There is no facility fee for outpatient clinic visits.
Note: If you are having surgery in a hospital facility, you should check with your provider about whether you will be an inpatient or outpatient. Unless the provider writes an order to admit you as an inpatient to the hospital, you are an outpatient and pay the cost-sharing amounts for outpatient surgery. Even if you stay in the hospital overnight, you might still be considered an "outpatient." Please note: A separate cost sharing may apply for professional fees. *This service may require prior authorization. See Section 2.1 of this chapter for details.	

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Over-the-counter (OTC) items We give you a pre-loaded debit card with an allowance of \$160 every three months to pay for over-the-counter (OTC) health and wellness items. Your allowance rolls over every three months and expires after 11:59 p.m. on December 31 of each year. You can purchase eligible OTC health items from participating retail pharmacies in your area. Or, for a contactless experience, you can order from the catalog via phone, web, or mail. Please note that catalog items are available for home delivery only. Also, items may not be purchased through any other suppliers or channels than those described above. For assistance, or to get a list of approved items and retail pharmacies, please visit the website that is listed under Chapter 2, Section 1 benefit administrator contact information. For all other questions or concerns, please call Providence Health Assurance at 503-574-8000 or 1-800-603-2340. TTY users should call 711.	There is no coinsurance, copayment, or deductible for over-the-counter items. You have an allowance of \$160 every three months. Over-the-counter items can only be purchased from the catalog or approved retailers.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Partial hospitalization services and Intensive outpatient services* <i>Partial hospitalization</i> is a structured program of active psychiatric treatment provided as a hospital outpatient service or by a community mental health center, that is more intense than the care received in your doctor's, therapist's, licensed marriage and family therapist's (LMFT), or licensed professional counselor's office and is an alternative to inpatient hospitalization. <i>Intensive outpatient service</i> is a structured program of active behavioral (mental) health therapy treatment provided in a hospital outpatient department, a community mental health center, a Federally qualified health center, or a rural health clinic that is more intense than the care received in your doctor's, therapist's, licensed marriage and family therapist's (LMFT), or licensed professional counselor's office but less intense than partial hospitalization. Mental health services are managed by Providence Health Assurance. Providence Health Assurance must be contacted for authorizations. *This service may require prior authorization. See Section 2.1 of this chapter for details.	There is no coinsurance, copayment, or deductible for Medicare-covered partial hospitalization program services.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Personal Emergency Response System (PERS) A Personal Emergency Response System (PERS) gives you 24/7 access to help in the event of an emergency. Simply press the button on your device to speak with a trained operator who will coordinate emergency dispatch to your location. Covered services include: • Shipping and fulfillment of the mobile device and base unit • GPS technology to identify your location during an emergency • Automatic fall detection technology Please note: Remote video monitoring is not covered. For Customer Service or to sign up, see Chapter 2, Section 1 for contact information.	There is no coinsurance, copayment, or deductible for PERS services.
Physician/Practitioner services, including doctor's office visits Covered services include: • Medically necessary medical care or surgery services furnished in a physician's office, certified ambulatory surgical center, hospital outpatient department, or any other location • Consultation, diagnosis, and treatment by a specialist • Basic hearing and balance exams performed by your PCP or specialist, if your doctor orders it to see if you need medical treatment	There is no coinsurance, copayment, or deductible for each Medicare-covered primary care provider visit. \$20 copayment for each Medicare-covered specialist visit. For hearing and balance exam cost sharing, please see the "Hearing services" section of this medical benefits chart.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Physician/Practitioner services, including doctor's office visits (continued)	
• Certain telehealth services, including: primary and specialty care, mental health care, opioid and substance use disorder treatment, supervised exercise, occupational and physical therapy, speech language pathology services, kidney disease education, diabetes self-management, and consultation and follow-up visits for a hospital stay, surgery, or emergency department visit. ○ You have the option of getting these services through an in-person visit or by telehealth. If you choose to get one of these services by telehealth, you must use a network provider who offers the service by telehealth. ○ Services will be provided via interactive audio and video communication when deemed clinically appropriate by the network provider rendering the service. • Some telehealth services including consultation, diagnosis, and treatment by a physician or practitioner, for patients in certain rural areas or other places approved by Medicare • Telehealth services for monthly end-stage renal disease-related visits for home dialysis members in a hospital-based or critical access hospital-based renal dialysis center, renal dialysis facility, or the member's home • Telehealth services to diagnose, evaluate, or treat symptoms of a stroke, regardless of your location • Telehealth services for members with a substance use disorder or co-occurring mental health disorder, regardless of their location • Telehealth services for diagnosis, evaluation, and treatment of mental health disorders if: ○ You have an in-person visit within 6 months prior to your first telehealth visit ○ You have an in-person visit every 12 months while receiving these telehealth services ○ Exceptions can be made to the above for certain circumstances • Telehealth services for mental health visits provided by Rural Health Clinics and Federally Qualified Health Centers	For each Medicare-covered telehealth service, you will pay the applicable primary care provider or specialist visit cost sharing described above.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Physician/Practitioner services, including doctor's office visits (continued) • Virtual check-ins (for example, by phone or video chat) with your doctor for 5-10 minutes if: ○ You're not a new patient and ○ The check-in isn't related to an office visit in the past 7 days and ○ The check-in doesn't lead to an office visit within 24 hours or the soonest available appointment • Evaluation of video and/or images you send to your doctor, and interpretation and follow-up by your doctor within 24 hours if: ○ You're not a new patient and ○ The evaluation isn't related to an office visit in the past 7 days and ○ The evaluation doesn't lead to an office visit within 24 hours or the soonest available appointment • Consultation your doctor has with other doctors by phone, internet, or electronic health record • Second opinion by another network provider prior to surgery • Non-routine dental care (covered services are limited to surgery of the jaw or related structures, setting fractures of the jaw or facial bones, extraction of teeth to prepare the jaw for radiation treatments of neoplastic cancer disease, or services that would be covered when provided by a physician). • Non-Medicare-covered remote access technology: We provide access to in-network providers via ○ Telephonic visits for medication and disease management services, like when you call ProvRN ○ Emails through an application, like when you send your care team a message in MyChart ○ A dedicated, web-based platform for same-day medical appointments, like when you visit Providence ExpressCare Virtual on a tablet, smartphone, or computer	There is no coinsurance, copayment, or deductible for non-Medicare-covered remote access technology services. This benefit covers only the provider's service fee, not any applicable clinic or facility fees. Multiple cost-sharing amounts may apply depending on the services provided.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Podiatry services Covered services include: • Diagnosis and the medical or surgical treatment of injuries and diseases of the feet (such as hammer toe or heel spurs) • Routine foot care for members with certain medical conditions affecting the lower limbs Please note: A separate cost sharing may apply if additional services are provided and/or if covered podiatry services are provided at a hospital outpatient facility or ambulatory surgical center.	\$20 copayment for each Medicare-covered podiatry visit. Please refer to “Outpatient surgery, including services provided at hospital outpatient facilities and ambulatory surgical centers” for services provided in an outpatient setting.
 Prostate cancer screening exams For men age 50 and older, covered services include the following - once every 12 months: • Digital rectal exam • Prostate Specific Antigen (PSA) test Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for a Medicare-covered annual PSA test or digital rectal exam.
Prosthetic and orthotic devices and related supplies* Devices (other than dental) that replace all or part of a body part or function. These include, but are not limited to testing, fitting, or training in the use of prosthetic and orthotic devices; as well as: colostomy bags and supplies directly related to colostomy care, pacemakers, braces, prosthetic shoes, artificial limbs, and breast prostheses (including a surgical brassiere after a mastectomy). Includes certain supplies related to prosthetic and orthotic devices, and repair and/or replacement of prosthetic and orthotic devices. Also includes some coverage following cataract removal or cataract surgery – see Vision Care later in this section for more detail. *This service may require prior authorization. See Section 2.1 of this chapter for details.	20% of the total cost for Medicare-covered prosthetic devices and related supplies. All prosthetic devices and related supplies must be provided by Providence Home Services or other network provider.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Pulmonary rehabilitation services Comprehensive programs of pulmonary rehabilitation are covered for members who have moderate to very severe chronic obstructive pulmonary disease (COPD) and an order for pulmonary rehabilitation from the doctor treating the chronic respiratory disease. Pulmonary rehabilitation visits are limited to 36 sessions over a period of 36 weeks. If medically necessary, you may receive up to 36 additional sessions.	\$20 copayment for each Medicare-covered pulmonary rehabilitation service.
Remote Access Technology We provide access to in-network providers via • Telephonic visits for medication and disease management services, like when you call ProvRN • Emails through an application, like when you send your care team a message in MyChart • A dedicated, web-based platform for same-day medical appointments, like when you visit Providence ExpressCare Virtual on a tablet, smartphone, or computer	There is no coinsurance, copayment, or deductible for non-Medicare-covered remote access technology services.
 Screening and counseling to reduce alcohol misuse We cover one alcohol misuse screening for adults with Medicare (including pregnant women) who misuse alcohol, but aren't alcohol dependent. If you screen positive for alcohol misuse, you can get up to 4 brief face-to-face counseling sessions per year (if you're competent and alert during counseling) provided by a qualified primary care doctor or practitioner in a primary care setting. Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for each Medicare-covered screening and counseling to reduce alcohol misuse preventive benefit.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
 Screening for lung cancer with low dose computed tomography (LDCT)* For qualified individuals, a LDCT is covered every 12 months. Eligible members are: people aged 50 – 77 years who have no signs or symptoms of lung cancer, but who have a history of tobacco smoking of at least 20 pack-years and who currently smoke or have quit smoking within the last 15 years, who receive an order for LDCT during a lung cancer screening counseling and shared decision making visit that meets the Medicare criteria for such visits and be furnished by a physician or qualified non-physician practitioner. <i>For LDCT lung cancer screenings after the initial LDCT screening:</i> the members must receive an order for LDCT lung cancer screening, which may be furnished during any appropriate visit with a physician or qualified non-physician practitioner. If a physician or qualified non-physician practitioner elects to provide a lung cancer screening counseling and shared decision making visit for subsequent lung cancer screenings with LDCT, the visit must meet the Medicare criteria for such visits. LDCT needs to be coordinated by your ordering provider through the imaging benefit administrator. See Chapter 2, Section 1 for contact information. *This service may require prior authorization. See Section 2.1 of this chapter for details.	There is no coinsurance, copayment, or deductible for the Medicare-covered counseling and shared decision making visit or for LDCT.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
 Screening for sexually transmitted infections (STIs) and counseling to prevent STIs We cover sexually transmitted infection (STI) screenings for chlamydia, gonorrhea, syphilis, and Hepatitis B. These screenings are covered for pregnant women and for certain people who are at increased risk for an STI when the tests are ordered by a primary care provider. We cover these tests once every 12 months or at certain times during pregnancy. We also cover up to two individual 20 to 30 minute, face-to-face high-intensity behavioral counseling sessions each year for sexually active adults at increased risk for STIs. We will only cover these counseling sessions as a preventive service if they are provided by a primary care provider and take place in a primary care setting, such as a doctor's office. Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for the Medicare-covered screening for STIs and counseling for STIs preventive benefit.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Services to treat kidney disease*	
Covered services include:	
• Kidney disease education services to teach kidney care and help members make informed decisions about their care. For members with stage IV chronic kidney disease when referred by their doctor, we cover up to six sessions of kidney disease education services per lifetime	There is no coinsurance, copayment, or deductible for each Medicare-covered kidney disease education service.
• Outpatient dialysis treatments (including dialysis treatments when temporarily out of the service area, as explained in Chapter 3, or when your provider for this service is temporarily unavailable or inaccessible)	20% of the total cost for Medicare-covered renal dialysis treatment.
• Inpatient dialysis treatments (if you are admitted as an inpatient to a hospital for special care)	There is no additional charge for dialysis treatments received during a Medicare-covered inpatient hospital stay. Please refer to the “Inpatient hospital care” section of this medical benefits chart for inpatient hospital stay cost-sharing amounts.
• Self-dialysis training (includes training for you and anyone helping you with your home dialysis treatments)	20% of the total cost for each Medicare-covered self-dialysis training.
• Home dialysis equipment and supplies	20% of the total cost for Medicare-covered home dialysis equipment and supplies.
• Certain home support services (such as, when necessary, visits by trained dialysis workers to check on your home dialysis, to help in emergencies, and check your dialysis equipment and water supply)	There is no coinsurance, copayment, or deductible for each Medicare-covered home health visit.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Services to treat kidney disease* (continued) Certain drugs for dialysis are covered under your Medicare Part B drug benefit. For information about coverage for Part B Drugs, please go to the section, Medicare Part B prescription drugs. *Some services may require prior authorization. See Section 2.1 of this chapter for details.	
Skilled nursing facility (SNF) care* (For a definition of skilled nursing facility care, see Chapter 12 of this document. Skilled nursing facilities are sometimes called SNFs.) Your plan covers up to 100 days each benefit period. No prior hospital stay is required. Covered services include, but are not limited to: • Semiprivate room (or a private room if medically necessary) • Meals, including special diets • Skilled nursing services • Physical therapy, occupational therapy, and speech therapy • Drugs administered to you as part of your plan of care (This includes substances that are naturally present in the body, such as blood clotting factors.) • Blood - including storage and administration. Coverage of whole blood and packed red cells begins with the first pint of blood that you need. All other components of blood are also covered beginning with the first pint used. • Medical and surgical supplies ordinarily provided by SNFs • Laboratory tests ordinarily provided by SNFs • X-rays and other radiology services ordinarily provided by SNFs • Use of appliances such as wheelchairs ordinarily provided by SNFs • Physician/Practitioner services	There is no coinsurance, copayment, or deductible for days 1-20 of a benefit period for Medicare-covered SNF care. \$214 copayment each day for days 21-100 of a benefit period for Medicare-covered SNF care. The benefit period begins the day you go into a SNF and ends when you haven't received any skilled care in that SNF for 60 days in a row. If you go into a SNF after one benefit period has ended, a new benefit period will begin. There is no limit to the number of benefit periods. All SNF stays, regardless of condition, will apply towards the benefit period. Your SNF benefits are based on the calendar date. If you are admitted into the facility in 2025 and are not discharged until 2026, your copayment amount per day may be different.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Skilled nursing facility (SNF) care* (continued) Generally, you will get your SNF care from network facilities. However, under certain conditions listed below, you may be able to pay in-network cost sharing for a facility that isn't a network provider, if the facility accepts our plan's amounts for payment. • A nursing home or continuing care retirement community where you were living right before you went to the hospital (as long as it provides skilled nursing facility care) • A SNF where your spouse or domestic partner is living at the time you leave the hospital *This service may require prior authorization. See Section 2.1 of this chapter for details.	
 Smoking and tobacco use cessation (counseling to stop smoking or tobacco use) <u>If you use tobacco, but do not have signs or symptoms of tobacco-related disease:</u> We cover two counseling quit attempts within a 12-month period as a preventive service with no cost to you. Each counseling attempt includes up to four face-to-face visits. <u>If you use tobacco and have been diagnosed with a tobacco-related disease or are taking medicine that may be affected by tobacco:</u> We cover cessation counseling services. We cover two counseling quit attempts within a 12-month period, however, you will pay the applicable cost sharing. Each counseling attempt includes up to four face-to-face visits. Please note: If you are treated or monitored for an existing medical condition during the visit when you receive this preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition. We cover the smoking cessation telephonic program, including program supplies like nicotine replacement therapy. Ready for 12 months of support? Refer to Chapter 2, Section 1 for contact information.	There is no coinsurance, copayment, or deductible for the Medicare-covered smoking and tobacco use cessation preventive benefit. There is no coinsurance, copayment, or deductible for the smoking cessation telephonic program.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Supervised Exercise Therapy (SET) SET is covered for members who have symptomatic peripheral artery disease (PAD). Up to 36 sessions over a 12-week period are covered if the SET program requirements are met. The SET program must: • Consist of sessions lasting 30-60 minutes, comprising a therapeutic exercise-training program for PAD in patients with claudication • Be conducted in a hospital outpatient setting or a physician's office • Be delivered by qualified auxiliary personnel necessary to ensure benefits exceed harms, and who are trained in exercise therapy for PAD • Be under the direct supervision of a physician, physician assistant, or nurse practitioner/clinical nurse specialist who must be trained in both basic and advanced life support techniques SET may be covered beyond 36 sessions over 12 weeks for an additional 36 sessions over an extended period of time if deemed medically necessary by a health care provider.	\$20 copayment for each Medicare-covered SET service.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Urgently needed services A plan-covered service requiring immediate medical attention that is not an emergency is an urgently needed service if either you are temporarily outside the service area of the plan, or even if you are inside the service area of the plan, it is unreasonable given your time, place, and circumstances to obtain this service from network providers with whom the plan contracts. Your plan must cover urgently needed services and only charge you in-network cost sharing. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. However, medically necessary routine provider visits, such as annual checkups, are not considered urgently needed even if you are outside the service area of the plan or the plan network is temporarily unavailable. You have worldwide urgent care coverage. Please see the “Worldwide emergency/urgent care” section of this medical benefits chart for details.	\$25 copayment for each Medicare-covered urgent care visit. If you are admitted to the hospital within 24 hours of your urgent care visit, you do not have to pay the urgent care visit copayment. If you receive urgently needed care at an out-of-network hospital and require inpatient care once your condition has stabilized, you must get that inpatient care authorized by the plan. If authorized, your cost will be the same as if you received the inpatient care from an in-network hospital. See the “Inpatient hospital services” section of this medical benefits chart for inpatient cost-sharing information.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Vision care	
Covered services include:	
• Outpatient physician services for the diagnosis and treatment of diseases and injuries of the eye, including treatment for age-related macular degeneration. Original Medicare doesn't cover routine eye exams (eye refractions) for eyeglasses/contacts	\$20 copayment for each Medicare-covered exam to diagnose and treat diseases and conditions of the eye. Please note: A separate cost sharing may apply if additional services are provided, such as drugs administered during your visit.
•  For people who are at high risk of glaucoma, we will cover one glaucoma screening each year. People at high risk of glaucoma include: people with a family history of glaucoma, people with diabetes, African-Americans who are age 50 and older and Hispanic Americans who are 65 or older. • For people with diabetes, screening for diabetic retinopathy is covered once per year	There is no coinsurance, copayment, or deductible for an annual Medicare-covered preventive glaucoma screening. \$20 copayment for one Medicare-covered diabetic retinopathy screening exam per calendar year.
Vision hardware	
• Post-cataract: Your plan covers one pair of eyeglasses or contact lenses after each cataract surgery that includes insertion of an intraocular lens. (If you have two separate cataract operations, you cannot reserve the benefit after the first surgery and purchase two eyeglasses after the second surgery.) • Medical vision hardware*: Medical vision hardware is included under the "Prosthetic devices and related supplies" section of this medical benefits chart.	There is no coinsurance, copayment, or deductible for one pair of Medicare-covered eyeglasses or contact lenses after each cataract surgery. 20% of the total cost for Medicare-covered prosthetic devices and related supplies.
*This service may require prior authorization. See Section 2.1 of this chapter for details.	

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Vision care (routine non-Medicare-covered) Covered services include: • Routine eye exam: Our plan covers one refractive routine eye exam per calendar year. The purpose of this exam is to check your vision to determine if corrective eyewear or updated eyeglass or contact lens prescriptions are needed. A refraction is the part of an office visit that determines your eyeglass prescription. Both services are included under the routine eye exam benefit. This benefit excludes examinations for conditions such as conjunctivitis, dry eye, glaucoma or cataracts. These services are not part of a refractive routine exam as defined under this benefit and would be covered under your Part B medical benefits. Please refer to the “Vision care” row above for details regarding medical vision benefits. • Routine vision hardware: ⁺ Your plan includes routine eyeglasses or contact lenses every calendar year. ⁺ The cost sharing for routine vision hardware does not count toward your plan’s out-of-pocket maximum.	There is no coinsurance, copayment, or deductible for one routine eye exam per calendar year. You are not limited to a network provider, which means you can see any qualified provider for a routine eye exam. You have an allowance of up to \$250 per calendar year for a combination of routine prescription contacts, routine prescription lenses, routine vision frames, and/or upgrades, such as tinting. This means we will pay up to \$250 per calendar year for routine vision hardware. Routine prescription contact lens fitting services are included under the routine vision hardware benefit. Any amount billed by the provider above the allowance will be your responsibility. You are not limited to a network provider.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Vision care (routine non-Medicare-covered) (continued)	You can get your routine vision hardware from any qualified provider. Please note that the allowance described above is the same for all providers. Please ask your provider to bill us for the services using the Claims address on the back of your member ID card. You may also request reimbursement from us.
 Welcome to Medicare preventive visit The plan covers the one-time <i>Welcome to Medicare</i> preventive visit. The visit includes a review of your health, as well as education and counseling about the preventive services you need (including certain screenings and shots (or vaccines)), and referrals for other care if needed. Important: We cover the <i>Welcome to Medicare</i> preventive visit only within the first 12 months you have Medicare Part B. When you make your appointment, let your doctor's office know you would like to schedule your <i>Welcome to Medicare</i> preventive visit. Please note: If you are treated or monitored for an existing medical condition during the visit when you receive the preventive service, a copayment or coinsurance may apply for the care received for the existing medical condition.	There is no coinsurance, copayment, or deductible for the <i>Welcome to Medicare</i> preventive visit.
Wig benefit We cover one synthetic wig every calendar year if you are experiencing hair loss from chemotherapy only. You may purchase your wig from any wig supplier. Please note: You will need to pay the wig supplier directly and submit the paid receipt to us for reimbursement. Please see Chapter 7, Section 2 of this document for more information about asking us to pay you back for covered services.	There is no coinsurance, copayment, or deductible for one synthetic wig due to hair loss from chemotherapy.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services that are covered for you	What you must pay when you get these services
Worldwide emergency/urgent care Your plan covers emergency/urgent care services worldwide. This is defined as emergency, urgent, and post-stabilization care received outside of the United States. The term “outside of the United States” means anywhere other than the 50 states, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, and the Northern Mariana Islands. Cruise ships are considered outside of the United States. Coverage is limited to services that would be classified as emergency, urgently needed, or post-stabilization care had they been provided in the United States. One-way ambulance transport to an emergency or urgent care facility is covered in situations where getting to the facility in any other way could endanger your health. Transport must occur within 24 hours of when you receive the emergency or urgent treatment. All other transports received outside of the United States and its territories will be reviewed for medical necessity. Evacuation and repatriation services are not covered. Part D prescription drugs obtained outside of the United States, including at a pharmacy or on a cruise ship, are not covered. Foreign fees, including, but not limited to, currency conversion or transaction fees, are not covered.	\$125 copayment for each emergency room visit. \$25 copayment for each urgent care visit. If you are admitted to the hospital within 24 hours of your emergency room or urgent care visit, you do not have to pay the applicable copayment listed above. See the “Inpatient hospital services” section of this medical benefits chart for inpatient cost-sharing information. See the “Ambulance services” section of this medical benefits chart for ambulance cost-sharing information. For services related to post stabilization, see the section of this medical benefits chart related to the services supplied.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)**Section 2.2 Extra optional supplemental benefits you can buy**

Our plan offers some extra benefits that are not covered by Original Medicare and not included in your benefits package. These extra benefits are called **Optional Supplemental Benefits**. If you want these optional supplemental benefits, you must sign up for them and you may have to pay an additional premium for them. The optional supplemental benefits described in this section are subject to the same appeals process as any other benefits.

Providence Medicare Extra + Rx (HMO) offers two Optional Supplemental Dental plans. The copays, deductibles, and monthly premium amounts for these plans are listed below. Please keep in mind that electing one of these Optional Supplemental Dental plans will not modify the dental services previously described in the Medical Benefits Chart in Section 2.1 of this chapter.

If you are currently a member of Providence Medicare Advantage Plans, you may change or elect your Optional Supplemental Dental Plan during the Annual Enrollment Period (AEP) or within the first 60 days following January 1st.

If you are brand new to Providence Medicare Advantage Plans, you will have an additional 60 days from your original effective date of coverage to elect an Optional Supplemental Dental Plan. If we do not receive your request to enroll within the time frame described above, you will need to wait until the next AEP or the following January to elect an Optional Supplemental Dental Plan.

Please contact Customer Service for an Optional Supplemental Dental Plan Application. If you are enrolling during AEP, your effective date will be January 1st. If you are enrolling any time outside of AEP, your effective date will be the first day of the month following the date we receive your application to enroll in an Optional Supplemental Dental Plan.

You can choose to discontinue your Optional Supplemental Dental Plan at any time. Your change in coverage will be effective the first day of the month following the date we receive your written request to disenroll from your Optional Supplemental Dental Plan.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)**Optional Supplemental Dental Coverage – Providence Dental Basic**

Monthly premium: \$37.50

Annual maximum benefit: \$1,000

Provider network [1]: Any dentist*

Services that are covered for you	What you must pay when you get these services	
	In-Network	Out-of-Network
Annual deductible [2]	\$50 deductible	\$150 deductible
Diagnostic and preventive dental care	In-Network	Out-of-Network
- Bitewing or Periapical x-rays [3] - Panoramic x-rays [4]	0% of the total allowed amount	20% of the total allowed amount
Topical fluoride	Not covered	Not covered
Basic dental care	In-Network	Out-of-Network
- Fillings [5] - Sealants [6]	30% of the total allowed amount 0% of the total allowed amount	60% of the total allowed amount 20% of the total allowed amount
Major restorative care	In-Network	Out-of-Network
- Crowns and bridges - Dentures [7] - Simple extractions	50% of the total allowed amount	60% of the total allowed amount
- Endodontics (root canals) - Periodontics (also called scaling, treatment of gum disease, or a deep cleaning)	Not covered	Not covered

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

***Important note:** Out-of-network dentists may charge more than the amount allowed by Providence Medicare Advantage Plans. After you pay the annual deductible, Providence Medicare Advantage Plans will pay either the participating dentist's negotiated fee or our share of the maximum allowable charge for covered dental procedures and services. Covered frequencies cannot be duplicated between the "Diagnostic and preventive dental care" services listed on the previous page and the "Embedded routine preventive dental services" described in the Medical Benefits Chart in Section 2.1 of this chapter. Please keep in mind that you may incur a higher cost share when going out-of-network if the dentist you see charges more than the allowed amount by Providence Medicare Advantage Plans. If this happens, you may receive a bill for the difference between the charged amount and the allowed amount paid by the plan.

[1] Seeking care from an in-network dentist will reduce your out-of-pocket costs. Please note that services provided by a Medicare-excluded or Medicare-precluded provider will not be covered.

[2] Deductibles are waived for dental x-rays (bitewing, periapical, full mouth, or panoramic), fluoride, and emergency palliative treatment.

[3] Bitewing or Periapical x-rays – Bitewings limited to 1 series per calendar year. Periapical and single bitewing x-rays as needed (up to 10 per calendar). Preventive x-ray frequencies cannot be duplicated between the embedded preventive services noted in the Medical Benefits Chart in Section 2.1 of this chapter and optional supplemental dental coverage.

[4] Full Mouth and Panoramic x-ray – limited to once every 5 years

[5] Fillings – see "Class II: Basic Care Services" below

[6] Sealants – deductible applies

[7] Denture partials and completes – \$1000 lifetime maximum

Class I: Diagnostic and Preventive Care Services

1. A total of two examinations per calendar year, (covered as an embedded routine preventive dental service. See "Embedded routine preventive dental services" under "Dental services" of the Medical Benefits chart of this chapter for details.)
2. Two prophylaxis (cleaning, scaling, and polishing teeth or periodontal maintenance in lieu of standard prophylaxis) per calendar year (covered as an embedded routine preventive dental service. See "Embedded routine preventive dental services" under "Dental services" of the Medical Benefits Chart in Section 2.1 of this chapter for details.)
3. Bitewings limited to 1 series per calendar year. Periapical and single bitewing x-rays as needed (up to 10 per calendar).
4. One diagnostic x-ray (full mouth or panoramic) per 5 years.
5. Emergency palliative treatment as long as no other services, aside from an exam and x-rays, are performed on the date of treatment
6. One application of topical fluoride per calendar year (covered as an embedded routine preventive dental service. See "Embedded routine preventive dental services" under "Dental Services" of the Medical Benefits chart of this chapter for details.)
7. Sealants

Class II: Basic Care Services

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

1. Simple extraction of teeth
2. Composite and amalgam fillings on any tooth, once per tooth, per exact surface(s) every 24 months, no frequency limit for single surface fillings.
3. Pin retention of fillings (multiple pins on the same tooth are considered one pin)
4. Antibiotic injections administered by a dentist
5. Crown buildup procedure
6. Recementing inlays, onlays, and crowns at least 12 months after insertion and every 12 months per tooth thereafter
7. Restoration services, limited to:
 - a. Cast metal, resin-based, gold, or porcelain/ceramic inlays, onlays, and crowns for teeth with extensive caries or fractures that are unable to be restored with an amalgam or composite filling
 - b. Replacement of existing inlay, onlay, or crown at least seven years after the restoration was initially placed or last replaced
 - c. Post and core, in addition to crown. Please note that the teeth being restored must have been treated with a root canal and have a good prognosis.
 - d. Stainless steel crowns

Class III. Major Restorative Care

1. Recementing bridges, at least 12 months after insertion and every 12 months per tooth thereafter
2. One repair of dentures or fixed bridgework per 24 months
3. Prosthetic services, limited to:
 - a. Initial placement of removable dentures or fixed bridges
 - b. Replacement of removable dentures or fixed bridges that cannot be repaired at least seven years after the last placement date
 - c. Addition of teeth to existing partial denture
 - d. One relining or rebasing of existing removable dentures at least 24 months after the last placement date (unless an immediate prosthesis replacing three or more teeth is needed) and every 24 months thereafter

Class IV. Orthodontics: Not covered**Benefit Exclusions***

1. Services that are covered under worker's compensation or employer's liability laws
2. Services that are not necessary for your dental health
3. Reconstructive, plastic, cosmetic, elective, or aesthetic dentistry
4. Oral surgery that requires the setting of fractures and dislocations
5. Services with respect to malignancies, cysts, or neoplasms; hereditary, congenital, or mandibular prognathism; or development malformations where such services should not be performed in a dental office
6. Dispensing of drugs
7. Hospitalization for any dental procedure
8. Implant removal or the replacement of dentures, bridges, inlays, onlays, or crowns that can be repaired or restored to normal function

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

9. Diagnosis or treatment of Temporomandibular Disorder (TMD) and/or occlusal disharmony
10. Services not listed as covered
11. Implants and related services; replacement of lost, stolen, or damaged prosthetic or orthodontic appliances; athletic mouth guards; precision or semi-precision attachments; denture duplication; periodontal splinting of teeth
12. Services for increasing vertical dimension, replacing tooth structure lost by attrition, and correcting developmental malformations and/or congenital conditions
13. Procedures, that in the opinion of the plan, are experimental or investigative in nature because they do not meet professionally recognized standards of dental practice and/or have not been shown to be consistently effective for the diagnosis or treatment of your condition
14. Treatment of cleft palate, malignancies, or neoplasms

*Please note that these exclusions are specific to Optional Supplemental Dental coverage. Some of these exclusions may be covered under your dental services benefit, which is described in the Medical Benefits Chart in Section 2.1 of this chapter. Please contact Customer Service to find out if any of these would be covered.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)**Optional Supplemental Dental Coverage – Providence Dental Enhanced**

Monthly premium: \$53.50

Annual maximum benefit: \$1,500

Provider network [1]: Any dentist*

Services that are covered for you	What you must pay when you get these services	
	In-Network	Out-of-Network
Annual deductible [2]	\$50 deductible	\$150 deductible
Diagnostic and preventive dental care	In-Network	Out-of-Network
- Bitewing or Periapical x-rays [3] - Panoramic x-rays [4]	0% of the total allowed amount	20% of the total allowed amount
Topical fluoride	Not covered	Not covered
Basic dental care	In-Network	Out-of-Network
- Fillings (composite) [5] - Sealants [6]	30% of the total allowed amount 0% of the total allowed amount	60% of the total allowed amount 20% of the total allowed amount
Major restorative care	In-Network	Out-of-Network
- Crowns and bridges - Dentures [7]	50% of the total allowed amount	60% of the total allowed amount
- Extractions, erupted tooth - Oral surgery – certain minor surgery - Endodontics (root canals) - Periodontics (also called scaling, treatment of gum disease, or a deep cleaning)	50% of the total allowed amount	60% of the total allowed amount

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

***Important note:** Out-of-network dentists may charge more than the amount allowed by Providence Medicare Advantage Plans. After you pay the annual deductible, Providence Medicare Advantage Plans will pay either the participating dentist's negotiated fee or our share of the maximum allowable charge for covered dental procedures and services. Covered frequencies cannot be duplicated between the "Diagnostic and preventive dental care" services listed on the previous page and the "Embedded routine preventive dental services" described in the Medical Benefits Chart in Section 2.1 of this chapter. Please keep in mind that you may incur a higher cost share when going out-of-network if the dentist you see charges more than the allowed amount by Providence Medicare Advantage Plans. If this happens, you may receive a bill for the difference between the charged amount and the allowed amount paid by the plan.

[1] Seeking care from an in-network dentist will reduce your out-of-pocket costs. Please note that services provided by a Medicare-excluded or Medicare-precluded provider will not be covered.

[2] Deductibles are waived for dental x-rays (bitewing, periapical, full mouth, or panoramic), fluoride, and emergency palliative treatment.

[3] Bitewing or Periapical x-rays – Bitewings limited to 1 series per calendar year. Periapical and single bitewing x-rays as needed (up to 10 per calendar). Preventive x-ray frequencies cannot be duplicated between the embedded preventive services noted in the Medical Benefits Chart in Section 2.1 of this chapter and optional supplemental dental coverage.

[4] Full Mouth and Panoramic x-ray – limited to once every 5 years

[5] Fillings (composite) – see "Class II: Basic Care Services" below

[6] Sealants – deductible applies

[7] Denture partials and completes – \$1,500 lifetime maximum

Class I: Diagnostic and Preventive Care Services

1. A total of two examinations per calendar year, (covered as an embedded routine preventive dental service. See "Embedded routine preventive dental services" under "Dental services" of the Medical Benefits Chart in Section 2.1 of this chapter for details.)
2. Two prophylaxis (cleaning, scaling, and polishing teeth or periodontal maintenance in lieu of standard prophylaxis) per calendar year (covered as an embedded routine preventive dental service. See "Embedded routine preventive dental services" under "Dental services" of the Medical Benefits Chart in Section 2.1 of this chapter for details.)
3. Bitewings limited to 1 series per calendar year. Periapical and single bitewing x-rays as needed (up to 10 per calendar).
4. One diagnostic x-ray (full mouth or panoramic) per 5 years.
5. Emergency palliative treatment as long as no other services, aside from an exam and x-rays, are performed on the date of treatment
6. One application of topical fluoride per calendar year (covered as an embedded routine preventive dental service. See "Embedded routine preventive dental services" under "Dental Services" of the Medical Benefits chart of this chapter for details.)
7. Sealants

Chapter 4 Medical Benefits Chart (what is covered and what you pay)**Class II: Basic Care Services**

1. Simple extraction of teeth and erupted teeth.
2. Composite and amalgam fillings on any tooth, once per tooth, per exact surface(s) every 24 months, no frequency limit for single surface fillings.
3. Pin retention of fillings (multiple pins on the same tooth are considered one pin)
4. Antibiotic injections administered by a dentist
5. Crown buildup procedure
6. Recementing inlays, onlays, and crowns at least 12 months after insertion and every 12 months per tooth thereafter
7. Restoration services, limited to:
 - a. Cast metal, resin-based, gold, or porcelain/ceramic inlays, onlays, and crowns for teeth with extensive caries or fractures that are unable to be restored with an amalgam or composite filling
 - b. Replacement of existing inlay, onlay, or crown at least seven years after the restoration was initially placed or last replaced
 - c. Post and core, in addition to crown. Please note that the teeth being restored must have been treated with a root canal and have a good prognosis.
 - d. Stainless steel crowns

Class III: Major Restorative Care

1. One appliance (night guard) per 5 years within 6 months of osseous surgery
2. Recementing bridges, at least 12 months after insertion and every 12 months per tooth thereafter
3. One repair of dentures or fixed bridgework per 24 months
4. One study model per 3 years
5. General anesthesia and analgesia, including intravenous sedation, in conjunction with covered oral surgery or periodontal surgery
6. Prosthetic services, limited to:
 - a. Initial placement of removable dentures or fixed bridges
 - b. Replacement of removable dentures or fixed bridges that cannot be repaired at least seven years after the last placement date
 - c. Addition of teeth to existing partial denture
 - d. One relining or rebasing of existing removable dentures at least 24 months after the last placement date (unless an immediate prosthesis replacing three or more teeth is needed) and every 24 months thereafter
7. Oral surgery, including postoperative care for:
 - a. Removal of teeth, including impacted teeth
 - b. Extraction of tooth root
 - c. One coronectomy (intentional partial tooth removal) per lifetime
 - d. Alveolectomy, alveoplasty, and frenectomy
 - e. Excision of pericoronal gingiva, exostosis, or hyperplastic tissue, and excision of oral tissue for biopsy
 - f. Tooth transplantation, re-implantation, and/or stabilization
 - g. Excision of a tumor or cyst and incision and drainage of an abscess or cyst
8. Endodontic treatment of disease of the tooth, pulp, root, and related tissue, limited to:

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

- a. Pre-existing limitations not allowed by CMS
 - b. Pulpotomy
 - c. Apicoectomy
 - d. One retrograde filling per root per lifetime
 - e. Coverage of root canals and root canal re-treatments limited to once every 24 months when rendered by the same provider
9. Periodontic services, limited to:
- a. One scaling and root planing (D4341 or D4342) per quadrant per 24 months, starting at age 21
 - b. One full-mouth scaling per two years, when gingival inflammation is present
 - c. Occlusal adjustment performed with covered surgery
 - d. Gingivectomy
 - e. Osseous surgery including flap entry and closure
 - f. One pedicle or free soft tissue graft per site per lifetime
 - g. One full mouth debridement per lifetime

Class IV. Orthodontics: Not covered**Benefit Exclusions***

- 1. Services that are covered under worker's compensation or employer's liability laws
- 2. Services that are not necessary for your dental health
- 3. Reconstructive, plastic, cosmetic, elective, or aesthetic dentistry
- 4. Oral surgery that requires the setting of fractures and dislocations
- 5. Services with respect to malignancies, cysts, or neoplasms; hereditary, congenital, or mandibular prognathism; or development malformations where such services should not be performed in a dental office
- 6. Dispensing of drugs
- 7. Hospitalization for any dental procedure
- 8. Implant removal or the replacement of dentures, bridges, inlays, onlays, or crowns that can be repaired or restored to normal function
- 9. Diagnosis or treatment of Temporomandibular Disorder (TMD) and/or occlusal disharmony
- 10. Services not listed as covered
- 11. Implants and related services; replacement of lost, stolen, or damaged prosthetic or orthodontic appliances; athletic mouth guards; precision or semi-precision attachments; denture duplication; periodontal splinting of teeth
- 12. Services for increasing vertical dimension, replacing tooth structure lost by attrition, and correcting developmental malformations and/or congenital conditions
- 13. Procedures, that in the opinion of the plan, are experimental or investigative in nature because they do not meet professionally recognized standards of dental practice and/or have not been shown to be consistently effective for the diagnosis or treatment of your condition
- 14. Treatment of cleft palate, malignancies, or neoplasms

*Please note that these exclusions are specific to Optional Supplemental Dental coverage. Some of these exclusions may be covered under your dental services benefit, which is described in the

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Medical Benefits Chart in Section 2.1 of this chapter. Please contact Customer Service to find out if any of these would be covered.

SECTION 3 What services are not covered by the plan?

Section 3.1	Services we do <i>not</i> cover (exclusions)
--------------------	---

This section tells you what services are excluded from Medicare coverage and therefore, are not covered by this plan.

The chart below lists services and items that either are not covered under any condition or are covered only under specific conditions.

If you get services that are excluded (not covered), you must pay for them yourself except under the specific conditions listed below. Even if you receive the excluded services at an emergency facility, the excluded services are still not covered, and our plan will not pay for them. The only exception is if the service is appealed and decided upon appeal to be a medical service that we should have paid for or covered because of your specific situation. (For information about appealing a decision we have made to not cover a medical service, go to Chapter 9, Section 5.3 in this document.)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Acupuncture		Available for people with chronic low back pain under certain circumstances.
All costs associated with surrogate parenting	Not covered under any condition	
Ambulance claims where transport is refused (no treatment)	Not covered under any condition	
Appliances, equipment, and supplies primarily used for comfort or convenience, including, but not limited to, air conditioners, humidifiers, and incontinence pads	Not covered under any condition	
Autopsies and services related to autopsies	Not covered under any condition	
Charges for missed appointments or completion of claim forms	Not covered under any condition	

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Conception by artificial means, such as in vitro fertilization, zygote intra-fallopian transfers, and gamete intra-fallopian transfers (GIFT)	Not covered under any condition	
Cosmetic surgery or procedures		Covered in cases of an accidental injury or for improvement of the functioning of a malformed body member. Covered for all stages of reconstruction for a breast after a mastectomy, as well as for the unaffected breast to produce a symmetrical appearance.
Custodial care Custodial care is personal care that does not require the continuing attention of trained medical or paramedical personnel, such as care that helps you with activities of daily living, such as bathing or dressing.	Not covered under any condition	
Direct-to-consumer testing (also known as self-testing, at-home testing, or over-the-counter testing) sold directly to individuals via the Internet, television, print advertisements, or other marketing materials	Not covered under any condition	
Elective or voluntary enhancement procedures or services	Not covered under any condition	

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Experimental medical and surgical procedures, equipment, and medications Experimental procedures and items are those items and procedures determined by Original Medicare to not be generally accepted by the medical community.		May be covered by Original Medicare under a Medicare-approved clinical research study or by our plan. (See Chapter 3, Section 5 for more information on clinical research studies.)
Fees charged for care by your immediate relatives or members of your household	Not covered under any condition	
Full-time nursing care in your home	Not covered under any condition	
Guest meals in a hospital or skilled nursing facility	Not covered under any condition	
Hearing aids and provider visits to service hearing aids (except as specifically described in the Covered Benefits), ear molds, hearing aid accessories, warranty claim fees, and hearing aid batteries (beyond the 80 free batteries per non-rechargeable aid purchased)	Not covered under any condition	
Home-delivered meals		Covered after a qualifying inpatient hospitalization.
Homemaker services including basic household assistance, such as light housekeeping or light meal preparation.	Not covered under any condition	
Lens extras for cataract hardware (i.e., tints, anti-reflective coating, progressives, oversize lenses, etc.), unless medically necessary		Covered only when medically necessary.
Medicare Part B prescription drugs for travel outside the U.S. and its territories	Not covered under any condition	

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Naturopath services (uses natural or alternative treatments)	Not covered under any condition	
Non-emergency transportation		Prior Authorization is required.
Non-routine dental care		Dental care required to treat illness or injury may be covered as inpatient or outpatient care.
Orthodontics	Not covered under any condition	
Orthopedic shoes or supportive devices for the feet		Shoes that are part of a leg brace and are included in the cost of the brace. Orthopedic or therapeutic shoes for people with diabetic foot disease.
Personal items in your room at a hospital or a skilled nursing facility, such as a telephone or a television	Not covered under any condition	
Private duty nurses	Not covered under any condition	
Private room in a hospital		Covered only when medically necessary.
Psychological enrichment or self-help programs for mentally healthy individuals	Not covered under any condition	
Radial keratotomy, LASIK surgery, and other low vision aids	Not covered under any condition	
Reports, evaluations, or routine physical exams primarily for insurance, licensing, employment, or other third-party and non-preventive purposes	Not covered under any condition	
Reversal of sterilization procedures and/or non-prescription contraceptive supplies	Not covered under any condition	
Routine chiropractic care		Manual manipulation of the spine to correct a subluxation is covered.

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Routine dental care, such as fillings or dentures This exclusion applies unless you've purchased the Optional Supplemental Dental benefit. For more information and exclusions, see Section 2.2 of this chapter.	Not covered under any condition	
Routine foot care		Some limited coverage provided according to Medicare guidelines (e.g., if you have diabetes).
Services considered not reasonable and necessary, according to Original Medicare standards	Not covered under any condition	
Services not covered by Medicare	Not covered under any condition	
Services provided in Veterans Affairs (VA) facilities	Not covered under any condition	
Services related to intrauterine devices (IUD), including insertion of the device and the device itself	Not covered under any condition	
Services, such as drug claims, are not covered if they are ordered, prescribed, or provided by you for your own benefit, by a person who resides in your home, or by a member of your family. In this context, a “member of your family” is a person who could possibly inherit from you under any state's intestate succession law as well as any in-law, step relative, foster parent, or domestic partner of yours or of any such person.	Not covered under any condition	

Chapter 4 Medical Benefits Chart (what is covered and what you pay)

Services not covered by Medicare	Not covered under any condition	Covered only under specific conditions
Subnormal vision aids, aniseikonic lenses, or plain (non-prescription) glasses, sunglasses, and other low vision aids and services	Not covered under any condition	
Treatment or counseling in the absence of illness, including marriage counseling	Not covered under any condition	
Wig		Synthetic wigs are only covered for members experiencing hair loss due to chemotherapy. Natural- or human-hair wigs are not covered.

CHAPTER 5:

*Using the plan's coverage
for Part D prescription drugs*

SECTION 1 Introduction

This chapter **explains rules for using your coverage for Part D drugs**. Please see Chapter 4 for Medicare Part B drug benefits and hospice drug benefits.

Section 1.1 Basic rules for the plan's Part D drug coverage

The plan will generally cover your drugs as long as you follow these basic rules:

- You must have a provider (a doctor, dentist, or other prescriber) write you a prescription which must be valid under applicable state law.
- Your prescriber must not be on Medicare's Exclusion or Preclusion Lists.
- You generally must use a network pharmacy to fill your prescription. (See Section 2, in this chapter.) *Or you can fill your prescription or through the plan's mail-order service.*
- Your drug must be on the plan's *List of Covered Drugs (Formulary)* (we call it the Drug List" for short). (See Section 3, *Your drugs need to be on the plan's Drug List*).
- Your drug must be used for a medically accepted indication. A medically accepted indication is a use of the drug that is either approved by the Food and Drug Administration or supported by certain references. (See Section 3 in this chapter for more information about a medically accepted indication.)
- Your drug may require approval before we will cover it. (See Section 4 in this chapter for more information about restrictions on your coverage.)

SECTION 2 Fill your prescription at a network pharmacy or through the plan's mail-order service

Section 2.1 Use a network pharmacy
--

In most cases, your prescriptions are covered *only* if they are filled at the plan's network pharmacies. (See Section 2.5 for information about when we would cover prescriptions filled at out-of-network pharmacies.)

A network pharmacy is a pharmacy that has a contract with the plan to provide your covered prescription drugs. The term covered drugs means all of the Part D prescription drugs that are on the plan's Drug List.

Section 2.2	Network pharmacies
--------------------	---------------------------

How do you find a network pharmacy in your area?

To find a network pharmacy, you can look in your *Provider and Pharmacy Directory*, visit our website (www.ProvidenceHealthAssurance.com/findaprovider), and/or call Customer Service.

You may go to any of our network pharmacies. Some of our network pharmacies provide preferred cost sharing, which may be lower than the cost sharing at a pharmacy that offers standard cost sharing. The *Provider and Pharmacy Directory* will tell you which of the network pharmacies offer preferred cost sharing. Contact us to find out more about how your out-of-pocket costs could vary for different drugs.

What if the pharmacy you have been using leaves the network?

If the pharmacy you have been using leaves the plan's network, you will have to find a new pharmacy that is in the network. Or if the pharmacy you have been using stays within the network but is no longer offering preferred cost sharing, you may want to switch to a different network or preferred pharmacy, if available. To find another pharmacy in your area, you can get help from Customer Service or use the *Provider and Pharmacy Directory*. You can also find information on our website at www.ProvidenceHealthAssurance.com/findaprovider.

What if you need a specialized pharmacy?

Some prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy. Providence Home Services provides and coordinates home care services in the Providence Medicare Advantage Plans service area. Services include home infusion (pharmaceuticals and nursing), specialty injectables, home health, hospice, home oxygen, and medical equipment.
- Pharmacies that supply drugs for residents of a long-term care (LTC) facility. Usually, a LTC facility (such as a nursing home) has its own pharmacy. If you have any difficulty accessing your Part D benefits in an LTC facility, please contact Customer Service.
- Pharmacies that serve the Indian Health Service / Tribal / Urban Indian Health Program (not available in Puerto Rico). Except in emergencies, only Native Americans or Alaska Natives have access to these pharmacies in our network.
- Pharmacies that dispense drugs that are restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. To locate a specialized pharmacy, look in your *Provider and Pharmacy Directory* www.ProvidenceHealthAssurance.com/findaprovider or call Customer Service.

Section 2.3 Using the plan's mail-order service

For certain kinds of drugs, you can use the plan's network mail-order service. Generally, the drugs provided through mail order are drugs that you take on a regular basis, for a chronic or long-term medical condition.

Our plan's mail-order service allows you to order ***at least a 30-day supply of the drug and no more than a 100-day supply.***

To get information about filling your prescriptions by mail, please call Customer Service.

Usually, a mail-order pharmacy order will be delivered to you in no more than 3-5 days. In the event that your mail order prescription delivery is delayed, or you cannot wait to receive it, you may utilize a retail network pharmacy to obtain a small interim supply until such time a delivery can be received. The retail network pharmacy must contact Providence Health Assurance to facilitate dispensing of this interim supply.

New prescriptions the pharmacy receives directly from your doctor's office.

After the pharmacy receives a prescription from a health care provider, it will contact you to see if you want the medication filled immediately or at a later time. It is important that you respond each time you are contacted by the pharmacy, to let them know whether to ship, delay, or stop the new prescription.

Refills on mail-order prescriptions. For refills of your drugs, you have the option to sign up for an automatic refill program. Under this program we will start to process your next refill automatically when our records show you should be close to running out of your drug. The pharmacy will contact you prior to shipping each refill to make sure you are in need of more medication, and you can cancel scheduled refills if you have enough of your medication or if your medication has changed.

If you choose not to use our auto-refill program but still want the mail-order pharmacy to send you your prescription, please contact your pharmacy 10-14 days before your current prescription will run out. This will ensure your order is shipped to you in time.

To opt out of our program that automatically prepares mail-order refills, please contact the mail-order pharmacy.

If you receive a refill automatically by mail that you do not want, you may be eligible for a refund.

Section 2.4 How can you get a long-term supply of drugs?

When you get a long-term supply of drugs, your cost sharing may be lower. The plan offers two ways to get a long-term supply (also called an extended supply) of maintenance drugs on our plan's Drug List. (Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.)

1. Some retail pharmacies in our network allow you to get a long-term supply of maintenance drugs (which offer preferred cost sharing) at a lower cost-sharing amount. Other retail pharmacies may not agree to the lower cost-sharing amounts. In this case you will be responsible for the difference in price. Your *Provider and Pharmacy Directory* www.ProvidenceHealthAssurance.com/findaprovider tells you which pharmacies in our network can give you a long-term supply of maintenance drugs. You can also call Customer Service for more information.
2. You may also receive maintenance drugs through our mail-order program. Please see Section 2.3 for more information.

Section 2.5	When can you use a pharmacy that is not in the plan's network?
--------------------	---

Your prescription may be covered in certain situations

Generally, we cover drugs filled at an out-of-network pharmacy *only* when you are not able to use a network pharmacy. To help you, we have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan. **Please check first with Customer Service** to see if there is a network pharmacy nearby. You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost that we would cover at an in-network pharmacy.

Here are the circumstances when we would cover prescriptions filled at an out-of-network pharmacy:

- Coverage for out-of-network access of emergency drugs and some routine drugs will be provided when the member cannot access a network pharmacy and one of the following conditions exist:
 - You are traveling outside the service area and run out, lose your covered Part D drugs, or become ill and need a covered Part D drug.
 - You are unable to obtain a covered drug in a timely manner at a network pharmacy in your service area (e.g. no access to a 24 hour/7 days a week network pharmacy).
 - You are unable to obtain a particular drug as it is not regularly stocked at an accessible network pharmacy or mail order pharmacy (e.g. orphan or specialty drug with limited distribution).
 - The network mail-order pharmacy is unable to get the covered Part D drug to you in a timely manner and you run out of your drug.
 - Drug is dispensed to you by an out-of-network institution-based pharmacy while you are in an emergency department, provider-based clinic, outpatient surgery, or other outpatient setting.

How do you ask for reimbursement from the plan?

If you must use an out-of-network pharmacy, you will generally have to pay the full cost (rather than your normal cost share) at the time you fill your prescription. You can ask us to reimburse you for our share of the cost. (Chapter 7, Section 2 explains how to ask the plan to pay you back.)

SECTION 3 Your drugs need to be on the plan's Drug List

Section 3.1 The Drug List tells which Part D drugs are covered
--

The plan has a *List of Covered Drugs (Formulary)*. In this *Evidence of Coverage*, **we call it the Drug List for short.**

The drugs on this list are selected by the plan with the help of a team of doctors and pharmacists. The list meets Medicare's requirements and has been approved by Medicare.

The drugs on the Drug List are only those covered under Medicare Part D.

We will generally cover a drug on the plan's Drug List as long as you follow the other coverage rules explained in this chapter and the drug is used for a medically accepted indication. A medically accepted indication is a use of the drug that is *either*:

- Approved by the Food and Drug Administration for the diagnosis or condition for which it is being prescribed, or
- Supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information System.

The Drug List includes brand name drugs, generic drugs, and biological products (which may include biosimilars).

A brand name drug is a prescription drug that is sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. On the Drug List, when we refer to drugs, this could mean a drug or a biological product.

A generic drug is a prescription drug that has the same active ingredients as the brand name drug. Biological products have alternatives that are called biosimilars. Generally, generics and biosimilars work just as well as the brand name drug or original biological product and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

See Chapter 12 for definitions of the types of drugs that may be on the Drug List.

What is *not* on the Drug List?

The plan does not cover all prescription drugs.

- In some cases, the law does not allow any Medicare plan to cover certain types of drugs. (For more information about this, see Section 7.1 in this chapter.)
- In other cases, we have decided not to include a particular drug on the Drug List. In some cases, you may be able to obtain a drug that is not on the Drug List. (For more information, please see Chapter 9.)

Section 3.2	There are five cost-sharing tiers for drugs on the Drug List
--------------------	---

Every drug on the plan's Drug List is in one of five cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug:

- Tier 1 – Preferred Generic (lowest cost-sharing tier)
- Tier 2 – Generic
- Tier 3 – Preferred Brand
- Tier 4 – Non-Preferred Drug
- Tier 5 – Specialty (highest cost-sharing tier)

To find out which cost-sharing tier your drug is in, look it up in the plan's Drug List.

The amount you pay for drugs in each cost-sharing tier is shown in Chapter 6 (*What you pay for your Part D prescription drugs*).

Section 3.3	How can you find out if a specific drug is on the Drug List?
--------------------	---

You have four ways to find out:

1. Check the most recent Drug List we provided electronically.
2. Visit the plan's website (www.ProvidenceHealthAssurance.com). The Drug List on the website is always the most current.
3. Call Customer Service to find out if a particular drug is on the plan's Drug List or to ask for a copy of the list.
4. Use the plan's "Real-Time Benefit Tool" (www.ProvidenceHealthAssurance.com or by calling Customer Service). With this tool you can search for drugs on the Drug List to see an estimate of what you will pay and if there are alternative drugs on the Drug List that could treat the same condition.

SECTION 4 There are restrictions on coverage for some drugs

Section 4.1 Why do some drugs have restrictions?
--

For certain prescription drugs, special rules restrict how and when the plan covers them. A team of doctors and pharmacists developed these rules to encourage you and your provider to use drugs in the most effective ways. To find out if any of these restrictions apply to a drug you take or want to take, check the Drug List.

If a safe, lower-cost drug will work just as well medically as a higher-cost drug, the plan's rules are designed to encourage you and your provider to use that lower-cost option.

Please note that sometimes a drug may appear more than once on our Drug List. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your health care provider, and different restrictions or cost sharing may apply to the different versions of the drug (for instance, 10 mg versus 100 mg; one per day versus two per day; tablet versus liquid).

Section 4.2 What kinds of restrictions?

The sections below tell you more about the types of restrictions we use for certain drugs.

If there is a restriction for your drug, it usually means that you or your provider will have to take extra steps in order for us to cover the drug. Contact Customer Service to learn what you or your provider would need to do to get coverage for the drug. **If you want us to waive the restriction for you, you will need to use the coverage decision process and ask us to make an exception.** We may or may not agree to waive the restriction for you. (See Chapter 9.)

Getting plan approval in advance

For certain drugs, you or your provider need to get approval from the plan before we will agree to cover the drug for you. This is called **prior authorization**. This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you do not get this approval, your drug might not be covered by the plan.

Trying a different drug first

This requirement encourages you to try less costly but usually just as effective drugs before the plan covers another drug. For example, if Drug A and Drug B treat the same medical condition, the plan may require you to try Drug A first. If Drug A does not work for you, the plan will then cover Drug B. This requirement to try a different drug first is called **step therapy**.

Quantity limits

For certain drugs, we limit how much of a drug you can get each time you fill your prescription. For example, if it is normally considered safe to take only one pill per day for a certain drug, we may limit coverage for your prescription to no more than one pill per day.

SECTION 5 What if one of your drugs is not covered in the way you'd like it to be covered?

Section 5.1	There are things you can do if your drug is not covered in the way you'd like it to be covered
--------------------	---

There are situations where there is a prescription drug you are taking, or one that you and your provider think you should be taking that is not on our formulary or is on our formulary with restrictions. For example:

- The drug might not be covered at all. Or maybe a generic version of the drug is covered but the brand name version you want to take is not covered.
- The drug is covered, but there are extra rules or restrictions on coverage for that drug, as explained in Section 4.
- The drug is covered, but it is in a cost-sharing tier that makes your cost sharing more expensive than you think it should be.
- There are things you can do if your drug is not covered in the way that you'd like it to be covered. **If your drug is not on the Drug List or if your drug is restricted, go to Section 5.2 to learn what you can do.**
- **If your drug is in a cost-sharing tier that makes your cost more expensive than you think it should be, go to Section 5.3 to learn what you can do.**

Section 5.2	What can you do if your drug is not on the Drug List or if the drug is restricted in some way?
--------------------	---

If your drug is not on the Drug List or is restricted, here are options:

- You may be able to get a temporary supply of the drug
- You can change to another drug.
- You can request an exception and ask the plan to cover the drug or remove restrictions from the drug.

You may be able to get a temporary supply

Under certain circumstances, the plan must provide a temporary supply of a drug that you are already taking. This temporary supply gives you time to talk with your provider about the change.

To be eligible for a temporary supply, the drug you have been taking **must no longer be on the plan's Drug List OR is now restricted in some way.**

- **If you are a new member**, we will cover a temporary supply of your drug during the first 90 days of your membership in the plan.
- **If you were in the plan last year**, we will cover a temporary supply of your drug during the first 90 days of the calendar year.
- This temporary supply will be for a maximum of 30 days. If your prescription is written for fewer days, we will allow multiple fills to provide up to a maximum of 30 days of medication. The prescription must be filled at a network pharmacy. (Please note that the long-term care pharmacy may provide the drug in smaller amounts at a time to prevent waste.)
- **For those members who have been in the plan for more than 90 days and reside in a long-term care facility and need a supply right away:**

We will cover one 31-day emergency supply of a particular drug, or less if your prescription is written for fewer days. This is in addition to the above temporary supply.

Level of care change	Days' supply
For members transitioning from SNF to LTC	31
SNF to Home (retail)	30
LTC to LTC	31
Hospital to Home (retail)	30

For questions about a temporary supply, call Customer Service.

During the time when you are using a temporary supply of a drug, you should talk with your provider to decide what to do when your temporary supply runs out. You have two options:

1) You can change to another drug

Talk with your provider about whether there is a different drug covered by the plan that may work just as well for you. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you.

2) You can ask for an exception

You and your provider can ask the plan to make an exception and cover the drug in the way you would like it covered. If your provider says that you have medical reasons that justify asking us for an exception, your provider can help you request an exception. For example, you can ask the plan to cover a drug even though it is not on the plan's Drug List. Or you can ask the plan to make an exception and cover the drug without restrictions.

If you and your provider want to ask for an exception, Chapter 9, Section 6.4 tells you what to do. It explains the procedures and deadlines that have been set by Medicare to make sure your request is handled promptly and fairly.

Section 5.3	What can you do if your drug is in a cost-sharing tier you think is too high?
--------------------	--

If your drug is in a cost-sharing tier you think is too high, here are things you can do:

You can change to another drug

If your drug is in a cost-sharing tier you think is too high, talk to your provider. There may be a different drug in a lower cost-sharing tier that might work just as well for you. Call Customer Service to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you.

You can ask for an exception

You and your provider can ask the plan to make an exception in the cost-sharing tier for the drug so that you pay less for it. If your provider says that you have medical reasons that justify asking us for an exception, your provider can help you request an exception to the rule.

If you and your provider want to ask for an exception, Chapter 9, Section 6.4 tells what to do. It explains the procedures and deadlines that have been set by Medicare to make sure your request is handled promptly and fairly.

Drugs in our Tier 5 Specialty Tier are not eligible for this type of exception. We do not lower the cost-sharing amount for drugs in this tier.

SECTION 6	What if your coverage changes for one of your drugs?
------------------	---

Section 6.1	The Drug List can change during the year
--------------------	---

Most of the changes in drug coverage happen at the beginning of each year (January 1). However, during the year, the plan can make some changes to the Drug List. For example, the plan might:

- **Add or remove drugs from the Drug List.**
- **Move a drug to a higher or lower cost-sharing tier.**
- **Add or remove a restriction on coverage for a drug.**
- **Replace a brand name drug with a generic version of the drug.**
- **Replace an original biological product with an interchangeable biosimilar version of the biological product.**

We must follow Medicare requirements before we change the plan's Drug List.

See Chapter 12 for definitions of the drug types discussed in this chapter.

Section 6.2	What happens if coverage changes for a drug you are taking?
--------------------	--

Information on changes to drug coverage

When changes to the Drug List occur, we post information on our website about those changes. We also update our online Drug List regularly. This section describes the types of changes we may make to the Drug List and when you will get direct notice if changes are made for a drug that you are taking.

Changes we may make to the Drug List that affect you during the current plan year

- **Adding new drugs to the Drug List and immediately removing or making changes to a like drug on the Drug List.**
 - When adding a new version of a drug to the Drug List, we may immediately remove a like drug from the Drug List, move the like drug to a different cost-sharing tier, add new restrictions, or both. The new version of the drug will be on the same or a lower cost-sharing tier and with the same or fewer restrictions.
 - We will make these immediate changes only if we are adding a new generic version of a brand name or adding certain new biosimilar versions of an original biological product that was already on the Drug List.
 - We may make these changes immediately and tell you later, even if you are taking the drug that we are removing or making changes to. If you are taking the like drug at the time we make the change, we will tell you about any specific change we made.
- **Adding drugs to the Drug List and removing or making changes to a like drug on the Drug List with advance notice.**
 - When adding another version of a drug to the Drug List, we may remove a like drug from the Drug List, move it to a different cost-sharing tier, add new

restrictions, or both. The version of the drug that we add will be on the same or a lower cost-sharing tier and with the same or fewer restrictions.

- We will make these changes only if we are adding a new generic version of a brand name drug or adding certain new biosimilar versions of an original biological product that was already on the Drug List.
- We will tell you at least 30 days before we make the change or tell you about the change and cover a 30-day fill of the version of the drug you are taking.
- **Removing unsafe drugs and other drugs on the Drug List that are withdrawn from the market.**
 - Sometimes a drug may be deemed unsafe or taken off the market for another reason. If this happens, we may immediately remove the drug from the Drug List. If you are taking that drug, we will tell you after we make the change.
- **Making other changes to drugs on the Drug List.**
 - We may make other changes once the year has started that affect drugs you are taking. For example, we based on FDA boxed warnings or new clinical guidelines recognized by Medicare.
 - We will tell you at least 30 days before we make these changes or tell you about the change and cover an additional 30-day fill of the drug you are taking.

If we make any of these changes to any of the drugs you are taking, talk with your prescriber about the options that would work best for you, including changing to a different drug to treat your condition, or requesting a coverage decision to satisfy any new restrictions on the drug you are taking. You or your prescriber can ask us for an exception to continue covering the drug or version of the drug you have been taking. For more information on how to ask for a coverage decision, including an exception, see Chapter 9

Changes to the Drug List that do not affect you during the current plan year

We may make certain changes to the Drug List that are not described above. In these cases, the change will not apply to you if you are taking the drug when the change is made; however, these changes will likely affect you starting January 1 of the next plan year if you stay in the same plan.

In general, changes that will not affect you during the current plan year are:

- We move your drug into a higher cost-sharing tier.
- We put a new restriction on the use of your drug.
- We remove your drug from the Drug List.

If any of these changes happen for a drug you are taking (except for market withdrawal, a generic drug replacing a brand name drug, or other change noted in the sections above), the change won't affect your use or what you pay as your share of the cost until January 1 of the next year.

We will not tell you about these types of changes directly during the current plan year. You will need to check the Drug List for the next plan year (when the list is available during the open enrollment period) to see if there are any changes to the drugs you are taking that will impact you during the next plan year.

SECTION 7 What types of drugs are *not* covered by the plan?

Section 7.1 Types of drugs we do not cover
--

This section tells you what kinds of prescription drugs are excluded. This means Medicare does not pay for these drugs.

If you get drugs that are excluded, you must pay for them yourself. If you appeal and the requested drug is found not to be excluded under Part D, we will pay for or cover it. (For information about appealing a decision, go to Chapter 9.)

Here are three general rules about drugs that Medicare drug plans will not cover under Part D:

- Our plan's Part D drug coverage cannot cover a drug that would be covered under Medicare Part A or Part B.
- Our plan cannot cover a drug purchased outside the United States or its territories.
- Our plan cannot cover off-label use of a drug when the use is not supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information System. *Off-label* use is any use of the drug other than those indicated on a drug's label as approved by the Food and Drug Administration.

In addition, by law, the following categories of drugs are not covered by Medicare drug plans:

- Non-prescription drugs (also called over-the-counter drugs)
- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Drugs used for the treatment of sexual or erectile dysfunction
- Drugs used for treatment of anorexia, weight loss, or weight gain
- Outpatient drugs for which the manufacturer seeks to require that associated tests or monitoring services be purchased exclusively from the manufacturer as a condition of sale

If you are receiving “Extra Help” to pay for your prescriptions, the “Extra Help” program will not pay for the drugs not normally covered. However, if you have drug coverage through Medicaid, your state Medicaid program may cover some prescription drugs not normally covered in a Medicare drug plan. Please contact your state Medicaid program to determine what drug coverage may be available to you. (You can find phone numbers and contact information for Medicaid in Chapter 2, Section 6.)

SECTION 8 Filling a prescription

Section 8.1 Provide your membership information

To fill your prescription, provide your plan membership information, which can be found on your membership card, at the network pharmacy you choose. The network pharmacy will automatically bill the plan for *our* share of your drug cost. You will need to pay the pharmacy *your* share of the cost when you pick up your prescription.

Section 8.2 What if you don't have your membership information with you?
--

If you don't have your plan membership information with you when you fill your prescription, you or the pharmacy can call the plan to get the necessary information, or you can ask the pharmacy to look up your plan enrollment information.

If the pharmacy is not able to get the necessary information, **you may have to pay the full cost of the prescription when you pick it up.** (You can then **ask us to reimburse you** for our share. See Chapter 7, Section 2 for information about how to ask the plan for reimbursement.)

SECTION 9 Part D drug coverage in special situations

Section 9.1 What if you're in a hospital or a skilled nursing facility for a stay that is covered by the plan?
--

If you are admitted to a hospital or to a skilled nursing facility for a stay covered by the plan, we will generally cover the cost of your prescription drugs during your stay. Once you leave the hospital or skilled nursing facility, the plan will cover your prescription drugs as long as the drugs meet all of our rules for coverage described in this Chapter.

Section 9.2 What if you're a resident in a long-term care (LTC) facility?

Usually, a long-term care (LTC) facility (such as a nursing home) has its own pharmacy or uses a pharmacy that supplies drugs for all of its residents. If you are a resident of an LTC facility, you may get your prescription drugs through the facility's pharmacy or the one it uses, as long as it is part of our network.

Check your *Provider and Pharmacy Directory*

www.ProvidenceHealthAssurance.com/findaprovider to find out if your LTC facility's pharmacy or the one that it uses is part of our network. If it isn't, or if you need more information or assistance, please contact Customer Service. If you are in an LTC facility, we must ensure that you are able to routinely receive your Part D benefits through our network of LTC pharmacies.

What if you're a resident in a long-term care (LTC) facility and need a drug that is not on our Drug List or is restricted in some way?

Please refer to Section 5.2 about a temporary or emergency supply.

Section 9.3	What if you're also getting drug coverage from an employer or retiree group plan?
--------------------	--

If you currently have other prescription drug coverage through your (or your spouse or domestic partner's) employer or retiree group, please contact **that group's benefits administrator**. They can help you determine how your current prescription drug coverage will work with our plan.

In general, if you have employee or retiree group coverage, the drug coverage you get from us will be *secondary* to your group coverage. That means your group coverage would pay first.

Special note about creditable coverage:

Each year your employer or retiree group should send you a notice that tells if your prescription drug coverage for the next calendar year is creditable.

If the coverage from the group plan is creditable, it means that the plan has drug coverage that is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage.

Keep this notice about creditable coverage, because you may need them later. If you enroll in a Medicare plan that includes Part D drug coverage, you may need these notices to show that you have maintained creditable coverage. If you didn't get the creditable coverage notice, request a copy from your employer or retiree plan's benefits administrator or the employer or union.

Section 9.4	What if you're in Medicare-certified hospice?
--------------------	--

Hospice and our plan do not cover the same drug at the same time. If you are enrolled in Medicare hospice and require certain drugs (e.g., anti-nausea drugs, laxatives, pain medication or anti-anxiety drugs) that are not covered by your hospice because it is unrelated to your terminal illness and related conditions, our plan must receive notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug. To prevent delays in receiving these drugs that should be covered by our plan, ask your hospice provider or prescriber to provide notification before your prescription is filled.

In the event you either revoke your hospice election or are discharged from hospice, our plan should cover your drugs as explained in this document. To prevent any delays at a pharmacy

when your Medicare hospice benefit ends, bring documentation to the pharmacy to verify your revocation or discharge.

SECTION 10 Programs on drug safety and managing medications

Section 10.1 Programs to help members use drugs safely
--

We conduct drug use reviews for our members to help make sure that they are getting safe and appropriate care.

We do a review each time you fill a prescription. We also review our records on a regular basis. During these reviews, we look for potential problems such as:

- Possible medication errors
- Drugs that may not be necessary because you are taking another similar drug to treat the same condition
- Drugs that may not be safe or appropriate because of your age or gender
- Certain combinations of drugs that could harm you if taken at the same time
- Prescriptions for drugs that have ingredients you are allergic to
- Possible errors in the amount (dosage) of a drug you are taking
- Unsafe amounts of opioid pain medications

If we see a possible problem in your use of medications, we will work with your provider to correct the problem.

Section 10.2 Drug Management Program (DMP) to help members safely use their opioid medications
--

We have a program that helps make sure members safely use prescription opioids and other frequently abused medications. This program is called a Drug Management Program (DMP). If you use opioid medications that you get from several prescribers or pharmacies, or if you had a recent opioid overdose, we may talk to your prescribers to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescribers, if we decide your use of prescription opioid or benzodiazepine medications may not be safe, we may limit how you can get those medications. If we place you in our DMP, the limitations may be:

- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain pharmacy(ies)
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s)
- Limiting the amount of opioid or benzodiazepine medications we will cover for you

If we plan on limiting how you may get these medications or how much you can get, we will send you a letter in advance. The letter will tell you if we will limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific prescriber or pharmacy. You will have an opportunity to tell us which prescribers or pharmacies you prefer to use, and about any other information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we will send you another letter confirming the limitation. If you think we made a mistake or you disagree with our decision or with the limitation, you and your prescriber have the right to appeal. If you appeal, we will review your case and give you a new decision. If we continue to deny any part of your request related to the limitations that apply to your access to medications, we will automatically send your case to an independent reviewer outside of our plan. See Chapter 9 for information about how to ask for an appeal.

You will not be placed in our DMP if you have certain medical conditions, such as cancer-related pain or sickle cell disease, you are receiving hospice, palliative, or end-of-life care, or live in a long-term care facility.

Section 10.3	Medication Therapy Management (MTM) program to help members manage their medications
---------------------	---

We have a program that can help our members with complex health needs. Our program is called a Medication Therapy Management (MTM) program. This program is voluntary and free. A team of pharmacists and doctors developed the program for us to help make sure that our members get the most benefit from the drugs they take.

Some members who have certain chronic diseases and take medications that exceed a specific amount of drug costs or are in a DMP to help members use their opioids safely, may be able to get services through an MTM program. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all your medications. During the review, you can talk about your medications, your costs, and any problems or questions you have about your prescription and over-the-counter medications. You'll get a written summary which has a recommended to-do list that includes steps you should take to get the best results from your medications. You'll also get a medication list that will include all the medications you're taking, how much you take, and when and why you take them. In addition, members in the MTM program will receive information on the safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your doctor about your recommended to-do list and medication list. Bring the summary with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Also, keep your medication list up to date and with you (for example, with your ID) in case you go to the hospital or emergency room.

If we have a program that fits your needs, we will automatically enroll you in the program and send you information. If you decide not to participate, please notify us and we will withdraw you. If you have any questions about this program, please contact Customer Service.

CHAPTER 6:

*What you pay for your
Part D prescription drugs*

Are you currently getting help to pay for your drugs?

If you are in a program that helps pay for your drugs, **some information in this *Evidence of Coverage* about the costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the *Evidence of Coverage Rider for People Who Get “Extra Help” Paying for Prescription Drugs* (also known as the *Low-Income Subsidy Rider* or the *LIS Rider*), which tells you about your drug coverage. If you don’t have this insert, please call Customer Service and ask for the *LIS Rider*.

SECTION 1 Introduction

Section 1.1	Use this chapter together with other materials that explain your drug coverage
--------------------	---

This chapter focuses on what you pay for Part D prescription drugs. To keep things simple, we use “drug” in this chapter to mean a Part D prescription drug. As explained in Chapter 5, not all drugs are Part D drugs – some drugs are covered under Medicare Part A or Part B and other drugs are excluded from Medicare coverage by law.

To understand the payment information, you need to know what drugs are covered, where to fill your prescriptions, and what rules to follow when you get your covered drugs. Chapter 5, Sections 1 through 4 explain these rules. When you use the plan’s “Real-Time Benefit Tool” to look up drug coverage (see Chapter 3, Section 3.3), the cost shown is provided in “real time,” meaning the cost you see in the tool reflects a moment in time to provide an estimate of the out-of-pocket costs you are expected to pay. You can also obtain information provided by the “Real-Time Benefit Tool” by calling Customer Service.

Section 1.2	Types of out-of-pocket costs you may pay for covered drugs
--------------------	---

There are different types of out-of-pocket costs for Part D drugs. The amount that you pay for a drug is called **cost sharing** and there are three ways you may be asked to pay.

- **Deductible** is the amount you pay for drugs before our plan begins to pay its share.
- **Copayment** is a fixed amount you pay each time you fill a prescription.
- **Coinsurance** is a percentage of the total cost you pay each time you fill a prescription.

Section 1.3	How Medicare calculates your out-of-pocket costs
--------------------	---

Medicare has rules about what counts and what does *not* count toward your out-of-pocket costs. Here are the rules we must follow to keep track of your out-of-pocket costs.

These payments are included in your out-of-pocket costs

Your out-of-pocket costs include the payments listed below (as long as they are for Part D covered drugs, and you followed the rules for drug coverage that are explained in Chapter 5):

- The amount you pay for drugs when you are in the following drug payment stages:
 - The Initial Coverage Stage
- Any payments you made during this calendar year as a member of a different Medicare prescription drug plan before you joined our plan.

It matters who pays:

- If you make these payments **yourself**, they are included in your out-of-pocket costs.
- These payments are *also included* in your out-of-pocket costs if they are made on your behalf by **certain other individuals or organizations**. This includes payments for your drugs made by a friend or relative, by most charities, by AIDS drug assistance programs, employer or union health plans or by the Indian Health Service. Payments made by Medicare's "Extra Help" Program are also included.

Moving on to the Catastrophic Coverage Stage:

When you (or those paying on your behalf) have spent a total of **\$2,000** in out-of-pocket costs within the calendar year, you will move from the Initial Coverage Stage to the Catastrophic Coverage Stage.

These payments are not included in your out-of-pocket costs

Your out-of-pocket costs **do not include** any of these types of payments:

- Your monthly premium.
- Drugs you buy outside the United States and its territories.
- Drugs that are not covered by our plan.
- Drugs you get at an out-of-network pharmacy that do not meet the plan's requirements for out-of-network coverage.
- Non-Part D drugs, including prescription drugs covered by Part A or Part B and other drugs excluded from coverage by Medicare.
- Payments you make toward prescription drugs not normally covered in a Medicare Prescription Drug Plan.
- Payments for your drugs made by certain insurance plans and government-funded health programs such as TRICARE and the Veterans Health Administration (VA).
- Payments for your drugs made by a third-party with a legal obligation to pay for prescription costs (for example, Workers' Compensation).
- Payments made by drug manufacturers under the Manufacturer Discount Program

Chapter 6 What you pay for your Part D prescription drugs

Reminder: If any other organization such as the ones listed above pays part or all of your out-of-pocket costs for drugs, you are required to tell our plan by calling Customer Service.

How can you keep track of your out-of-pocket total?

- **We will help you.** The Part D Explanation of Benefits (EOB) report you receive includes the current amount of your out-of-pocket costs. When this amount reaches \$2,000, this report will tell you that you have left the Initial Coverage Stage and have moved on to the Catastrophic Coverage Stage.
- **Make sure we have the information we need.** Section 3.2 tells what you can do to help make sure that our records of what you have spent are complete and up to date.

SECTION 2 What you pay for a drug depends on which drug payment stage you are in when you get the drug

Section 2.1	What are the drug payment stages for Providence Medicare Extra + Rx (HMO) members?
--------------------	---

There are three **drug payment stages** for your prescription drug coverage under Providence Medicare Extra + Rx (HMO). How much you pay depends on what stage you are in when you get a prescription filled or refilled. Details of each stage are in Sections 4 through 6 of this chapter. The stages are:

Stage 1: Yearly Deductible Stage

Stage 2: Initial Coverage Stage

Stage 3: Catastrophic Coverage Stage

SECTION 3 We send you reports that explain payments for your drugs and which payment stage you are in

Section 3.1	We send you a monthly summary called the <i>Part D Explanation of Benefits</i> (the Part D EOB)
--------------------	--

Our plan keeps track of the costs of your prescription drugs and the payments you have made when you get your prescriptions filled or refilled at the pharmacy. This way, we can tell you when you have moved from one drug payment stage to the next. In particular, there are two types of costs we keep track of:

- We keep track of how much you have paid. This is called your **Out-of-Pocket Costs**. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, and any payments made for your drugs by “Extra Help”

Chapter 6 What you pay for your Part D prescription drugs

from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).

- We keep track of your **Total Drug Costs**. This is the total of all payments made for your covered Part D drugs. It includes what the plan paid, what you paid, and what other programs or organizations paid for your covered Part D drugs.

If you have had one or more prescriptions filled through the plan during the previous month, we will send you a Part D EOB. The Part D EOB includes:

- **Information for that month.** This report gives the payment details about the prescriptions you have filled during the previous month. It shows the total drug costs, what the plan paid, and what you and others on your behalf paid.
- **Totals for the year since January 1.** This is called year-to-date information. It shows the total drug costs and total payments for your drugs since the year began.
- **Drug price information.** This information will display the total drug price, and information about increases in price from first fill for each prescription claim of the same quantity.
- **Available lower cost alternative prescriptions.** This will include information about other available drugs with lower cost sharing for each prescription claim, if applicable.

Section 3.2**Help us keep our information about your drug payments up to date**

To keep track of your drug costs and the payments you make for drugs, we use records we get from pharmacies. Here is how you can help us keep your information correct and up to date:

- **Show your membership card every time you get a prescription filled.** This helps us make sure we know about the prescriptions you are filling and what you are paying.
- **Make sure we have the information we need.** There are times you may pay for the entire cost of a prescription drug. In these cases, we will not automatically get the information we need to keep track of your out-of-pocket costs. To help us keep track of your out-of-pocket costs, give us copies of these receipts. Here are examples of when you should give us copies of your drug receipts:
 - When you purchase a covered drug at a network pharmacy at a special price or using a discount card that is not part of our plan's benefit.
 - When you made a copayment for drugs that are provided under a drug manufacturer patient assistance program.
 - Any time you have purchased covered drugs at out-of-network pharmacies or other times you have paid the full price for a covered drug under special circumstances.

Chapter 6 What you pay for your Part D prescription drugs

- If you are billed for a covered drug, you can ask our plan to pay our share of the cost. For instructions on how to do this, go to Chapter 7, Section 2.
- **Send us information about the payments others have made for you.** Payments made by certain other individuals and organizations also count toward your out-of-pocket costs. For example, payments made by an AIDS drug assistance program (ADAP), the Indian Health Service, and charities count toward your out-of-pocket costs. Keep a record of these payments and send them to us so we can track your costs.
- **Check the written report we send you.** When you receive the Part D EOB look it over to be sure the information is complete and correct. If you think something is missing or you have any questions, please call us at Customer Service. Be sure to keep these reports.

SECTION 4 There is no deductible for Providence Medicare Extra + Rx (HMO)

There is no deductible for Providence Medicare Extra + Rx (HMO). You begin in the Initial Coverage Stage when you fill your first prescription of the year. See Section 5 for information about your coverage in the Initial Coverage Stage.

SECTION 5 During the Initial Coverage Stage, the plan pays its share of your drug costs, and you pay your share

Section 5.1	What you pay for a drug depends on the drug and where you fill your prescription
--------------------	---

During the Initial Coverage Stage, the plan pays its share of the cost of your covered prescription drugs, and you pay your share (your copayment or coinsurance amount). Your share of the cost will vary depending on the drug and where you fill your prescription.

The plan has five cost-sharing tiers

Every drug on the plan's Drug List is in one of five cost-sharing tiers. In general, the higher the cost-sharing tier number, the higher your cost for the drug:

- Tier 1 – Preferred Generic (lowest cost-sharing tier)
- Tier 2 – Generic
- Tier 3 – Preferred Brand
 - You pay \$35 per month supply of each covered insulin product on this tier
- Tier 4 – Non-Preferred Drug
 - You pay \$35 per month supply of each covered insulin product on this tier
- Tier 5 – Specialty (highest cost-sharing tier)

To find out which cost-sharing tier your drug is in, look it up in the plan's Drug List.

Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- A network retail pharmacy that offers standard cost sharing. Costs may be less at pharmacies that offer preferred cost sharing.
- A network retail pharmacy that offers preferred cost sharing.
- A pharmacy that is not in the plan's network. We cover prescriptions filled at out-of-network pharmacies in only limited situations. Please see Chapter 5, Section 2.5 to find out when we will cover a prescription filled at an out-of-network pharmacy.
- The plan's mail-order pharmacy

For more information about these pharmacy choices and filling your prescriptions, see Chapter 5 and the plan's *Provider and Pharmacy Directory*
www.ProvidenceHealthAssurance.com/findaprovider.

Section 5.2	A table that shows your costs for a <i>one-month</i> supply of a drug
--------------------	--

During the Initial Coverage Stage, your share of the cost of a covered drug will be either a copayment or coinsurance.

As shown in the table below, the amount of the copayment or coinsurance depends on which cost-sharing tier.

Sometimes the cost of the drug is lower than your copayment. In these cases, you pay the lower price for the drug instead of the copayment.

Your share of the cost when you get a *one-month* supply of a covered Part D prescription drug:

	Standard retail cost sharing (in-network) (up to a 30-day supply)	Preferred retail cost sharing (in-network) (up to a 30-day supply)	Mail-order cost sharing (up to a 30-day supply)	Long-term care (LTC) cost sharing (up to a 31-day supply)	Out-of-network cost sharing (Coverage is limited to certain situations; see Chapter 5 for details.) (up to a 30-day supply)
Cost-Sharing Tier 1 (Preferred Generic)	\$12 copayment	\$0 copayment	\$0 copayment	\$12 copayment	\$12 copayment plus any difference in the cost if you were to have used a standard pharmacy
Cost-Sharing Tier 2 (Generic)	\$20 copayment	\$10 copayment	\$0 copayment	\$20 copayment	\$20 copayment plus any difference in the cost if you were to have used a standard pharmacy
Cost-Sharing Tier 3 (Preferred Brand)	\$47 copayment	\$40 copayment	\$40 copayment	\$47 copayment	\$47 copayment plus any difference in the cost if you were to have used a standard pharmacy
Cost-Sharing Tier 4 (Non-Preferred Drug)	\$100 copayment	\$90 copayment	\$90 copayment	\$100 copayment	\$100 copayment plus any difference in the cost if you were to have used a standard pharmacy

Chapter 6 What you pay for your Part D prescription drugs

	Standard retail cost sharing (in-network) (up to a 30-day supply)	Preferred retail cost sharing (in-network) (up to a 30-day supply)	Mail-order cost sharing (up to a 30-day supply)	Long-term care (LTC) cost sharing (up to a 31-day supply)	Out-of-network cost sharing (Coverage is limited to certain situations; see Chapter 5 for details.) (up to a 30-day supply)
Cost-Sharing Tier 5 (Specialty)	33% of the total cost	33% of the total cost	33% of the total cost	33% of the total cost	33% of the total cost plus any difference in the cost if you were to have used a standard pharmacy

You won't pay more than \$35 for a one-month supply of each covered insulin product regardless of the cost-sharing tier.

Please see Section 8 of this chapter for more information on cost sharing for Part D vaccines.

Section 5.3	If your doctor prescribes less than a full month's supply, you may not have to pay the cost of the entire month's supply
--------------------	---

Typically, the amount you pay for a prescription drug covers a full month's supply. There may be times when you or your doctor would like you to have less than a month's supply of a drug (for example, when you are trying a medication for the first time). You can also ask your doctor to prescribe, and your pharmacist to dispense, less than a full month's supply of your drugs, if this will help you better plan refill dates for different prescriptions.

If you receive less than a full month's supply of certain drugs, you will not have to pay for the full month's supply.

- If you are responsible for coinsurance, you pay a percentage of the total cost of the drug. Since the coinsurance is based on the total cost of the drug, your cost will be lower since the total cost for the drug will be lower.
- If you are responsible for a copayment for the drug, you will only pay for the number of days of the drug that you receive instead of a whole month. We will calculate the amount you pay per day for your drug (the daily cost-sharing rate) and multiply it by the number of days of the drug you receive.

Section 5.4	A table that shows your costs for a <i>long-term</i> (up to a 100-day) supply of a drug
--------------------	--

For some drugs, you can get a long-term supply (also called an “extended supply”). A long-term supply is up to a 100-day supply.

The table below shows what you pay when you get a long-term supply of a drug.

- Sometimes the cost of the drug is lower than your copayment. In these cases, you pay the lower price for the drug instead of the copayment.

Your share of the cost when you get a *long-term* supply of a covered Part D prescription drug:

	Standard retail cost sharing (in-network) (up to a 100-day supply)	Preferred retail cost sharing (in-network) (up to a 100-day supply)	Mail-order cost sharing (up to a 100-day supply)
Cost-Sharing Tier 1 (Preferred Generic)	\$36 copayment (plus any difference in the cost if you were to have used a preferred pharmacy for an 84-100 day supply)	\$0 copayment	\$0 copayment
Cost-Sharing Tier 2 (Generic)	\$60 copayment (plus any difference in the cost if you were to have used a preferred pharmacy for an 84-100 day supply)	\$30 copayment	\$0 copayment
Cost-Sharing Tier 3 (Preferred Brand)	\$141 copayment (plus any difference in the cost if you were to have used a preferred pharmacy for an 84-100 day supply)	\$120 copayment	\$120 copayment

Chapter 6 What you pay for your Part D prescription drugs

	Standard retail cost sharing (in-network) (up to a 100-day supply)	Preferred retail cost sharing (in-network) (up to a 100-day supply)	Mail-order cost sharing (up to a 100-day supply)
Cost-Sharing Tier 4 (Non-Preferred Drug)	\$300 copayment (plus any difference in the cost if you were to have used a preferred pharmacy for an 84-100 day supply)	\$180 copayment	\$180 copayment
Cost-Sharing Tier 5 (Specialty)	A long-term supply is not available for drugs in Tier 5.	A long-term supply is not available for drugs in Tier 5.	A long-term supply is not available for drugs in Tier 5.

At a mail-order pharmacy, you won't pay more than \$70 for up to a two-month supply or \$95 for up to a three-month supply of each covered insulin product regardless of the cost-sharing tier.

At a preferred retail pharmacy or standard retail pharmacy, you won't pay more than \$70 for up to a two-month supply or \$105 for up to a three-month supply of each covered insulin product regardless of the cost-sharing tier.

Section 5.5	You stay in the Initial Coverage Stage until your out-of-pocket costs for the year reach \$2,000
--------------------	---

You stay in the Initial Coverage Stage until your total out-of-pocket costs reach \$2,000. You then move on to the Catastrophic Coverage Stage.

The Part D EOB that you receive will help you keep track of how much you, the plan, and any third parties have spent on your behalf during the year. Not all members will reach the \$2,000 out-of-pocket limit in a year.

We will let you know if you reach this amount. If you do reach this amount, you will leave the Initial Coverage Stage and move on to the Catastrophic Coverage Stage. See Section 1.3 on how Medicare calculates your out-of-pocket costs.

SECTION 6 During the Catastrophic Coverage Stage, you pay nothing for your covered Part D drugs

You enter the Catastrophic Coverage Stage when your out-of-pocket costs have reached the \$2,000 limit for the calendar year. Once you are in the Catastrophic Coverage Stage, you will stay in this payment stage until the end of the calendar year.

- During this payment stage, you pay nothing for your covered Part D drugs.

SECTION 7 Additional benefits information

1. For Tier 2 Generic drugs, you will have no cost-share (\$0) if you receive your drugs at a network Mail Order Pharmacy, up to a 100-day supply.
2. There is at least a 15% cost-savings when using a Preferred Network Pharmacy or Mail-Order Pharmacy for a 3-month supply vs. using a Standard Network Pharmacy for a 3-month supply.
3. Test strips and glucometers are limited to the plan's preferred manufacturers. All medical supplies and/or devices should be provided and arranged through an In-Network Retail Pharmacy.
4. Compounds are limited to a 30-day supply.
5. The Food and Drug Administration (FDA) does not review bulk powders and chemicals; therefore, they do not meet the definition of a Part D drug and are excluded from coverage.
6. Vacation overrides are limited to 30 days.

SECTION 8 Part D Vaccines. What you pay for depends on how and where you get them

Important Message About What You Pay for Vaccines - Some vaccines are considered medical benefits and are covered under Part B. Other vaccines are considered Part D drugs. You can find these vaccines listed in the plan's Drug List. Our plan covers most adult Part D vaccines at no cost to you. Refer to your plan's Drug List or contact Customer Service for coverage and cost-sharing details about specific vaccines.

There are two parts to our coverage of Part D vaccinations:

- The first part of coverage is the cost of **the vaccine itself**.
- The second part of coverage is for the cost of **giving you the vaccine**. (This is sometimes called the administration of the vaccine.)

Your costs for a Part D vaccination depend on three things:

1. **Whether the vaccine is recommended for adults by an organization called the Advisory Committee on Immunization Practices (ACIP).**
 - Most adult Part D vaccinations are recommended by ACIP and cost you nothing.
2. **Where you get the vaccine.**
 - The vaccine itself may be dispensed by a pharmacy or provided by the doctor's office.
3. **Who gives you the vaccine.**

Chapter 6 What you pay for your Part D prescription drugs

- A pharmacist or another provider may give the vaccine in the pharmacy. Alternatively, a provider may give it in the doctor's office.

What you pay at the time you get the Part D vaccination can vary depending on the circumstances and what **drug payment stage** you are in.

- Sometimes when you get a vaccination, you have to pay for the entire cost for both the vaccine itself and the cost for the provider to give you the vaccine. You can ask our plan to pay you back for our share of the cost. For most adult Part D vaccines, this means you will be reimbursed the entire cost you paid.
- Other times, when you get a vaccination, you will pay only your share of the cost under your Part D benefit. For most adult Part D vaccines, you will pay nothing.

Below are three examples of ways you might get a Part D vaccine.

Situation 1: You get the Part D vaccination at the network pharmacy. (Whether you have this choice depends on where you live. Some states do not allow pharmacies to give certain vaccines.)

- For most adult Part D vaccines, you will pay nothing.
- For other Part D vaccines, you will pay the pharmacy your copayment for the vaccine itself which includes the cost of giving you the vaccine.
- Our plan will pay the remainder of the costs.

Situation 2: You get the Part D vaccination at your doctor's office.

- When you get the vaccine, you may have to pay for the entire cost of the vaccine itself and the cost for the provider to give it to you.
- You can then ask our plan to pay our share of the cost by using the procedures that are described in Chapter 7.
- For most adult Part D vaccines, you will be reimbursed the full amount you paid. For other Part D vaccines, you will be reimbursed the amount you paid less any copayment for the vaccine (including administration), and less any difference between the amount the doctor charges and what we normally pay. (If you get "Extra Help," we will reimburse you for this difference.)

Situation 3: You buy the Part D vaccine itself at your pharmacy, and then take it to your doctor's office where they give you the vaccine.

- For most adult Part D vaccines, you will pay nothing for the vaccine itself.
- For other Part D vaccines, you will have to pay the pharmacy your copayment for the vaccine itself.

Chapter 6 What you pay for your Part D prescription drugs

- When your doctor gives you the vaccine, you may have to pay the entire cost for this service.
- You can then ask our plan to pay our share of the cost by using the procedures described in Chapter 7.
- For most adult Part D vaccines, you will be reimbursed the full amount you paid. For other Part D vaccines, you will be reimbursed the amount you paid less any coinsurance for the vaccine administration, and less any difference between the amount the doctor charges and what we normally pay. (If you get “Extra Help,” we will reimburse you for this difference.)

CHAPTER 7:

*Asking us to pay our share of a bill
you have received for covered
medical services or drugs*

Chapter 7 Asking us to pay our share of a bill you have received for covered medical services or drugs

SECTION 1 Situations in which you should ask us to pay our share of the cost of your covered services or drugs

Sometimes when you get medical care or a prescription drug, you may need to pay the full cost. Other times, you may find that you have paid more than you expected under the coverage rules of the plan, or you may receive a bill from a provider. In these cases, you can ask our plan to pay you back (paying you back is often called reimbursing you). It is your right to be paid back by our plan whenever you've paid more than your share of the cost for medical services or drugs that are covered by our plan. There may be deadlines that you must meet to get paid back. Please see Section 2 of this chapter.

There may also be times when you get a bill from a provider for the full cost of medical care you have received or possibly for more than your share of cost sharing as discussed in this document. First try to resolve the bill with the provider. If that does not work, send the bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly. If we decide not to pay it, we will notify the provider. You should never pay more than plan-allowed cost sharing. If this provider is contracted, you still have the right to treatment.

Here are examples of situations in which you may need to ask our plan to pay you back or to pay a bill you have received:

1. When you've received emergency or urgently needed medical care from a provider who is not in our plan's network

Outside the service area, you can receive emergency or urgently needed services from any provider, whether or not the provider is a part of our network. In these cases,

- You are only responsible for paying your share of the cost for emergency or urgently needed services. Emergency providers are legally required to provide emergency care. If you pay the entire amount yourself at the time you receive the care, ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.
- You may get a bill from the provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made.
 - If the provider is owed anything, we will pay the provider directly.
 - If you have already paid more than your share of the cost of the service, we will determine how much you owed and pay you back for our share of the cost.

2. When a network provider sends you a bill you think you should not pay

Network providers should always bill the plan directly and ask you only for your share of the cost. But sometimes they make mistakes and ask you to pay more than your share.

- You only have to pay your cost-sharing amount when you get covered services. We do not allow providers to add additional separate charges, called balance billing. This

Chapter 7 Asking us to pay our share of a bill you have received for covered medical services or drugs

protection (that you never pay more than your cost-sharing amount) applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don't pay certain provider charges.

- Whenever you get a bill from a network provider that you think is more than you should pay, send us the bill. We will contact the provider directly and resolve the billing problem.
- If you have already paid a bill to a network provider, but you feel that you paid too much, send us the bill along with documentation of any payment you have made and ask us to pay you back the difference between the amount you paid and the amount you owed under the plan.

3. If you are retroactively enrolled in our plan

Sometimes a person's enrollment in the plan is retroactive. (This means that the first day of their enrollment has already passed. The enrollment date may even have occurred last year.)

If you were retroactively enrolled in our plan and you paid out-of-pocket for any of your covered services or drugs after your enrollment date, you can ask us to pay you back for our share of the costs. You will need to submit paperwork such as receipts and bills for us to handle the reimbursement.

4. When you use an out-of-network pharmacy to get a prescription filled

If you go to an out-of-network pharmacy, the pharmacy may not be able to submit the claim directly to us. When that happens, you will have to pay the full cost of your prescription.

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost. Remember that we only cover out-of-network pharmacies in limited circumstances. See Chapter 5, Section 2.5 for a discussion of these circumstances. We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we would pay at an in-network pharmacy.

5. When you pay the full cost for a prescription because you don't have your plan membership card with you

If you do not have your plan membership card with you, you can ask the pharmacy to call the plan or to look up your plan enrollment information. However, if the pharmacy cannot get the enrollment information they need right away, you may need to pay the full cost of the prescription yourself.

Save your receipt and send a copy to us when you ask us to pay you back for our share of the cost. We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

6. When you pay the full cost for a prescription in other situations

You may pay the full cost of the prescription because you find that the drug is not covered for some reason.

Chapter 7 Asking us to pay our share of a bill you have received for covered medical services or drugs

- For example, the drug may not be on the plan's Drug List or it could have a requirement or restriction that you didn't know about or don't think should apply to you. If you decide to get the drug immediately, you may need to pay the full cost for it.
- Save your receipt and send a copy to us when you ask us to pay you back. In some situations, we may need to get more information from your doctor in order to pay you back for our share of the cost. We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

All of the examples above are types of coverage decisions. This means that if we deny your request for payment, you can appeal our decision. Chapter 9 of this document has information about how to make an appeal.

SECTION 2 How to ask us to pay you back or to pay a bill you have received

You may request us to pay you back by sending us a request in writing. If you send a request in writing, send your bill and documentation of any payment you have made. It's a good idea to make a copy of your bill and receipts for your records. **You must submit your claim to us within 12 months** of the date you received the service, item, or drug.

To make sure you are giving us all the information we need to make a decision, you can fill out our claim form to make your request for payment.

- You don't have to use the form(s), but it will help us process the information faster.
- Either download a copy of the form from our website (www.ProvidenceHealthAssurance.com/MemberForms) or call Customer Service and ask for the form.
- For prescription drug claims, please include the following: pharmacy name, address, and phone number; prescription number; date of service; drug name; national drug code (NDC); quantity and day supply; provider name; and member cost/responsibility.
- For Medical, Behavioral Health claims, please include the following: provider name, address, and phone number; Tax ID; date of service; diagnosis; item description and procedure code if available; any medical records related to the service; and amount charged and paid.
- Foreign Claims: For services out of the country, please explain where services were rendered (Office, ER, Urgent care, Hospital, Clinic, Pharmacy) and explain the nature of injury or illness.

Mail your request for payment together with any bills or paid receipts to us at this address:

Medical Claims	Part D Prescription Drug Claims
Providence Health Assurance Attn: Claims P.O. Box 3125 Portland, OR 97208-3125	Providence Health Assurance Attn: Pharmacy Services P.O. Box 3125 Portland, OR 97208-3125

Chapter 7 Asking us to pay our share of a bill you have received for covered medical services or drugs

SECTION 3 We will consider your request for payment and say yes or no

Section 3.1 We check to see whether we should cover the service or drug and how much we owe

When we receive your request for payment, we will let you know if we need any additional information from you. Otherwise, we will consider your request and make a coverage decision.

- If we decide that the medical care or drug is covered and you followed all the rules, we will pay for our share of the cost. Our share of the cost might not be the full amount you paid (for example, if you obtained a drug at an out-of-network pharmacy or if the cash price you paid for a drug is higher than our negotiated price). If you have already paid for the service or drug, we will mail your reimbursement of our share of the cost to you. If you have not paid for the service or drug yet, we will mail the payment directly to the provider.
- If we decide that the medical care or drug is *not* covered, or you did *not* follow all the rules, we will not pay for our share of the cost. We will send you a letter explaining the reasons why we are not sending the payment and your rights to appeal that decision.

Section 3.2 If we tell you that we will not pay for all or part of the medical care or drug, you can make an appeal

If you think we have made a mistake in turning down your request for payment or the amount we are paying, you can make an appeal. If you make an appeal, it means you are asking us to change the decision we made when we turned down your request for payment. The appeals process is a formal process with detailed procedures and important deadlines. For the details on how to make this appeal, go to Chapter 9 of this document.

CHAPTER 8:

Your rights and responsibilities

SECTION 1 Our plan must honor your rights and cultural sensitivities as a member of the plan

Section 1.1	We must provide information in a way that works for you and consistent with your cultural sensitivities (in languages other than English, in braille, in large print, or other alternate formats, etc.)
--------------------	--

Your plan is required to ensure that all services, both clinical and non-clinical, are provided in a culturally competent manner and are accessible to all enrollees, including those with limited English proficiency, limited reading skills, hearing incapacity, or those with diverse cultural and ethnic backgrounds. Examples of how a plan may meet these accessibility requirements include, but are not limited to: provision of translator services, interpreter services, teletypewriters, or TTY (text telephone or teletypewriter phone) connection.

Our plan has free interpreter services available to answer questions from non-English speaking members. We can also give you information in braille, in large print, or other alternate formats at no cost if you need it. We are required to give you information about the plan's benefits in a format that is accessible and appropriate for you. To get information from us in a way that works for you, please call Customer Service.

Our plan is required to give female enrollees the option of direct access to a women's health specialist within the network for women's routine and preventive health care services.

If providers in the plan's network for a specialty are not available, it is the plan's responsibility to locate specialty providers outside the network who will provide you with the necessary care. In this case, you will only pay in-network cost sharing. If you find yourself in a situation where there are no specialists in the plan's network that cover a service you need, call the plan for information on where to go to obtain this service at in-network cost sharing.

If you have any trouble getting information from our plan in a format that is accessible and appropriate for you, seeing a women's health specialist, or finding a network specialist, please call to file a grievance with Customer Service at 503-574-8000 or 1-800-603-2340 (TTY: 711). You may also file a complaint with Medicare by calling 1-800-MEDICARE (1-800-633-4227) or directly with the Office for Civil Rights by calling 1-800-368-1019 or TTY 1-800-537-7697.

Section 1.2	We must ensure that you get timely access to your covered services and drugs
--------------------	---

You have the right to choose a primary care provider (PCP) in the plan's network to provide and arrange for your covered services. We do not require you to get referrals to go to network providers.

You have the right to get appointments and covered services from the plan's network of providers *within a reasonable amount of time*. This includes the right to get timely services from

Chapter 8 Your rights and responsibilities

specialists when you need that care. You also have the right to get your prescriptions filled or refilled at any of our network pharmacies without long delays.

If you think that you are not getting your medical care or Part D drugs within a reasonable amount of time, Chapter 9 tells what you can do.

Section 1.3	We must protect the privacy of your personal health information
--------------------	--

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

- Your personal health information includes the personal information you gave us when you enrolled in this plan as well as your medical records and other medical and health information.
- You have rights related to your information and controlling how your health information is used. We give you a written notice, called a **Notice of Privacy Practice**, that tells about these rights and explains how we protect the privacy of your health information.

How do we protect the privacy of your health information?

- We make sure that unauthorized people don't see or change your records.
- Except for the circumstances noted below, if we intend to give your health information to anyone who isn't providing your care or paying for your care, *we are required to get written permission from you or someone you have given legal power to make decisions for you first.*
- There are certain exceptions that do not require us to get your written permission first. These exceptions are allowed or required by law.
 - We are required to release health information to government agencies that are checking on quality of care.
 - Because you are a member of our plan through Medicare, we are required to give Medicare your health information including information about your Part D prescription drugs. If Medicare releases your information for research or other uses, this will be done according to Federal statutes and regulations; typically, this requires that information that uniquely identifies you not be shared.

You can see the information in your records and know how it has been shared with others

You have the right to look at your medical records held at the plan, and to get a copy of your records. We are allowed to charge you a fee for making copies. You also have the right to ask us to make additions or corrections to your medical records. If you ask us to do this, we will work with your health care provider to decide whether the changes should be made.

Chapter 8 Your rights and responsibilities

You have the right to know how your health information has been shared with others for any purposes that are not routine.

If you have questions or concerns about the privacy of your personal health information, please call Customer Service.

The full scope of our privacy practices is described in our Notice of Privacy Practices and may be found at www.ProvidenceHealthAssurance.com/PrivacyPractices and at the end of your new member handbook.

You need to know that information about your health care is protected and confidential. Providence Health Assurance respects the privacy of our members and takes great care to decide when it is appropriate to share health information. For more information, please review the Notice available at www.ProvidenceHealthAssurance.com/PrivacyPractices.

Section 1.4	We must give you information about the plan, its network of providers, and your covered services
--------------------	---

As a member of Providence Medicare Extra + Rx (HMO), you have the right to get several kinds of information from us.

If you want any of the following kinds of information, please call Customer Service:

- **Information about our plan.** This includes, for example, information about the plan's financial condition.
- **Information about our network providers and pharmacies.** You have the right to get information about the qualifications of the providers and pharmacies in our network and how we pay the providers in our network.
- **Information about your coverage and the rules you must follow when using your coverage.** Chapters 3 and 4 provide information regarding medical services. Chapters 5 and 6 provide information about Part D prescription drug coverage.
- **Information about why something is not covered and what you can do about it.** Chapter 9 provides information on asking for a written explanation on why a medical service or Part D drug is not covered or if your coverage is restricted. Chapter 9 also provides information on asking us to change a decision, also called an appeal.

Section 1.5	We must support your right to make decisions about your care
--------------------	---

You have the right to know your treatment options and participate in decisions about your health care

You have the right to get full information from your doctors and other health care providers. Your providers must explain your medical condition and your treatment choices *in a way that you can understand*.

Chapter 8 Your rights and responsibilities

You also have the right to participate fully in decisions about your health care. To help you make decisions with your doctors about what treatment is best for you, your rights include the following:

- **To know about all of your choices.** You have the right to be told about all of the treatment options that are recommended for your condition, no matter what they cost or whether they are covered by our plan. It also includes being told about programs our plan offers to help members manage their medications and use drugs safely.
- **To know about the risks.** You have the right to be told about any risks involved in your care. You must be told in advance if any proposed medical care or treatment is part of a research experiment. You always have the choice to refuse any experimental treatments.
- **The right to say “no.”** You have the right to refuse any recommended treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to leave. You also have the right to stop taking your medication. Of course, if you refuse treatment or stop taking medication, you accept full responsibility for what happens to your body as a result.

You have the right to give instructions about what is to be done if you are not able to make medical decisions for yourself

Sometimes people become unable to make health care decisions for themselves due to accidents or serious illness. You have the right to say what you want to happen if you are in this situation. This means that, *if you want to*, you can:

- Fill out a written form to give **someone the legal authority to make medical decisions for you** if you ever become unable to make decisions for yourself.
- **Give your doctors written instructions** about how you want them to handle your medical care if you become unable to make decisions for yourself.

The legal documents that you can use to give your directions in advance in these situations are called **advance directives**. There are different types of advance directives and different names for them. Documents called **living will** and **power of attorney for health care** are examples of advance directives.

If you want to use an advance directive to give your instructions, here is what to do:

- **Get the form.** You can get an advance directive form from your lawyer, from a social worker, or from some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare.
- **Fill it out and sign it.** Regardless of where you get this form, keep in mind that it is a legal document. You should consider having a lawyer help you prepare it.
- **Give copies to appropriate people.** You should give a copy of the form to your doctor and to the person you name on the form who can make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.

Chapter 8 Your rights and responsibilities

If you know ahead of time that you are going to be hospitalized, and you have signed an advance directive, **take a copy with you to the hospital.**

- The hospital will ask you whether you have signed an advance directive form and whether you have it with you.
- If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

Remember, it is your choice whether you want to fill out an advance directive (including whether you want to sign one if you are in the hospital). According to law, no one can deny you care or discriminate against you based on whether or not you have signed an advance directive.

What if your instructions are not followed?

If you have signed an advance directive, and you believe that a doctor or hospital did not follow the instructions in it, you may file a complaint with:

Section 1.6	You have the right to make complaints and to ask us to reconsider decisions we have made
--------------------	---

If you have any problems, concerns, or complaints and need to request coverage, or make an appeal, Chapter 9 of this document tells what you can do. Whatever you do—ask for a coverage decision, make an appeal, or make a complaint—we are required to treat you fairly.

Section 1.7	What can you do if you believe you are being treated unfairly or your rights are not being respected?
--------------------	--

If it is about discrimination, call the Office for Civil Rights

If you believe you have been treated unfairly or your rights have not been respected due to your race, disability, religion, sex, health, ethnicity, creed (beliefs), age, sexual orientation, or national origin, you should call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 or TTY 1-800-537-7697, or call your local Office for Civil Rights.

Chapter 8 Your rights and responsibilities**Is it about something else?**

If you believe you have been treated unfairly or your rights have not been respected, *and it's not* about discrimination, you can get help dealing with the problem you are having:

- You can **call Customer Service**.
- You can **call the SHIP**. For details, go to Chapter 2, Section 3.
- Or, **you can call Medicare** at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY 1-877-486-2048).

Section 1.8 How to get more information about your rights

There are several places where you can get more information about your rights:

- You can **call Customer Service**.
- You can **call the SHIP**. For details, go to Chapter 2, Section 3.
- You can contact **Medicare**.
 - You can visit the Medicare website to read or download the publication *Medicare Rights & Protections*. (The publication is available at: www.medicare.gov/Pubs/pdf/11534-Medicare-Rights-and-Protections.pdf.)
 - Or, you can call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY 1-877-486-2048).

SECTION 2 You have some responsibilities as a member of the plan

Things you need to do as a member of the plan are listed below. If you have any questions, please call Customer Service.

- **Get familiar with your covered services and the rules you must follow to get these covered services.** Use this *Evidence of Coverage* to learn what is covered for you and the rules you need to follow to get your covered services.
 - Chapters 3 and 4 give the details about your medical services.
 - Chapters 5 and 6 give the details about your Part D prescription drug coverage.
- **If you have any other health insurance coverage or prescription drug coverage in addition to our plan, you are required to tell us.** Chapter 1 tells you about coordinating these benefits.
- **Tell your doctor and other health care providers that you are enrolled in our plan.** Show your plan membership card whenever you get your medical care or Part D prescription drugs.

Chapter 8 Your rights and responsibilities

- **Help your doctors and other providers help you by giving them information, asking questions, and following through on your care.**
 - To help get the best care, tell your doctors and other health providers about your health problems. Follow the treatment plans and instructions that you and your doctors agree upon.
 - Make sure your doctors know all of the drugs you are taking, including over-the-counter drugs, vitamins, and supplements.
 - If you have any questions, be sure to ask and get an answer you can understand.
- **Be considerate.** We expect all our members to respect the rights of other patients. We also expect you to act in a way that helps the smooth running of your doctor's office, hospitals, and other offices.
- **Pay what you owe.** As a plan member, you are responsible for these payments:
 - You must pay your plan premiums.
 - You must continue to pay a premium for your Medicare Part B to remain a member of the plan.
 - For most of your medical services or drugs covered by the plan, you must pay your share of the cost when you get the service or drug.
 - If you are required to pay a late enrollment penalty, you must pay the penalty to keep your prescription drug coverage.
 - If you are required to pay the extra amount for Part D because of your yearly income, you must continue to pay the extra amount directly to the government to remain a member of the plan.
- **If you move *within* our plan service area, we need to know** so we can keep your membership record up to date and know how to contact you.
- **If you move *outside* of our plan service area, you cannot remain a member of our plan.**
- If you move, it is also important to tell Social Security (or the Railroad Retirement Board).

CHAPTER 9:

*What to do if you have a problem
or complaint (coverage decisions,
appeals, complaints)*

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

SECTION 1 Introduction

Section 1.1 What to do if you have a problem or concern

This chapter explains two types of processes for handling problems and concerns:

- For some problems, you need to use the **process for coverage decisions and appeals**.
- For other problems, you need to use the **process for making complaints**; also called grievances.

Both of these processes have been approved by Medicare. Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

The guide in Section 3 will help you identify the right process to use and what you should do.

Section 1.2 What about the legal terms?

There are legal terms for some of the rules, procedures, and types of deadlines explained in this chapter. Many of these terms are unfamiliar to most people and can be hard to understand. To make things easier, this chapter:

- Uses simpler words in place of certain legal terms. For example, this chapter generally says making a complaint rather than filing a grievance, coverage decision rather than organization determination or coverage determination or at-risk determination, and independent review organization instead of Independent Review Entity.
- It also uses abbreviations as little as possible.

However, it can be helpful—and sometimes quite important—for you to know the correct legal terms. Knowing which terms to use will help you communicate more accurately to get the right help or information for your situation. To help you know which terms to use, we include legal terms when we give the details for handling specific types of situations.

SECTION 2 Where to get more information and personalized assistance

We are always available to help you. Even if you have a complaint about our treatment of you, we are obligated to honor your right to complain. Therefore, you should always reach out to

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Customer Service for help. But in some situations, you may also want help or guidance from someone who is not connected with us. Below are two entities that can assist you.

State Health Insurance Assistance Program (SHIP)

Each state has a government program with trained counselors. The program is not connected with us or with any insurance company or health plan. The counselors at this program can help you understand which process you should use to handle a problem you are having. They can also answer your questions, give you more information, and offer guidance on what to do.

The services of SHIP counselors are free. You will find phone numbers and website URLs in Chapter 2, Section 3 of this document.

Medicare

You can also contact Medicare to get help. To contact Medicare:

- You can call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
- You can also visit the Medicare website (www.medicare.gov).

SECTION 3 To deal with your problem, which process should you use?

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. The guide that follows will help.

Is your problem or concern about your benefits or coverage?

This includes problems about whether medical care (medical items, services and/or Part B prescription drugs) are covered or not, the way they are covered, and problems related to payment for medical care.

Yes.

Go on to the next section of this chapter, **Section 4, A guide to the basics of coverage decisions and appeals.**

No.

Skip ahead to **Section 10** at the end of this chapter: **How to make a complaint about quality of care, waiting times, customer service or other concerns.**

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)**COVERAGE DECISIONS AND APPEALS****SECTION 4 A guide to the basics of coverage decisions and appeals****Section 4.1 Asking for coverage decisions and making appeals: the big picture**

Coverage decisions and appeals deal with problems related to your benefits and coverage for your medical care (services, items and Part B prescription drugs, including payment). To keep things simple, we generally refer to medical items, services and Medicare Part B prescription drugs as **medical care**. You use the coverage decision and appeals process for issues such as whether something is covered or not and the way in which something is covered.

Asking for coverage decisions prior to receiving services

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your medical care. For example, if your plan network doctor refers you to a medical specialist not inside the network, this referral is considered a favorable coverage decision unless either your network doctor can show that you received a standard denial notice for this medical specialist, or the *Evidence of Coverage* makes it clear that the referred service is never covered under any condition. You or your doctor can also contact us and ask for a coverage decision if your doctor is unsure whether we will cover a particular medical service or refuses to provide medical care you think that you need. In other words, if you want to know if we will cover a medical care before you receive it, you can ask us to make a coverage decision for you. In limited circumstances a request for a coverage decision will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so or if you ask for your request to be withdrawn. If we dismiss a request for a coverage decision, we will send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

We are making a coverage decision for you whenever we decide what is covered for you and how much we pay. In some cases, we might decide medical care is not covered or is no longer covered by Medicare for you. If you disagree with this coverage decision, you can make an appeal.

Making an appeal

If we make a coverage decision, whether before or after a benefit is received, and you are not satisfied, you can **appeal** the decision. An appeal is a formal way of asking us to review and change a coverage decision we have made. Under certain circumstances, which we discuss later, you can request an expedited or **fast appeal** of a coverage decision. Your appeal is handled by different reviewers than those who made the original decision.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

When you appeal a decision for the first time, this is called a Level 1 appeal. In this appeal, we review the coverage decision we made to check to see if we were properly following the rules. When we have completed the review, we give you our decision.

In limited circumstances a request for a Level 1 appeal will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so or if you ask for your request to be withdrawn. If we dismiss a request for a Level 1 appeal, we will send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

If we say no to all or part of your Level 1 appeal for medical care, your appeal will automatically go on to a Level 2 appeal conducted by an independent review organization that is not connected to us.

- You do not need to do anything to start a Level 2 appeal. Medicare rules require we automatically send your appeal for medical care to Level 2 if we do not fully agree with your Level 1 appeal.
- See **Section 5.4** of this chapter for more information about Level 2 appeals for medical care.
- Part D appeals are discussed further in Section 6 of this chapter.

If you are not satisfied with the decision at the Level 2 appeal, you may be able to continue through additional levels of appeal (Section 9 in this chapter explains the Level 3, 4, and 5 appeals processes).

Section 4.2	How to get help when you are asking for a coverage decision or making an appeal
--------------------	--

Here are resources if you decide to ask for any kind of coverage decision or appeal a decision:

- **You can call us at Customer Service.**
- **You can get free help** from your State Health Insurance Assistance Program.
- **Your doctor can make a request for you.** If your doctor helps with an appeal past Level 2, they will need to be appointed as your representative. Please call Customer Service and ask for the *Appointment of Representative* form. (The form is also available on Medicare's website at www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at www.ProvidenceHealthAssurance.com/MemberForms.)
 - For medical care or Part B prescription drugs, your doctor can request a coverage decision or a Level 1 appeal on your behalf. If your appeal is denied at Level 1, it will be automatically forwarded to Level 2.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- For Part D prescription drugs, your doctor or other prescriber can request a coverage decision or a Level 1 appeal on your behalf. If your Level 1 appeal is denied your doctor or prescriber can request a Level 2 appeal.
- **You can ask someone to act on your behalf.** If you want to, you can name another person to act for you as your representative to ask for a coverage decision or make an appeal.
 - If you want a friend, relative, or other person to be your representative, call Customer Service and ask for the *Appointment of Representative* form. (The form is also available on Medicare's website at www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at www.ProvidenceHealthAssurance.com/MemberForms.) The form gives that person permission to act on your behalf. It must be signed by you and by the person who you would like to act on your behalf. You must give us a copy of the signed form.
 - While we can accept an appeal request without the form, we cannot complete our review until we receive it. If we do not receive the form before our deadline for making a decision on your appeal, your appeal request will be dismissed. If this happens, we will send you a written notice explaining your right to ask the independent review organization to review our decision to dismiss your appeal.
- **You also have the right to hire a lawyer.** You may contact your own lawyer, or get the name of a lawyer from your local bar association or other referral service. There are also groups that will give you free legal services if you qualify. However, **you are not required to hire a lawyer** to ask for any kind of coverage decision or appeal a decision.

Section 4.3	Which section of this chapter gives the details for your situation?
--------------------	--

There are four different situations that involve coverage decisions and appeals. Since each situation has different rules and deadlines, we give the details for each one in a separate section:

- **Section 5** of this chapter: Your medical care: How to ask for a coverage decision or make an appeal
- **Section 6** of this chapter: Your Part D prescription drugs: How to ask for a coverage decision or make an appeal
- **Section 7** of this chapter: How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon
- **Section 8** of this chapter: How to ask us to keep covering certain medical services if you think your coverage is ending too soon (*Applies only to these services:* home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services)

If you're not sure which section you should be using, please call Customer Service. You can also get help or information from government organizations such as your SHIP.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

SECTION 5 Your medical care: How to ask for a coverage decision or make an appeal of a coverage decision

Section 5.1	This section tells what to do if you have problems getting coverage for medical care or if you want us to pay you back for our share of the cost of your care
--------------------	--

This section is about your benefits for medical care. These benefits are described in Chapter 4 of this document: *Medical Benefits Chart (what is covered and what you pay)*. In some cases, different rules apply to a request for a Part B prescription drug. In those cases, we will explain how the rules for Part B prescription drugs are different from the rules for medical items and services.

This section tells what you can do if you are in any of the five following situations:

1. You are not getting certain medical care you want, and you believe that this is covered by our plan. **Ask for a coverage decision. Section 5.2.**
2. Our plan will not approve the medical care your doctor or other medical provider wants to give you, and you believe that this care is covered by the plan. **Ask for a coverage decision. Section 5.2.**
3. You have received medical care that you believe should be covered by the plan, but we have said we will not pay for this care. **Make an appeal. Section 5.3.**
4. You have received and paid for medical care that you believe should be covered by the plan, and you want to ask our plan to reimburse you for this care. **Send us the bill. Section 5.5.**
5. You are being told that coverage for certain medical care you have been getting that we previously approved will be reduced or stopped, and you believe that reducing or stopping this care could harm your health. **Make an appeal. Section 5.3.**

Note: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, you need to read Sections 7 and 8 of this Chapter. Special rules apply to these types of care.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Section 5.2 Step-by-step: How to ask for a coverage decision

Legal Terms

When a coverage decision involves your medical care, it is called an **organization determination**.

A fast coverage decision is called an **expedited determination**.

Step 1: Decide if you need a standard coverage decision or a fast coverage decision.

A standard coverage decision is usually made within 14 calendar days or 72 hours for Part B drugs. A fast coverage decision is generally made within 72 hours for medical services or 24 hours for Part B drugs. In order to get a fast coverage decision, you must meet two requirements:

- You may *only ask* for coverage for medical items and/or services (not requests for payment for items and/or services already received).
- You can get a fast coverage decision *only* if using the standard deadlines could *cause serious harm to your health or hurt your ability to function*.
- **If your doctor tells us that your health requires a fast coverage decision, we will automatically agree to give you a fast coverage decision.**
- **If you ask for a fast coverage decision on your own, without your doctor's support, we will decide whether your health requires that we give you a fast coverage decision.** If we do not approve a fast coverage decision, we will send you a letter that:
 - Explains that we will use the standard deadlines.
 - Explains if your doctor asks for the fast coverage decision, we will automatically give you a fast coverage decision.
 - Explains that you can file a fast complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you requested.

Step 2: Ask our plan to make a coverage decision or fast coverage decision.

- Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this. Chapter 2 has contact information.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)**Step 3: We consider your request for medical care coverage and give you our answer.**

For standard coverage decisions, we use the standard deadlines.

This means we will give you an answer within 14 calendar days after we receive your request for a medical item or service. If your request is for a **Medicare Part B prescription drug**, we will give you an answer **within 72 hours** after we receive your request.

- **However**, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
- If you believe we should *not* take extra days, you can file a fast complaint. We will give you an answer to your complaint as soon as we make the decision. (The process for making a complaint is different from the process for coverage decisions and appeals. See Section 10 of this chapter for information on complaints.)

For fast coverage decisions, we use an expedited timeframe

A fast coverage decision means we will answer within 72 hours if your request is for a medical item or service. If your request is for a Medicare Part B prescription drug, we will answer within 24 hours.

- **However**, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days**. If we take extra days, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
- If you believe we should *not* take extra days, you can file a fast complaint. (See Section 10 of this chapter for information on complaints.) We will call you as soon as we make the decision.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no.

Step 4: If we say no to your request for coverage for medical care, you can appeal.

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the medical care coverage you want. If you make an appeal, it means you are going on to Level 1 of the appeals process.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)**Section 5.3 Step-by-step: How to make a Level 1 appeal****Legal Terms**

An appeal to the plan about a medical care coverage decision is called a plan **reconsideration**.

A fast appeal is also called an **expedited reconsideration**.

Step 1: Decide if you need a standard appeal or a fast appeal.

A standard appeal is usually made within 30 calendar days or 7 calendar days for Part B drugs. A fast appeal is generally made within 72 hours.

- If you are appealing a decision we made about coverage for care that you have not yet received, you and/or your doctor will need to decide if you need a fast appeal. If your doctor tells us that your health requires a fast appeal, we will give you a fast appeal.
- The requirements for getting a fast appeal are the same as those for getting a fast coverage decision in Section 5.2 of this chapter.

Step 2: Ask our plan for an appeal or a fast appeal

- **If you are asking for a standard appeal, submit your standard appeal in writing.** Chapter 2 has contact information.
- **If you are asking for a fast appeal, make your appeal in writing or call us.** Chapter 2 has contact information.
- **You must make your appeal request within 65 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for requesting an appeal.
- **You can ask for a copy of the information regarding your medical decision. You and your doctor may add more information to support your appeal.**

Step 3: We consider your appeal, and we give you our answer.

- When our plan is reviewing your appeal, we take a careful look at all of the information. We check to see if we were following all the rules when we said no to your request.
- We will gather more information if needed, possibly contacting you or your doctor.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)***Deadlines for a fast appeal***

- For fast appeals, we must give you our answer **within 72 hours after we receive your appeal**. We will give you our answer sooner if your health requires us to.
 - However, if you ask for more time, or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we will tell you in writing. We can't take extra time if your request is for a Medicare Part B prescription drug.
 - If we do not give you an answer within 72 hours (or by the end of the extended time period if we took extra days), we are required to automatically send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 5.4 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you requested**, we must authorize or provide the coverage we have agreed to provide within 72 hours after we receive your appeal.
- **If our answer is no to part or all of what you requested**, we will send you our decision in writing and automatically forward your appeal to the independent review organization for a Level 2 appeal. The independent review organization will notify you in writing when it receives your appeal.

Deadlines for a standard appeal

- For standard appeals, we must give you our answer **within 30 calendar days** after we receive your appeal. If your request is for a Medicare Part B prescription drug you have not yet received, we will give you our answer **within 7 calendar days** after we receive your appeal. We will give you our decision sooner if your health condition requires us to.
 - However, if you ask for more time, or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
 - If you believe we should *not* take extra days, you can file a fast complaint. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (See Section 10 of this chapter for information on complaints.)
 - If we do not give you an answer by the deadline (or by the end of the extended time period), we will send your request to a Level 2 appeal, where an independent review organization will review the appeal. Section 5.4 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you requested**, we must authorize or provide the coverage within 30 calendar days if your request is for a medical item or service, or **within 7 calendar days** if your request is for a Medicare Part B prescription drug.
- **If our plan says no to part or all of your appeal**, we will automatically send your appeal to the independent review organization for a Level 2 appeal.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Section 5.4 Step-by-step: How a Level 2 appeal is done

Legal Term
The formal name for the independent review organization is the Independent Review Entity . It is sometimes called the IRE .

The **independent review organization is an independent organization hired by Medicare**. It is not connected with us and is not a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

Step 1: The independent review organization reviews your appeal.

- We will send the information about your appeal to this organization. This information is called your **case file**. **You have the right to ask us for a copy of your case file.**
- You have a right to give the independent review organization additional information to support your appeal.
- Reviewers at the independent review organization will take a careful look at all of the information related to your appeal.

If you had a “fast appeal” at Level 1, you will also have a fast appeal at Level 2

- For the fast appeal, the review organization must give you an answer to your Level 2 appeal **within 72 hours** of when it receives your appeal.
- However, if your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.

If you had a standard appeal at Level 1, you will also have a standard appeal at Level 2

- For the standard appeal, if your request is for a medical item or service, the review organization must give you an answer to your Level 2 appeal **within 30 calendar days** of when it receives your appeal. If your request is for a Medicare Part B prescription drug, the review organization must give you an answer to your Level 2 appeal **within 7 calendar days** of when it receives your appeal.
- However, if your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.

Step 2: The independent review organization gives you their answer.

The independent review organization will tell you its decision in writing and explain the reasons for it.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- **If the review organization says yes to part or all of a request for a medical item or service**, we must authorize the medical care coverage within 72 hours or provide the service within 14 calendar days after we receive the decision from the review organization for standard requests. For expedited requests, we have 72 hours from the date we receive the decision from the review organization.
- **If the review organization says yes to part or all of a request for a Medicare Part B prescription drug**, we must authorize or provide the Part B prescription drug within **72 hours** after we receive the decision from the review organization for **standard requests**. For **expedited requests** we have **24 hours** from the date we receive the decision from the review organization.
- **If this organization says no to part or all of your appeal**, it means they agree with us that your request (or part of your request) for coverage for medical care should not be approved. (This is called **upholding the decision** or **turning down your appeal**.) In this case, the independent review organization will send you a letter:
 - Explaining its decision
 - Notifying you of the right to a Level 3 appeal if the dollar value of the medical care coverage meets a certain minimum. The written notice you get from the independent review organization will tell you the dollar amount you must meet to continue the appeals process.
 - Telling you how to file a Level 3 appeal.

Step 3: If your case meets the requirements, you choose whether you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 9 in this chapter explains the Level 3, 4, and 5 appeals processes.

Section 5.5 What if you are asking us to pay you for our share of a bill you have received for medical care?

Chapter 7 describes when you may need to ask for reimbursement or to pay a bill you have received from a provider. It also tells how to send us the paperwork that asks us for payment.

Asking for reimbursement is asking for a coverage decision from us

If you send us the paperwork asking for reimbursement, you are asking for a coverage decision. To make this decision, we will check to see if the medical care you paid for is covered. We will also check to see if you followed all the rules for using your coverage for medical care.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- **If we say yes to your request:** If the medical care is covered and you followed all the rules, we will send you the payment for our share of the cost typically within 30 calendar days, but no later than 60 calendar days after we receive your request. If you haven't paid for the medical care, we will send the payment directly to the provider.
- **If we say no to your request:** If the medical care is *not* covered, or you did *not* follow all the rules, we will not send payment. Instead, we will send you a letter that says we will not pay for the medical care and the reasons why.

If you do not agree with our decision to turn you down, **you can make an appeal**. If you make an appeal, it means you are asking us to change the coverage decision we made when we turned down your request for payment.

To make this appeal, follow the process for appeals that we describe in Section 5.3. For appeals concerning reimbursement, please note:

- We must give you our answer within 60 calendar days after we receive your appeal. If you are asking us to pay you back for medical care you have already received and paid for, you are not allowed to ask for a fast appeal.
- If the independent review organization decides we should pay, we must send you or the provider the payment within 30 calendar days. If the answer to your appeal is yes at any stage of the appeals process after Level 2, we must send the payment you requested to you or to the provider within 60 calendar days.

SECTION 6 Your Part D prescription drugs: How to ask for a coverage decision or make an appeal

Section 6.1	This section tells you what to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug
-------------	--

Your benefits include coverage for many prescription drugs. To be covered, the drug must be used for a medically accepted indication. (See Chapter 5 for more information about a medically accepted indication.) For details about Part D drugs, rules, restrictions, and costs please see Chapters 5 and 6. **This section is about your Part D drugs only.** To keep things simple, we generally say *drug* in the rest of this section, instead of repeating *covered outpatient prescription drug* or *Part D drug* every time. We also use the term Drug list instead of *List of Covered Drugs* or *Formulary*.

- If you do not know if a drug is covered or if you meet the rules, you can ask us. Some drugs require that you get approval from us before we will cover it.
- If your pharmacy tells you that your prescription cannot be filled as written, the pharmacy will give you a written notice explaining how to contact us to ask for a coverage decision.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Part D coverage decisions and appeals

Legal Term
An initial coverage decision about your Part D drugs is called a coverage determination .

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your drugs. This section tells what you can do if you are in any of the following situations:

- Asking to cover a Part D drug that is not on the plan's *List of Covered Drugs*. **Ask for an exception. Section 6.2.**
- Asking to waive a restriction on the plan's coverage for a drug (such as limits on the amount of the drug you can get, prior authorization, or the requirement to try another drug first). **Ask for an exception. Section 6.2.**
- Asking to pay a lower cost-sharing amount for a covered drug on a higher cost-sharing tier. **Ask for an exception. Section 6.2.**
- Asking to get pre-approval for a drug. **Ask for a coverage decision. Section 6.4.**
- Pay for a prescription drug you already bought. **Ask us to pay you back. Section 6.4.**

If you disagree with a coverage decision we have made, you can appeal our decision.

This section tells you both how to ask for coverage decisions and how to request an appeal.

Section 6.2 What is an exception?

Legal Terms
Asking for coverage of a drug that is not on the Drug List is sometimes called asking for a formulary exception .
Asking for removal of a restriction on coverage for a drug is sometimes called asking for a formulary exception .
Asking to pay a lower price for a covered non-preferred drug is sometimes called asking for a tiering exception .

If a drug is not covered in the way you would like it to be covered, you can ask us to make an **exception**. An exception is a type of coverage decision.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

For us to consider your exception request, your doctor or other prescriber will need to explain the medical reasons why you need the exception approved. Here are three examples of exceptions that you or your doctor or other prescriber can ask us to make:

- 1. Covering a Part D drug for you that is not on our Drug List.** If we agree to cover a drug not on the Drug List, you will need to pay the cost-sharing amount that applies to drugs in Tier 4. You cannot ask for an exception to the cost-sharing amount we require you to pay for the drug.
- 2. Removing a restriction for a covered drug.** Chapter 5 describes the extra rules or restrictions that apply to certain drugs on our Drug List. If we agree to make an exception and waive a restriction for you, you can ask for an exception to the cost-sharing amount we require you to pay for the drug.
- 3. Changing coverage of a drug to a lower cost-sharing tier.** Every drug on our Drug List is in one of five cost-sharing tiers. In general, the lower the cost-sharing tier number, the less you will pay as your share of the cost of the drug.
 - If our Drug List contains alternative drug(s) for treating your medical condition that are in a lower cost-sharing tier than your drug, you can ask us to cover your drug at the cost-sharing amount that applies to the alternative drug(s).
 - If the drug you're taking is a biological product, you can ask us to cover your drug at a lower cost-sharing. This would be the lowest tier that contains biological product alternatives for treating your condition.
 - If the drug you're taking is a brand name drug, you can ask us to cover your drug at the cost-sharing amount that applies to the lowest tier that contains brand name alternatives for treating your condition.
 - If the drug you're taking is a generic drug, you can ask us to cover your drug at the cost-sharing amount that applies to the lowest tier that contains either brand or generic alternatives for treating your condition.
 - You cannot ask us to change the cost-sharing tier for any drug in Tier 5, Specialty Drugs.
 - If we approve your tiering exception request and there is more than one lower cost-sharing tier with alternative drugs you can't take, you will usually pay the lowest amount.

Section 6.3	Important things to know about asking for exceptions
--------------------	---

Your doctor must tell us the medical reasons

Your doctor or other prescriber must give us a statement that explains the medical reasons for requesting an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Typically, our Drug List includes more than one drug for treating a particular condition. These different possibilities are called **alternative** drugs. If an alternative drug would be just as effective as the drug you are requesting and would not cause more side effects or other health problems, we will generally *not* approve your request for an exception. If you ask us for a tiering exception, we will generally *not* approve your request for an exception unless all the alternative drugs in the lower cost-sharing tier(s) won't work as well for you or are likely to cause an adverse reaction or other harm.

We can say yes or no to your request

- If we approve your request for an exception, our approval usually is valid until the end of the plan year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say no to your request, you can ask for another review by making an appeal.

Section 6.4	Step-by-step: How to ask for a coverage decision, including an exception
--------------------	---

Legal Term
A fast coverage decision is called an expedited coverage determination .

Step 1: Decide if you need a standard coverage decision or a fast coverage decision.

Standard coverage decisions are made within **72 hours** after we receive your doctor's statement. **Fast coverage decisions** are made within **24 hours** after we receive your doctor's statement.

If your health requires it, ask us to give you a fast coverage decision. To get a fast coverage decision, you must meet two requirements:

- You must be asking for a drug you have not yet received. (You cannot ask for fast coverage decision to be paid back for a drug you have already bought.)
- Using the standard deadlines could cause serious harm to your health or hurt your ability to function.
- **If your doctor or other prescriber tells us that your health requires a fast coverage decision, we will automatically give you a fast coverage decision.**
- **If you ask for a fast coverage decision on your own, without your doctor or prescriber's support, we will decide whether your health requires that we give you a fast coverage decision.** If we do not approve a fast coverage decision, we will send you a letter that:
 - Explains that we will use the standard deadlines.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- Explains if your doctor or other prescriber asks for the fast coverage decision, we will automatically give you a fast coverage decision.
- Tells you how you can file a fast complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you requested. We will answer your complaint within 24 hours of receipt.

Step 2: Request a standard coverage decision or a fast coverage decision.

Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You can also access the coverage decision process through our website. We must accept any written request, including a request submitted on the *CMS Model Coverage Determination Request Form*, which is available on our website www.ProvidenceHealthAssurance.com. Chapter 2 has contact information. You, your prescriber, or member representative may ask for a coverage decision via secure email through the Providence Health Assurance website at www.ProvidenceHealthAssurance.com. To assist us in processing your request, please be sure to include your name, contact information, and information identifying which denied claim is being appealed.

You, your doctor (or another prescriber), or your representative can do this. You can also have a lawyer act on your behalf. Section 4 of this chapter tells how you can give written permission to someone else to act as your representative.

- **If you are requesting an exception, provide the supporting statement** which is the medical reasons for the exception. Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone and follow up by faxing or mailing a written statement if necessary.

Step 3: We consider your request and give you our answer.***Deadlines for a fast coverage decision***

- We must generally give you our answer **within 24 hours** after we receive your request.
 - For exceptions, we will give you our answer within 24 hours after we receive your doctor's supporting statement. We will give you our answer sooner if your health requires us to.
 - If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you requested**, we must provide the coverage we have agreed to provide within 24 hours after we receive your request or doctor's statement supporting your request.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no. We will also tell you how you can appeal.

Deadlines for a standard coverage decision about a drug you have not yet received

- We must generally give you our answer **within 72 hours** after we receive your request.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- For exceptions, we will give you our answer within 72 hours after we receive your doctor's supporting statement. We will give you our answer sooner if your health requires us to.
- If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you requested, we must provide the coverage we have agreed to provide within 72 hours** after we receive your request or doctor's statement supporting your request.
- **If our answer is no to part or all of what you requested, we will send you a written statement that explains why we said no. We will also tell you how you can appeal.**

Deadlines for a standard coverage decision about payment for a drug you have already bought

- We must give you our answer **within 14 calendar days** after we receive your request.
 - If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you requested, we are also required to make payment to you within 14 calendar days** after we receive your request.
- **If our answer is no to part or all of what you requested, we will send you a written statement that explains why we said no. We will also tell you how you can appeal.**

Step 4: If we say no to your coverage request, you can make an appeal.

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the drug coverage you want. If you make an appeal, it means you are going on to Level 1 of the appeals process.

Section 6.5	Step-by-step: How to make a Level 1 appeal
--------------------	---

Legal Terms
An appeal to the plan about a Part D drug coverage decision is called a plan redetermination. A fast appeal is also called an expedited redetermination.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)**Step 1: Decide if you need a standard appeal or a fast appeal.**

A standard appeal is usually made within 7 calendar days. A fast appeal is generally made within 72 hours. If your health requires it, ask for a fast appeal.

- If you are appealing a decision we made about a drug you have not yet received, you and your doctor or other prescriber will need to decide if you need a fast appeal.
- The requirements for getting a fast appeal are the same as those for getting a fast coverage decision in Section 6.4 of this chapter.

Step 2: You, your representative, doctor or other prescriber must contact us and make your Level 1 appeal. If your health requires a quick response, you must ask for a fast appeal.

- **For standard appeals, submit a written request.** Chapter 2 has contact information.
- **For fast appeals either submit your appeal in writing or call us at 503-574-8000.** Chapter 2 has contact information.
- **We must accept any written request**, including a request submitted on the *CMS Model Redetermination Request Form*, which is available on our website www.providencehealthplan.com/-/media/providence/website/pdfs/medicare/redetermination-request.pdf. Please be sure to include your name, contact information, and information regarding your claim to assist us in processing your request.
- **You, your prescriber, or member representative may ask for a redetermination (appeal)** via secure email by completing the Providence Medicare Advantage Plans redetermination form. You can find this on our website as listed in Chapter 2, www.ProvidenceHealthAssurance.com.
- **You must make your appeal request within 65 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for requesting an appeal.
- **You can ask for a copy of the information in your appeal and add more information.** You and your doctor may add more information to support your appeal.

Step 3: We consider your appeal, and we give you our answer.

- When we are reviewing your appeal, we take another careful look at all of the information about your coverage request. We check to see if we were following all the rules when we said no to your request. We may contact you or your doctor or other prescriber to get more information.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)***Deadlines for a fast appeal***

- For fast appeals, we must give you our answer **within 72 hours after we receive your appeal**. We will give you our answer sooner if your health requires us to.
 - If we do not give you an answer within 72 hours, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 6.6 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you requested**, we must provide the coverage we have agreed to provide within 72 hours after we receive your appeal.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no and how you can appeal our decision.

Deadlines for a standard appeal for a drug you have not yet received

- For standard appeals, we must give you our answer **within 7 calendar days** after we receive your appeal. We will give you our decision sooner if you have not received the drug yet and your health condition requires us to do so.
 - If we do not give you a decision within 7 calendar days, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 6.6 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you requested**, we must provide the coverage as quickly as your health requires, but no later than **7 calendar days** after we receive your appeal.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no and how you can appeal our decision.

Deadlines for a standard appeal about payment for a drug you have already bought

- We must give you our answer **within 14 calendar days** after we receive your request.
 - If we do not meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you requested**, we are also required to make payment to you within **30 calendar days** after we receive your request.
- **If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no. We will also tell you how you can appeal.

Step 4: If we say no to your appeal, you decide if you want to continue with the appeals process and make *another* appeal.

- If you decide to make another appeal, it means your appeal is going on to Level 2 of the appeals process.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Section 6.6 Step-by-step: How to make a Level 2 appeal

Legal Term

The formal name for the independent review organization is the **Independent Review Entity**. It is sometimes called the **IRE**.

The independent review organization is an independent organization hired by Medicare. It is not connected with us and is not a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

Step 1: You (or your representative or your doctor or other prescriber) must contact the independent review organization and ask for a review of your case.

- If we say no to your Level 1 appeal, the written notice we send you will include **instructions on how to make a Level 2 appeal** with the independent review organization. These instructions will tell who can make this Level 2 appeal, what deadlines you must follow, and how to reach the review organization. If, however, we did not complete our review within the applicable timeframe, or make an unfavorable decision regarding **at-risk** determination under our drug management program, we will automatically forward your claim to the IRE.
- We will send the information about your appeal to this organization. This information is called your **case file**. **You have the right to ask us for a copy of your case file.**
- You have a right to give the independent review organization additional information to support your appeal.

Step 2: The independent review organization reviews your appeal.

Reviewers at the independent review organization will take a careful look at all of the information related to your appeal.

Deadlines for fast appeal

- If your health requires it, ask the independent review organization for a fast appeal.
- If the organization agrees to give you a fast appeal, the organization must give you an answer to your Level 2 appeal **within 72 hours** after it receives your appeal request.

Deadlines for standard appeal

- For standard appeals, the review organization must give you an answer to your Level 2 appeal **within 7 calendar days** after it receives your appeal if it is for a drug you have not yet received. If you are requesting that we pay you back for a drug you have already bought, the review organization must give you an answer to your Level 2 appeal **within 14 calendar days** after it receives your request.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)**Step 3: The independent review organization gives you their answer.*****For fast appeals:***

- If the independent review organization says yes to part or all of what you requested, we must provide the drug coverage that was approved by the review organization **within 24 hours** after we receive the decision from the review organization.

For standard appeals:

- If the independent review organization says yes to part or all of your request for coverage, we must **provide the drug coverage** that was approved by the review organization **within 72 hours** after we receive the decision from the review organization.
- If the independent review organization says yes to part or all of your request to pay you back for a drug you already bought, we are required to **send payment to you within 30 calendar days** after we receive the decision from the review organization.

What if the review organization says no to your appeal?

If this organization says no to **part or all of** your appeal, it means they agree with our decision not to approve your request (or part of your request). (This is called **upholding the decision**. It is also called **turning down your appeal**.) In this case, the independent review organization will send you a letter:

- Explaining its decision.
- Notifying you of the right to a Level 3 appeal if the dollar value of the drug coverage you are requesting meets a certain minimum. If the dollar value of the drug coverage you are requesting is too low, you cannot make another appeal and the decision at Level 2 is final.
- Telling you the dollar value that must be in dispute to continue with the appeals process.

Step 4: If your case meets the requirements, you choose whether you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal).
- If you want to go on to Level 3 appeal the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 9 in this chapter talks more about Levels 3, 4, and 5 of the appeals process.

SECTION 7 How to ask us to cover a longer inpatient hospital stay if you think you are being discharged too soon

When you are admitted to a hospital, you have the right to get all of your covered hospital services that are necessary to diagnose and treat your illness or injury.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

During your covered hospital stay, your doctor and the hospital staff will be working with you to prepare for the day when you will leave the hospital. They will help arrange for care you may need after you leave.

- The day you leave the hospital is called your **discharge date**.
- When your discharge date is decided, your doctor or the hospital staff will tell you.
- If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay and your request will be considered.

Section 7.1	During your inpatient hospital stay, you will get a written notice from Medicare that tells about your rights
--------------------	--

Within two calendar days of being admitted to the hospital, you will be given a written notice called *An Important Message from Medicare about Your Rights*. Everyone with Medicare gets a copy of this notice. If you do not get the notice from someone at the hospital (for example, a caseworker or nurse), ask any hospital employee for it. If you need help, please call Customer Service or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY 1-877-486-2048).

1. **Read this notice carefully and ask questions if you don't understand it.** It tells you:
 - Your right to receive Medicare-covered services during and after your hospital stay, as ordered by your doctor. This includes the right to know what these services are, who will pay for them, and where you can get them.
 - Your right to be involved in any decisions about your hospital stay.
 - Where to report any concerns you have about quality of your hospital care.
 - Your right to **request an immediate review** of the decision to discharge you if you think you are being discharged from the hospital too soon. This is a formal, legal way to ask for a delay in your discharge date so that we will cover your hospital care for a longer time.
2. **You will be asked to sign the written notice to show that you received it and understand your rights.**
 - You or someone who is acting on your behalf will be asked to sign the notice.
 - Signing the notice shows *only* that you have received the information about your rights. The notice does not give your discharge date. Signing the notice **does not mean** you are agreeing on a discharge date.
3. **Keep your copy** of the notice handy so you will have the information about making an appeal (or reporting a concern about quality of care) if you need it.
 - If you sign the notice more than two calendar days before your discharge date, you will get another copy before you are scheduled to be discharged.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- To look at a copy of this notice in advance, you can call Customer Service or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. You can also see the notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeappealNotices.

Section 7.2 Step-by-step: How to make a Level 1 appeal to change your hospital discharge date

If you want to ask for your inpatient hospital services to be covered by us for a longer time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.**
- **Meet the deadlines.**
- **Ask for help if you need it.** If you have questions or need help at any time, please call Customer Service. Or call your State Health Insurance Assistance Program, a government organization that provides personalized assistance.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It checks to see if your planned discharge date is medically appropriate for you.

The **Quality Improvement Organization** is a group of doctors and other health care professionals paid by the Federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing hospital discharge dates for people with Medicare. These experts are not part of our plan.

Step 1: Contact the Quality Improvement Organization for your state and ask for an immediate review of your hospital discharge. You must act quickly.

How can you contact this organization?

- The written notice you received (*An Important Message from Medicare About Your Rights*) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

Act quickly:

- To make your appeal, you must contact the Quality Improvement Organization *before* you leave the hospital and **no later than midnight the day of your discharge**.
 - **If you meet this deadline**, you may stay in the hospital *after* your discharge date *without paying for it* while you wait to get the decision from the Quality Improvement Organization.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- **If you do *not* meet this deadline**, contact us. If you decide to stay in the hospital after your planned discharge date, *you may have to pay all of the costs* for hospital care you receive after your planned discharge date.

Once you request an immediate review of your hospital discharge the Quality Improvement Organization will contact us. By noon of the day after we are contacted we will give you a **Detailed Notice of Discharge**. This notice gives your planned discharge date and explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

You can get a sample of the **Detailed Notice of Discharge** by calling Customer Service or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. (TTY users should call 1-877-486-2048.) Or you can see a sample notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.

Step 2: The Quality Improvement Organization conducts an independent review of your case.

- Health professionals at the Quality Improvement Organization (the *reviewers*) will ask you (or your representative) why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you may do so if you wish.
- The reviewers will also look at your medical information, talk with your doctor, and review information that the hospital and we have given to them.
- By noon of the day after the reviewers told us of your appeal, you will get a written notice from us that gives your planned discharge date. This notice also explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

Step 3: Within one full day after it has all the needed information, the Quality Improvement Organization will give you its answer to your appeal.***What happens if the answer is yes?***

- If the review organization says *yes*, **we must keep providing your covered inpatient hospital services for as long as these services are medically necessary**.
- You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered hospital services.

What happens if the answer is no?

- If the review organization says *no*, they are saying that your planned discharge date is medically appropriate. If this happens, **our coverage for your inpatient hospital services will end** at noon on the day *after* the Quality Improvement Organization gives you its answer to your appeal.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If the review organization says *no* to your appeal and you decide to stay in the hospital, then **you may have to pay the full cost** of hospital care you receive after noon on the day after the Quality Improvement Organization gives you its answer to your appeal.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

- If the Quality Improvement Organization has said *no* to your appeal, *and* you stay in the hospital after your planned discharge date, then you can make another appeal. Making another appeal means you are going on to **Level 2** of the appeals process.

Section 7.3	Step-by-step: How to make a Level 2 appeal to change your hospital discharge date
--------------------	--

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at their decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your stay after your planned discharge date.

Step 1: Contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review **within 60 calendar days** after the day the Quality Improvement Organization said *no* to your Level 1 appeal. You can ask for this review only if you stay in the hospital after the date that your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

Step 3: Within 14 calendar days of receipt of your request for a Level 2 appeal, the reviewers will decide on your appeal and tell you their decision.***If the review organization says yes:***

- **We must reimburse you** for our share of the costs of hospital care you have received since noon on the day after the date your first appeal was turned down by the Quality Improvement Organization. **We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.**
- You must continue to pay your share of the costs and coverage limitations may apply.

If the review organization says no:

- It means they agree with the decision they made on your Level 1 appeal. This is called upholding the decision.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- The notice you get will tell you in writing what you can do if you wish to continue with the review process.

Step 4: If the answer is no, you will need to decide whether you want to take your appeal further by going on to Level 3.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 9 in this chapter talks more about Levels 3, 4, and 5 of the appeals process.

SECTION 8 How to ask us to keep covering certain medical services if you think your coverage is ending too soon

Section 8.1	<i>This section is only about three services: Home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services</i>
--------------------	--

When you are getting covered **home health services, skilled nursing care, or rehabilitation care (Comprehensive Outpatient Rehabilitation Facility)**, you have the right to keep getting your services for that type of care for as long as the care is needed to diagnose and treat your illness or injury.

When we decide it is time to stop covering any of the three types of care for you, we are required to tell you in advance. When your coverage for that care ends, *we will stop paying our share of the cost for your care.*

If you think we are ending the coverage of your care too soon, **you can appeal our decision.** This section tells you how to ask for an appeal.

Section 8.2	We will tell you in advance when your coverage will be ending
--------------------	--

Legal Term

Notice of Medicare Non-Coverage. It tells you how you can request a fast-track appeal. Requesting a fast-track appeal is a formal, legal way to request a change to our coverage decision about when to stop your care.
--

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

1. **You receive a notice in writing** at least two calendar days before our plan is going to stop covering your care. The notice tells you:
 - The date when we will stop covering the care for you.
 - How to request a fast track appeal to request us to keep covering your care for a longer period of time.
2. **You, or someone who is acting on your behalf, will be asked to sign the written notice to show that you received it.** Signing the notice shows *only* that you have received the information about when your coverage will stop. **Signing it does not mean you agree** with the plan's decision to stop care.

Section 8.3 Step-by-step: How to make a Level 1 appeal to have our plan cover your care for a longer time

If you want to ask us to cover your care for a longer period of time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process.**
- **Meet the deadlines.**
- **Ask for help if you need it.** If you have questions or need help at any time, please call Customer Service. Or call your State Health Insurance Assistance Program, a government organization that provides personalized assistance.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It decides if the end date for your care is medically appropriate.

The **Quality Improvement Organization** is a group of doctors and other health care experts paid by the Federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing plan decisions about when it's time to stop covering certain kinds of medical care. These experts are not part of our plan.

Step 1: Make your Level 1 appeal: contact the Quality Improvement Organization and ask for a *fast-track appeal*. You must act quickly.

How can you contact this organization?

- The written notice you received (*Notice of Medicare Non-Coverage*) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

Act quickly:

- You must contact the Quality Improvement Organization to start your appeal **by noon of the day before the effective date** on the *Notice of Medicare Non-Coverage*.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If you miss the deadline, and you wish to file an appeal, you still have appeal rights. Contact your Quality Improvement Organization.

Step 2: The Quality Improvement Organization conducts an independent review of your case.

Legal Term
Detailed Explanation of Non-Coverage. Notice that provides details on reasons for ending coverage.

What happens during this review?

- Health professionals at the Quality Improvement Organization (the reviewers) will ask you, or your representative, why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you may do so if you wish.
- The review organization will also look at your medical information, talk with your doctor, and review information that our plan has given to them.
- By the end of the day the reviewers tell us of your appeal, you will get the **Detailed Explanation of Non-Coverage** from us that explains in detail our reasons for ending our coverage for your services.

Step 3: Within one full day after they have all the information they need; the reviewers will tell you their decision.

What happens if the reviewers say yes?

- If the reviewers say *yes* to your appeal, then **we must keep providing your covered services for as long as it is medically necessary.**
- You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). There may be limitations on your covered services.

What happens if the reviewers say no?

- If the reviewers say *no*, then **your coverage will end on the date we have told you.**
- If you decide to keep getting the home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* this date when your coverage ends, then **you will have to pay the full cost** of this care yourself.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

- If reviewers say *no* to your Level 1 appeal – and you choose to continue getting care after your coverage for the care has ended – then you can make a Level 2 appeal.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)**Section 8.4 Step-by-step: How to make a Level 2 appeal to have our plan cover your care for a longer time**

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at the decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end.

Step 1: Contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review **within 60 calendar days** after the day when the Quality Improvement Organization said *no* to your Level 1 appeal. You can ask for this review only if you continued getting care after the date that your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

Step 3: Within 14 calendar days of receipt of your appeal request, reviewers will decide on your appeal and tell you their decision.***What happens if the review organization says yes?***

- **We must reimburse you** for our share of the costs of care you have received since the date when we said your coverage would end. **We must continue providing coverage** for the care for as long as it is medically necessary.
- You must continue to pay your share of the costs and there may be coverage limitations that apply.

What happens if the review organization says no?

- It means they agree with the decision made to your Level 1 appeal.
- The notice you get will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by an Administrative Law Judge or attorney adjudicator.

Step 4: If the answer is no, you will need to decide whether you want to take your appeal further.

- There are three additional levels of appeal after Level 2, for a total of five levels of appeal. If you want to go on to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 9 in this chapter talks more about Levels 3, 4, and 5 of the appeals process.

SECTION 9 Taking your appeal to Level 3 and beyond

Section 9.1 Appeal Levels 3, 4 and 5 for Medical Service Requests

This section may be appropriate for you if you have made a Level 1 appeal and a Level 2 appeal, and both of your appeals have been turned down.

If the dollar value of the item or medical service you have appealed meets certain minimum levels, you may be able to go on to additional levels of appeal. If the dollar value is less than the minimum level, you cannot appeal any further. The written response you receive to your Level 2 appeal will explain how to make a Level 3 appeal.

For most situations that involve appeals, the last three levels of appeal work in much the same way. Here is who handles the review of your appeal at each of these levels.

Level 3 appeal An Administrative Law Judge or an attorney adjudicator who works for the Federal government will review your appeal and give you an answer.

- **If the Administrative Law Judge or attorney adjudicator says yes to your appeal, the appeals process *may or may not* be over.** Unlike a decision at a Level 2 appeal, we have the right to appeal a Level 3 decision that is favorable to you. If we decide to appeal it will go to a Level 4 appeal.
 - If we decide *not* to appeal, we must authorize or provide you with the medical care within 60 calendar days after receiving the Administrative Law Judge's or attorney adjudicator's decision.
 - If we decide to appeal the decision, we will send you a copy of the Level 4 appeal request with any accompanying documents. We may wait for the Level 4 appeal decision before authorizing or providing the medical care in dispute.
- **If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process *may or may not* be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you do not want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Level 4 appeal The **Medicare Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the Federal government.

- **If the answer is yes, or if the Council denies our request to review a favorable Level 3 appeal decision, the appeals process *may* or *may not* be over.** Unlike a decision at Level 2, we have the right to appeal a Level 4 decision that is favorable to you. We will decide whether to appeal this decision to Level 5.
 - If we decide *not* to appeal the decision, we must authorize or provide you with the medical care within 60 calendar days after receiving the Council's decision.
 - If we decide to appeal the decision, we will let you know in writing.
- **If the answer is no or if the Council denies the review request, the appeals process *may* or *may not* be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you do not want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal, the notice you get will tell you whether the rules allow you to go on to a Level 5 appeal and how to continue with a Level 5 appeal.

Level 5 appeal A judge at the **Federal District Court** will review your appeal.

- A judge will review all of the information and decide *yes* or *no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

Section 9.2 Appeal Levels 3, 4 and 5 for Part D Drug Requests

This section may be appropriate for you if you have made a Level 1 appeal and a Level 2 appeal, and both of your appeals have been turned down.

If the value of the drug you have appealed meets a certain dollar amount, you may be able to go on to additional levels of appeal. If the dollar amount is less, you cannot appeal any further. The written response you receive to your Level 2 appeal will explain who to contact and what to do to ask for a Level 3 appeal.

For most situations that involve appeals, the last three levels of appeal work in much the same way. Here is who handles the review of your appeal at each of these levels.

Level 3 appeal An **Administrative Law Judge** or an **attorney adjudicator who works for the Federal government** will review your appeal and give you an answer.

- **If the answer is yes, the appeals process is over.** We must **authorize or provide the drug coverage** that was approved by the Administrative Law Judge or attorney

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

adjudicator **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we receive the decision.

- **If the answer is no, the appeals process *may* or *may not* be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you do not want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

Level 4 appeal The **Medicare Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the Federal government.

- **If the answer is yes, the appeals process is over.** We must **authorize or provide the drug coverage** that was approved by the Council **within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days** after we receive the decision.
- **If the answer is no, the appeals process *may* or *may not* be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you do not want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal or denies your request to review the appeal, the notice will tell you whether the rules allow you to go on to Level 5 appeal. It will also tell you who to contact and what to do next if you choose to continue with your appeal.

Level 5 appeal A judge at the **Federal District Court** will review your appeal.

- A judge will review all of the information and decide *yes* or *no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

MAKING COMPLAINTS

SECTION 10 How to make a complaint about quality of care, waiting times, customer service, or other concerns

Section 10.1	What kinds of problems are handled by the complaint process?
---------------------	---

The complaint process is *only* used for certain types of problems. This includes problems related to quality of care, waiting times, and the customer service. Here are examples of the kinds of problems handled by the complaint process.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Complaint	Example
Quality of your medical care	Are you unhappy with the quality of the care you have received (including care in the hospital)?
Respecting your privacy	Did someone not respect your right to privacy or shared confidential information?
Disrespect, poor customer service, or other negative behaviors	- Has someone been rude or disrespectful to you? - Are you unhappy with our Customer Service? - Do you feel you are being encouraged to leave the plan?
Waiting times	- Are you having trouble getting an appointment, or waiting too long to get it? - Have you been kept waiting too long by doctors, pharmacists, or other health professionals? Or by our Customer Service or other staff at the plan? - Examples include waiting too long on the phone, in the waiting or exam room, or getting a prescription.
Cleanliness	Are you unhappy with the cleanliness or condition of a clinic, hospital, or doctor's office?
Information you get from us	- Did we fail to give you a required notice? - Is our written information hard to understand?
Timeliness (These types of complaints are all related to the timeliness of our actions related to coverage decisions and appeals)	If you have asked for a coverage decision or made an appeal, and you think that we are not responding quickly enough, you can make a complaint about our slowness. Here are examples: - You asked us for a <i>fast coverage decision</i> or a <i>fast appeal</i>, and we have said no; you can make a complaint. - You believe we are not meeting the deadlines for coverage decisions or appeals: you can make a complaint. - You believe we are not meeting deadlines for covering or reimbursing you for certain medical items or services or drugs that were approved; you can make a complaint. - You believe we failed to meet required deadlines for forwarding your case to the independent review organization; you can make a complaint.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Section 10.2 How to make a complaint

Legal Terms

- A **Complaint** is also called a **grievance**.
- **Making a complaint** is also called **filing a grievance**.
- **Using the process for complaints** is also called **using the process for filing a grievance**.
- A **fast complaint** is also called an **expedited grievance**.

Section 10.3 Step-by-step: Making a complaint

Step 1: Contact us promptly – either by phone or in writing.

- **Usually, calling Customer Service is the first step.** If there is anything else you need to do, Customer Service will let you know.
- **If you do not wish to call (or you called and were not satisfied), you can put your complaint in writing and send it to us.** If you put your complaint in writing, we will respond to your complaint in writing.
- If you have a complaint, you or your appointed representative may call 503-574-8000 or 1-800-603-2340 (TTY: 711). You may also send your complaint in writing to the Appeals and Grievances Department at the following address: Providence Health Assurance, Attn: Appeals and Grievances Department, P.O. Box 4158, Portland, OR 97208-4158.
- The **deadline** for making a complaint is 60 calendar days from the time you had the problem you want to complain about.

Step 2: We look into your complaint and give you our answer.

- **If possible, we will answer you right away.** If you call us with a complaint, we may be able to give you an answer on the same phone call.
- **Most complaints are answered within 30 calendar days.** If we need more information and the delay is in your best interest or if you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your complaint. If we decide to take extra days, we will tell you in writing.
- **If you are making a complaint because we denied your request for a fast coverage decision or a fast appeal, we will automatically give you a fast complaint.** If you have a fast complaint, it means we will give you **an answer within 24 hours**.
- **If we do not agree** with some or all of your complaint or don't take responsibility for the problem you are complaining about, we will include our reasons in our response to you.

Chapter 9 What to do if you have a problem or complaint (coverage decisions, appeals, complaints)**Section 10.4 You can also make complaints about quality of care to the Quality Improvement Organization**

When your complaint is about *quality of care*, you also have two extra options:

- **You can make your complaint directly to the Quality Improvement Organization.** The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the Federal government to check and improve the care given to Medicare patients. Chapter 2 has contact information.

Or

- **You can make your complaint to both the Quality Improvement Organization and us at the same time.**

Section 10.5 You can also tell Medicare about your complaint

You can submit a complaint about Providence Medicare Extra + Rx (HMO) directly to Medicare. To submit a complaint to Medicare, go to www.medicare.gov/MedicareComplaintForm/home.aspx. You may also call 1-800-MEDICARE (1-800-633-4227). TTY/TDD users can call 1-877-486-2048.

CHAPTER 10:

Ending your membership in the plan

SECTION 1 Introduction to ending your membership in our plan

Ending your membership in Providence Medicare Extra + Rx (HMO) may be **voluntary** (your own choice) or **involuntary** (not your own choice):

- You might leave our plan because you have decided that you *want* to leave. Sections 2 and 3 provide information on ending your membership voluntarily.
- There are also limited situations where we are required to end your membership. Section 5 tells you about situations when we must end your membership.

If you are leaving our plan, our plan must continue to provide your medical care and prescription drugs and you will continue to pay your cost share until your membership ends.

SECTION 2 When can you end your membership in our plan?

Section 2.1	You can end your membership during the Annual Enrollment Period
--------------------	--

You can end your membership in our plan during the **Annual Enrollment Period** (also known as the **Annual Open Enrollment Period**). During this time, review your health and drug coverage and decide about coverage for the upcoming year.

- **The Annual Enrollment Period** is from **October 15 to December 7**.
- **Choose to keep your current coverage or make changes to your coverage for the upcoming year.** If you decide to change to a new plan, you can choose any of the following types of plans:
 - Another Medicare health plan, with or without prescription drug coverage.
 - Original Medicare *with* a separate Medicare prescription drug plan.
 - – *or* – Original Medicare *without* a separate Medicare prescription drug plan.
 - If you choose this option, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.

Note: If you disenroll from Medicare prescription drug coverage and go without creditable prescription drug coverage for 63 or more days in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

- **Your membership will end in our plan** when your new plan's coverage begins on January 1.

Section 2.2	You can end your membership during the Medicare Advantage Open Enrollment Period
--------------------	---

You have the opportunity to make *one* change to your health coverage during the **Medicare Advantage Open Enrollment Period**.

- **The annual Medicare Advantage Open Enrollment Period** is from January 1 to March 31 and also for new Medicare beneficiaries who are enrolled in an MA plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement.
- **During the annual Medicare Advantage Open Enrollment Period** you can:
 - Switch to another Medicare Advantage Plan with or without prescription drug coverage.
 - Disenroll from our plan and obtain coverage through Original Medicare. If you choose to switch to Original Medicare during this period, you can also join a separate Medicare prescription drug plan at that time.
- **Your membership will end** on the first day of the month after you enroll in a different Medicare Advantage plan or we get your request to switch to Original Medicare. If you also choose to enroll in a Medicare prescription drug plan, your membership in the drug plan will begin the first day of the month after the drug plan gets your enrollment request.

Section 2.3	In certain situations, you can end your membership during a Special Enrollment Period
--------------------	--

In certain situations, members of Providence Medicare Extra + Rx (HMO) may be eligible to end their membership at other times of the year. This is known as a **Special Enrollment Period**.

You may be eligible to end your membership during a Special Enrollment Period if any of the following situations apply to you. These are just examples, for the full list, you can contact the plan, call Medicare, or visit the Medicare website (www.medicare.gov):

- Usually, when you have moved.
- If you have Medicaid (Oregon Health Plan or Washington Apple Health).
- If you are eligible for “Extra Help” with paying for your Medicare prescriptions.
- If we violate our contract with you.
- If you are getting care in an institution, such as a nursing home or long-term care (LTC) hospital.
- If you enroll in the Program of All-inclusive Care for the Elderly (PACE).
- **Note:** If you’re in a drug management program, you may not be able to change plans. Chapter 5, Section 10 tells you more about drug management programs.

The enrollment time periods vary depending on your situation.

To find out if you are eligible for a Special Enrollment Period, please call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048. If you are eligible to end your membership because of a special situation, you can choose to change both your Medicare health coverage and prescription drug coverage. You can choose:

- Another Medicare health plan with or without prescription drug coverage,
- Original Medicare *with* a separate Medicare prescription drug plan,
- – *or* – Original Medicare *without* a separate Medicare prescription drug plan.

Note: If you disenroll from Medicare prescription drug coverage and go without creditable prescription drug coverage for 63 days or more in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

Your membership will usually end on the first day of the month after your request to change your plan is received.

If you receive “Extra Help” from Medicare to pay for your prescription drugs: If you switch to Original Medicare and do not enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.

Section 2.4	Where can you get more information about when you can end your membership?
--------------------	---

If you have any questions about ending your membership, you can:

- **Call Customer Service.**
- Find the information in the *Medicare & You 2025* handbook.
- Contact **Medicare** at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY 1-877-486-2048).

SECTION 3	How do you end your membership in our plan?
------------------	--

The table below explains how you should end your membership in our plan.

If you would like to switch from our plan to:	This is what you should do:
• Another Medicare health plan.	• Enroll in the new Medicare health plan. • You will automatically be disenrolled from Providence Medicare Extra + Rx (HMO) when your new plan’s coverage begins.

If you would like to switch from our plan to:	This is what you should do:
• Original Medicare <i>with</i> a separate Medicare prescription drug plan.	• Enroll in the new Medicare prescription drug plan. • You will automatically be disenrolled from Providence Medicare Extra + Rx (HMO) when your new plan's coverage begins.
• Original Medicare <i>without</i> a separate Medicare prescription drug plan.	• Send us a written request to disenroll. Contact Customer Service if you need more information on how to do this. • You can also contact Medicare, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048. • You will be disenrolled from Providence Medicare Extra + Rx (HMO) when your coverage in Original Medicare begins.

SECTION 4 Until your membership ends, you must keep getting your medical items, services and drugs through our plan

Until your membership ends, and your new Medicare coverage begins, you must continue to get your medical services, items and prescription drugs through our plan.

- **Continue to use our network providers to receive medical care.**
- **Continue to use our network pharmacies *or mail order* to get your prescriptions filled.**
- **If you are hospitalized on the day that your membership ends, your hospital stay will be covered by our plan until you are discharged** (even if you are discharged after your new health coverage begins).

SECTION 5 Providence Medicare Extra + Rx (HMO) must end your membership in the plan in certain situations

Section 5.1 When must we end your membership in the plan?

Providence Medicare Extra + Rx (HMO) must end your membership in the plan if any of the following happen:

Chapter 10 Ending your membership in the plan

- If you no longer have Medicare Part A and Part B.
- If you move out of our service area.
- If you are away from our service area for more than six months.
 - If you move or take a long trip, call Customer Service to find out if the place you are moving or traveling to is in our plan's area.
- If you become incarcerated (go to prison).
- If you are no longer a United States citizen or lawfully present in the United States.
- If you lie or withhold information about other insurance you have that provides prescription drug coverage.
- If you intentionally give us incorrect information when you are enrolling in our plan and that information affects your eligibility for our plan. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
- If you continuously behave in a way that is disruptive and makes it difficult for us to provide medical care for you and other members of our plan. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
- If you let someone else use your membership card to get medical care. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
 - If we end your membership because of this reason, Medicare may have your case investigated by the Inspector General.
- If you do not pay the plan premiums for 90 days.
 - Premium payments are first applied to your medical premium (including your late enrollment penalty, if applicable). If you have chosen to receive optional supplemental benefits, the payment is then applied to that premium.
 - If partial payment is made and it does not cover your medical premium, you could potentially be disenrolled from your medical coverage AND your optional supplemental coverage after 90 days.
 - If partial payment is made and it does not cover your optional supplemental premium, your coverage could potentially be downgraded to remove optional supplemental coverage after 90 days.
 - We must notify you in writing that you have 90 days to pay the plan premium before we end your membership.
- If you are required to pay the extra Part D amount because of your income and you do not pay it, Medicare will disenroll you from our plan and you will lose prescription drug coverage.

Where can you get more information?

If you have questions or would like more information on when we can end your membership, call Customer Service.

Section 5.2	We <u>cannot</u> ask you to leave our plan for any health-related reason
--------------------	---

Providence Medicare Extra + Rx (HMO) is not allowed to ask you to leave our plan for any health-related reason.

What should you do if this happens?

If you feel that you are being asked to leave our plan because of a health-related reason, call Medicare at 1-800-MEDICARE (1-800-633-4227) 24 hours a day, 7 days a week. (TTY 1-877-486-2048).

Section 5.3	You have the right to make a complaint if we end your membership in our plan
--------------------	---

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership.

CHAPTER 11:

Legal notices

SECTION 1 Notice about governing law

The principal law that applies to this *Evidence of Coverage* document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services, or CMS. In addition, other Federal laws may apply and, under certain circumstances, the laws of the state you live in. This may affect your rights and responsibilities even if the laws are not included or explained in this document.

SECTION 2 Notice about nondiscrimination

We don't discriminate based on race, ethnicity, national origin, color, religion, sex, gender, age, sexual orientation, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. All organizations that provide Medicare Advantage plans, like our plan, must obey Federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, Section 1557 of the Affordable Care Act, all other laws that apply to organizations that get Federal funding, and any other laws and rules that apply for any other reason.

If you want more information or have concerns about discrimination or unfair treatment, please call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 (TTY 1-800-537-7697) or your local Office for Civil Rights. You can also review information from the Department of Health and Human Services' Office for Civil Rights at <https://www.hhs.gov/ocr/index.html>

If you have a disability and need help with access to care, please call us at Customer Service. If you have a complaint, such as a problem with wheelchair access, Customer Service can help.

SECTION 3 Notice about Medicare Secondary Payer subrogation rights

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, Providence Medicare Extra + Rx (HMO), as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any State laws.

SECTION 4 Notice about Unusual Circumstances

The following are examples of unusual circumstances: complete or partial destruction of facilities, war riot, civil insurrection, labor disputes, not within the control of Providence Health Assurance, major disaster, disability of significant part of hospital personnel, epidemic, or

Chapter 11 Legal notices

similar causes. If due to unusual circumstances, the rendition or provision of services and other benefits covered under this agreement is delayed or impractical, Providence Health Assurance will, within limitation of available facilities and personnel, use its best efforts to provide services and other benefits covered under this agreement. With regard to unusual circumstances neither Providence Health Assurance, hospitals, nor any physician shall have any liability for obligation on account of delay or such failure to provide services or other benefits.

SECTION 5 Third Party Liability

This section describes your duties if you receive services for which any third party may be responsible. A “third party” is any person other than you or Providence (the “first” and “second” parties) and includes any insurer providing any coverage available to you.

1. Once any third party is found responsible and able to pay for services you have received, Providence will not cover those services.
2. Providence will need detailed information from you. A questionnaire will be sent to you by Providence Medicare Advantage Plans or contracted Subrogation Vendor, which must be completed and returned as soon as possible. If you have any questions, please contact us. A Providence Medicare Advantage Plans employee who specializes in this area can help you.
3. If you make a claim against a third party, you must notify that party of Providence’s interest.
4. To the fullest extent permitted by Medicare, Providence is entitled to repayment from any money recovered from a third party, whether or not the recovery is described or for something other than medical expenses and whether or not you are “made whole” for your losses. Providence is entitled to be repaid from any workers’ compensation recovery whether or not a loss is found compensable under those laws.
5. Providence is entitled to be repaid the full value of benefits, calculated using Providence’s usual and customary charges, less a pro rata share of the expenses and attorney fees incurred to make the recovery.
6. Before accepting settlement of a third-party claim, you must notify Providence in writing of the terms offered.
7. If Providence is not repaid by the third party, you must repay Providence. Providence may request refunds from your medical providers, who will then bill you.
8. You must cooperate with Providence in obtaining repayments from third parties in relation to services that have been covered/paid for by Providence. If you hire an attorney, you must require the attorney to facilitate reimbursement to Providence to the fullest extent permitted by law for any recoveries from third parties.

Chapter 11 Legal notices

9. After you receive a third-party recovery, you must pay all medical expenses for treatment of the illness or injury that Providence would otherwise pay.
10. Only when you prove to Providence's satisfaction that the recovery has been exhausted will Providence again begin paying. Providence will then pay the amount of the cost of services that exceeds the net recovery.
11. If you fail to repay Providence, Providence may recover the repayment out of future benefits owed under this Plan or refer your account to an outside collection agency to recover monies owed to Providence.
12. If you do not make a claim against a responsible third party or fail to cooperate with Providence in any claim you do make, Providence may collect directly from the third party. To the fullest extent permitted by Medicare, Providence may assume your rights against a third party, may sue the third party in your name, may intervene in any suit you bring, and place a lien on any recovery to the extent Providence has paid benefits, or has incurred expenses to obtain a recovery.
13. Any failure to comply with your duties as described herein may, to the fullest extent permitted by applicable law, result in a denial of payment for benefits by Providence and/or termination of your coverage.

CHAPTER 12:

Definitions of important words

Chapter 12 Definitions of important words

Allowed Amount - This is the maximum payment amount for a covered health care service. For an in-network provider, the allowed amount is the fee the provider has agreed to accept for a particular service. For out-of-network providers, the allowed amount is a percentage of the Medicare allowable amount or up to billed charges for non-Medicare covered services.

Ambulatory Surgical Center – An Ambulatory Surgical Center is an entity that operates exclusively for the purpose of furnishing outpatient surgical services to patients not requiring hospitalization and whose expected stay in the center does not exceed 24 hours.

Annual Enrollment Period – The time period of October 15 until December 7 of each year when members can change their health or drug plans or switch to Original Medicare.

Appeal – An appeal is something you do if you disagree with our decision to deny a request for coverage of health care services or prescription drugs or payment for services or drugs you already received. You may also make an appeal if you disagree with our decision to stop services that you are receiving.

Balance Billing – When a provider (such as a doctor or hospital or dentist) bills a patient more than the plan's allowed cost-sharing amount. As a member of Providence Medicare Extra + Rx (HMO), you only have to pay our plan's cost-sharing amounts when you get services covered by our plan. We do not allow providers to "balance bill" or otherwise charge you more than the amount of cost sharing your plan says you must pay. An Out-of-Network Provider or Out-of-Network Facility may balance bill the difference between the Allowed Amount and the amount the provider charged

Benefit Period – The way that both our plan and Original Medicare measure your use of skilled nursing facility (SNF) services. A benefit period begins the day you go into a skilled nursing facility. The benefit period ends when you have not received any skilled care in a SNF for 60 days in a row. If you go into a skilled nursing facility after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods.

Biological Product – A prescription drug that is made from natural and living sources like animal cells, plant cells, bacteria, or yeast. Biological products are more complex than other drugs and cannot be copied exactly, so alternative forms are called biosimilars. (See also "Original Biological Product" and "Biosimilar").

Biosimilar – A biological product that is very similar, but not identical, to the original biological product. Biosimilars are as safe and effective as the original biological product. Some biosimilars may be substituted for the original biological product at the pharmacy without needing a new prescription (See "Interchangeable Biosimilar").

Brand Name Drug – A prescription drug that is manufactured and sold by the pharmaceutical company that originally researched and developed the drug. Brand name drugs have the same active-ingredient formula as the generic version of the drug. However, generic drugs are manufactured and sold by other drug manufacturers and are generally not available until after the patent on the brand name drug has expired.

Chapter 12 Definitions of important words

Catastrophic Coverage Stage – The stage in the Part D Drug Benefit that begins when you (or other qualified parties on your behalf) have spent \$2,000 for Part D covered drugs during the covered year. During this payment stage, you pay nothing for your covered Part D drugs.

Centers for Medicare & Medicaid Services (CMS) – The Federal agency that administers Medicare.

Chronic-Care Special Needs Plan – C-SNPs are SNPs that restrict enrollment to MA eligible individuals who have one or more severe or disabling chronic conditions, as defined under 42 CFR 422.2, including restricting enrollment based on the multiple commonly co-morbid and clinically-linked condition groupings specified in 42 CFR 422.4(a)(1)(iv).

Coinsurance – An amount you may be required to pay, expressed as a percentage (for example 20%) as your share of the cost for services or prescription drugs.

Complaint – The formal name for making a complaint is **filing a grievance**. The complaint process is used *only* for certain types of problems. This includes problems related to quality of care, waiting times, and the customer service you receive. It also includes complaints if your plan does not follow the time periods in the appeal process.

Comprehensive Outpatient Rehabilitation Facility (CORF) – A facility that mainly provides rehabilitation services after an illness or injury, including physical therapy, social or psychological services, respiratory therapy, occupational therapy and speech-language pathology services, and home environment evaluation services.

Copayment (or copay) – An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor's visit, hospital outpatient visit, or a prescription drug. A copayment is a set amount (for example \$10), rather than a percentage.

Cost Sharing – Cost sharing refers to amounts that a member has to pay when services or drugs are received. (This is in addition to the plan's monthly premium.) Cost sharing includes any combination of the following three types of payments: (1) any deductible amount a plan may impose before services or drugs are covered; (2) any fixed copayment amount that a plan requires when a specific service or drug is received; or (3) any coinsurance amount, a percentage of the total amount paid for a service or drug, that a plan requires when a specific service or drug is received.

Cost-Sharing Tier – Every drug on the list of covered drugs is in one of five cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug.

Coverage Determination – A decision about whether a drug prescribed for you is covered by the plan and the amount, if any, you are required to pay for the prescription. In general, if you bring your prescription to a pharmacy and the pharmacy tells you the prescription isn't covered under your plan, that isn't a coverage determination. You need to call or write to your plan to ask for a formal decision about the coverage. Coverage determinations are called **coverage decisions** in this document.

Chapter 12 Definitions of important words

Covered Drugs – The term we use to mean all of the prescription drugs covered by our plan.

Covered Services – The term we use to mean all of the health care services and supplies that are covered by our plan.

Creditable Prescription Drug Coverage – Prescription drug coverage (for example, from an employer or union) that is expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. People who have this kind of coverage when they become eligible for Medicare can generally keep that coverage without paying a penalty, if they decide to enroll in Medicare prescription drug coverage later.

Custodial Care – Custodial care is personal care provided in a nursing home, hospice, or other facility setting when you do not need skilled medical care or skilled nursing care. Custodial care, provided by people who do not have professional skills or training, includes help with activities of daily living like bathing, dressing, eating, getting in or out of a bed or chair, moving around, and using the bathroom. It may also include the kind of health-related care that most people do themselves, like using eye drops. Medicare doesn't pay for custodial care.

Customer Service – A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals.

Daily cost-sharing rate – A daily cost-sharing rate may apply when your doctor prescribes less than a full month's supply of certain drugs for you and you are required to pay a copayment. A daily cost-sharing rate is the copayment divided by the number of days in a month's supply. Here is an example: If your copayment for a one-month supply of a drug is \$30, and a one-month's supply in your plan is 30 days, then your daily cost-sharing rate is \$1 per day.

Deductible – The amount you must pay for health care or prescriptions before our plan pays.

Disenroll or Disenrollment – The process of ending your membership in our plan.

Dispensing Fee – A fee charged each time a covered drug is dispensed to pay for the cost of filling a prescription, such as the pharmacist's time to prepare and package the prescription.

Dual Eligible Special Needs Plans (D-SNP) – D-SNPs enroll individuals who are entitled to both Medicare (Title XVIII of the Social Security Act) and medical assistance from a state plan under Medicaid (Title XIX). States cover some Medicare costs, depending on the state and the individual's eligibility.

Durable Medical Equipment (DME) – Certain medical equipment that is ordered by your doctor for medical reasons. Examples include walkers, wheelchairs, crutches, powered mattress systems, diabetic supplies, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, or hospital beds ordered by a provider for use in the home.

Emergency – A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you are a pregnant woman, loss of an

Chapter 12 Definitions of important words

unborn child), loss of a limb, or loss of function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

Emergency Care – Covered services that are: 1) provided by a provider qualified to furnish emergency services; and 2) needed to treat, evaluate, or stabilize an emergency medical condition.

Evidence of Coverage (EOC) and Disclosure Information – This document, along with your enrollment form and any other attachments, riders, or other optional coverage selected, which explains your coverage, what we must do, your rights, and what you have to do as a member of our plan.

Exception – A type of coverage decision that, if approved, allows you to get a drug that is not on our formulary (a formulary exception), or get a non-preferred drug at a lower cost-sharing level (a tiering exception). You may also request an exception if our plan requires you to try another drug before receiving the drug you are requesting, if our plan requires a prior authorization for a drug and you want us to waive the criteria restriction, or if our plan limits the quantity or dosage of the drug you are requesting (a formulary exception).

“Extra Help” – A Medicare program to help people with limited income and resources pay Medicare prescription drug program costs, such as premiums, deductibles, and coinsurance.

Generic Drug – A prescription drug that is approved by the Food and Drug Administration (FDA) as having the same active ingredient(s) as the brand name drug. Generally, a generic drug works the same as a brand name drug and usually costs less.

Grievance – A type of complaint you make about our plan, providers, or pharmacies, including a complaint concerning the quality of your care. This does not involve coverage or payment disputes.

Home Health Aide – A person who provides services that do not need the skills of a licensed nurse or therapist, such as help with personal care (e.g., bathing, using the toilet, dressing, or carrying out the prescribed exercises).

Hospice – A benefit that provides special treatment for a member who has been medically certified as terminally ill, meaning having a life expectancy of 6 months or less. We, your plan, must provide you with a list of hospices in your geographic area. If you elect hospice and continue to pay premiums you are still a member of our plan. You can still obtain all medically necessary services as well as the supplemental benefits we offer.

Hospital Inpatient Stay – A hospital stay when you have been formally admitted to the hospital for skilled medical services. Even if you stay in the hospital overnight, you might still be considered an outpatient.

Income Related Monthly Adjustment Amount (IRMAA) – If your modified adjusted gross income as reported on your IRS tax return from 2 years ago is above a certain amount, you’ll pay

Chapter 12 Definitions of important words

the standard premium amount and an Income Related Monthly Adjustment Amount, also known as IRMAA. IRMAA is an extra charge added to your premium. Less than 5% of people with Medicare are affected, so most people will not pay a higher premium.

Initial Coverage Limit – The maximum limit of coverage under the Initial Coverage Stage.

Initial Coverage Stage – This is the stage before your out-of-pocket costs for the year have reached the out-of-pocket threshold amount.

Initial Enrollment Period – When you are first eligible for Medicare, the period of time when you can sign up for Medicare Part A and Part B. If you're eligible for Medicare when you turn 65, your Initial Enrollment Period is the 7-month period that begins 3 months before the month you turn 65, includes the month you turn 65, and ends 3 months after the month you turn 65.

Institutional Special Needs Plan (SNP) – A plan that enrolls eligible individuals who continuously reside or are expected to continuously reside for 90 days or longer in a long-term care (LTC) facility. These facilities may include a skilled nursing facility (SNF), nursing facility (NF), (SNF/NF), Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID), an inpatient psychiatric facility, and/or facilities approved by CMS that furnish similar long-term, health care services that are covered under Medicare Part A, Medicare Part B, or Medicaid; and whose residents have similar needs and health care status to the other named facility types. An institutional Special Needs Plan must have a contractual arrangement with (or own and operate) the specific LTC facility(ies).

Institutional Equivalent Special Needs Plan (SNP) – A plan that enrolls eligible individuals living in the community but requiring an institutional level of care based on the State assessment. The assessment must be performed using the same respective State level of care assessment tool and administered by an entity other than the organization offering the plan. This type of Special Needs Plan may restrict enrollment to individuals that reside in a contracted assisted living facility (ALF) if necessary to ensure uniform delivery of specialized care.

Interchangeable Biosimilar – A biosimilar that may be used as a substitute for an original biosimilar product at the pharmacy without needing a new prescription because it meets additional requirements related to the potential for automatic substitution. Automatic substitution at the pharmacy is subject to state law.

List of Covered Drugs (Formulary or Drug List) – A list of prescription drugs covered by the plan.

Low Income Subsidy (LIS) – See “Extra Help.”

Manufacturer Discount Program – A program under which drug manufacturers pay a portion of the plan's full cost for covered Part D brand name drugs and biologics. Discounts are based on agreements between the Federal government and drug manufacturers.

Maximum Out-of-Pocket Amount – The most that you pay out-of-pocket during the calendar year for in-network covered services. Amounts you pay for your plan premiums, Medicare Part

Chapter 12 Definitions of important words

A and Part B premiums, and prescription drugs do not count toward the maximum out-of-pocket amount.

Medicaid (or Medical Assistance) – A joint Federal and state program that helps with medical costs for some people with low incomes and limited resources. State Medicaid programs vary, but most health care costs are covered if you qualify for both Medicare and Medicaid.

Medically Accepted Indication – A use of a drug that is either approved by the Food and Drug Administration or supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information system.

Medically Necessary – Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Medicare – The Federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant).

Medicare Advantage Open Enrollment Period – The time period from January 1 to March 31 when members in a Medicare Advantage plan can cancel their plan enrollment and switch to another Medicare Advantage plan or obtain coverage through Original Medicare. If you choose to switch to Original Medicare during this period, you can also join a separate Medicare prescription drug plan at that time. The Medicare Advantage Open Enrollment Period is also available for a 3-month period after an individual is first eligible for Medicare.

Medicare Advantage (MA) Plan – Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A and Part B benefits. A Medicare Advantage Plan can be i) an HMO, ii) a PPO, iii) a Private Fee-for-Service (PFFS) plan, or iv) a Medicare Medical Savings Account (MSA) plan. Besides choosing from these types of plans, a Medicare Advantage HMO or PPO plan can also be a Special Needs Plan (SNP). In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called **Medicare Advantage Plans with Prescription Drug Coverage**.

Medicare-Covered Services – Services covered by Medicare Part A and Part B. All Medicare health plans must cover all of the services that are covered by Medicare Part A and B. The term Medicare-Covered Services does not include the extra benefits, such as vision, dental or hearing, that a Medicare Advantage plan may offer.

Medicare Health Plan – A Medicare health plan is offered by a private company that contracts with Medicare to provide Part A and Part B benefits to people with Medicare who enroll in the plan. This term includes all Medicare Advantage Plans, Medicare Cost Plans, Special Needs Plans, Demonstration/Pilot Programs, and Programs of All-inclusive Care for the Elderly (PACE).

Chapter 12 Definitions of important words

Medicare Prescription Drug Coverage (Medicare Part D) – Insurance to help pay for outpatient prescription drugs, vaccines, biologicals, and some supplies not covered by Medicare Part A or Part B.

Medigap (Medicare Supplement Insurance) Policy – Medicare supplement insurance sold by private insurance companies to fill *gaps* in Original Medicare. Medigap policies only work with Original Medicare. (A Medicare Advantage Plan is not a Medigap policy.)

Member (Member of our Plan, or Plan Member) – A person with Medicare who is eligible to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).

Network Pharmacy – A pharmacy that contracts with our plan where members of our plan can get their prescription drug benefits. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

Network Provider – Provider is the general term for doctors, other health care professionals, hospitals, and other health care facilities that are licensed or certified by Medicare and by the State to provide health care services. **Network providers** have an agreement with our plan to accept our payment as payment in full, and in some cases to coordinate as well as provide covered services to members of our plan. Network providers are also called **plan providers**.

Optional Supplemental Benefits – Non-Medicare-covered benefits that can be purchased for an additional premium and are not included in your package of benefits. You must voluntarily elect Optional Supplemental Benefits in order to get them.

Organization Determination – A decision our plan makes about whether items or services are covered or how much you have to pay for covered items or services. Organization determinations are called coverage decisions in this document.

Original Biological Product – A biological product that has been approved by the Food and Drug Administration (FDA) and serves as the comparison for manufacturers making a biosimilar version. It is also called a reference product.

Original Medicare (Traditional Medicare or Fee-for-Service Medicare) – Original Medicare is offered by the government, and not a private health plan like Medicare Advantage Plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by Congress. You can see any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has two parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

Out-of-Network Pharmacy – A pharmacy that does not have a contract with our plan to coordinate or provide covered drugs to members of our plan. Most drugs you get from out-of-network pharmacies are not covered by our plan unless certain conditions apply.

Chapter 12 Definitions of important words

Out-of-Network Provider or Out-of-Network Facility – A provider or facility that does not have a contract with our plan to coordinate or provide covered services to members of our plan. Out-of-network providers are providers that are not employed, owned, or operated by our plan.

Out-of-Pocket Costs – See the definition for cost sharing above. A member's cost-sharing requirement to pay for a portion of services or drugs received is also referred to as the member's out-of-pocket cost requirement.

Out-of-Pocket Threshold – The maximum amount you pay out of pocket for Part D drugs.

PACE plan – A PACE (Program of All-Inclusive Care for the Elderly) plan combines medical, social, and long-term services and supports (LTSS) for frail people to help people stay independent and living in their community (instead of moving to a nursing home) as long as possible. People enrolled in PACE plans receive both their Medicare and Medicaid benefits through the plan.

Part C – see Medicare Advantage (MA) Plan.

Part D – The voluntary Medicare Prescription Drug Benefit Program.

Part D Drugs – Drugs that can be covered under Part D. We may or may not offer all Part D drugs. Certain categories of drugs have been excluded as covered Part D drugs by Congress. Certain categories of Part D drugs must be covered by every plan.

Part D Late Enrollment Penalty – An amount added to your monthly premium for Medicare drug coverage if you go without creditable coverage (coverage that is expected to pay, on average, at least as much as standard Medicare prescription drug coverage) for a continuous period of 63 days or more after you are first eligible to join a Part D plan.

Pharmacy Benefit Manager (PBM) – Typically a third-party administrator who is responsible for processing and paying prescription drug claims on behalf of a health plan.

Preferred Cost Sharing – Preferred cost sharing means lower cost sharing for certain covered Part D drugs at certain network pharmacies.

Preferred Provider Organization (PPO) Plan – A Preferred Provider Organization plan is a Medicare Advantage Plan that has a network of contracted providers that have agreed to treat plan members for a specified payment amount. A PPO plan must cover all plan benefits whether they are received from network or out-of-network providers. Member cost sharing will generally be higher when plan benefits are received from out-of-network providers. PPO plans have an annual limit on your out-of-pocket costs for services received from network (preferred) providers and a higher limit on your total combined out-of-pocket costs for services from both network (preferred) and out-of-network (non-preferred) providers.

Premium – The periodic payment to Medicare, an insurance company, or a health care plan for health or prescription drug coverage.

Chapter 12 Definitions of important words

Primary Care Provider (PCP) – The doctor or other provider you see first for most health problems. In many Medicare health plans, you must see your primary care provider before you see any other health care provider.

Prior Authorization – Approval in advance to get services or certain drugs. Covered services that need prior authorization are marked in the Benefits Chart in Chapter 4. Covered drugs that need prior authorization are marked in the formulary and our criteria is posted on our website.

Prosthetics and Orthotics – Medical devices including, but are not limited to, arm, back and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality Improvement Organization (QIO) – A group of practicing doctors and other health care experts paid by the Federal government to check and improve the care given to Medicare patients.

Quantity Limits – A management tool that is designed to limit the use of selected drugs for quality, safety, or utilization reasons. Limits may be on the amount of the drug that we cover per prescription or for a defined period of time.

“Real-Time Benefit Tool” – A portal or computer application in which enrollees can look up complete, accurate, timely, clinically appropriate, enrollee-specific formulary and benefit information. This includes cost sharing amounts, alternative formulary medications that may be used for the same health condition as a given drug, and coverage restrictions (Prior Authorization, Step Therapy, Quantity Limits) that apply to alternative medications.

Rehabilitation Services – These services include physical therapy, speech and language therapy, and occupational therapy.

Service Area – A geographic area where you must live to join a particular health plan. For plans that limit which doctors and hospitals you may use, it’s also generally the area where you can get routine (non-emergency) services. The plan must disenroll you if you permanently move out of the plan’s service area.

Skilled Nursing Facility (SNF) Care – Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of care include physical therapy or intravenous injections that can only be given by a registered nurse or doctor.

Special Enrollment Period – A set time when members can change their health or drug plans or return to Original Medicare. Situations in which you may be eligible for a Special Enrollment Period include: if you move outside the service area, if you are getting “Extra Help” with your prescription drug costs, if you move into a nursing home, or if we violate our contract with you.

Special Needs Plan – A special type of Medicare Advantage Plan that provides more focused health care for specific groups of people, such as those who have both Medicare and Medicaid, who reside in a nursing home, or who have certain chronic medical conditions.

Chapter 12 Definitions of important words

Standard Cost Sharing – Standard cost sharing is cost sharing other than preferred cost sharing offered at a network pharmacy.

Step Therapy – A utilization tool that requires you to first try another drug to treat your medical condition before we will cover the drug your physician may have initially prescribed.

Supplemental Security Income (SSI) – A monthly benefit paid by Social Security to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits are not the same as Social Security benefits.

Total Allowed Amount – Several services may be provided during a visit. Each covered service has an **Allowed Amount**. The sum of the **Allowed Amounts** for covered services is the **Total Allowed Amount**. For covered benefits with a **Coinsurance**, the **Coinsurance** amount is applied to the **Total Allowed Amount**.

Urgently Needed Services – A plan-covered service requiring immediate medical attention that is not an emergency is an urgently needed service if either you are temporarily outside the service area of the plan, or it is unreasonable given your time, place, and circumstances to obtain this service from network providers with whom the plan contracts. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. However, medically necessary routine provider visits, such as annual checkups, are not considered urgently needed even if you are outside the service area of the plan or the plan network is temporarily unavailable.

State Health Insurance Assistance Program

State Health Insurance Assistance Program is a state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare.

Please see Chapter 2, Section 3 for more information about the State Health Insurance Assistance Programs in Oregon and Washington.

PRA Disclosure Statement According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-1051. If you have comments or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.
