Original Medicare with Providence Medicare Supplement insurance

For those enrolled in Medicare Parts A and B, there are many benefits to adding a Providence Medicare Supplement plan.¹

Key Features

- 01 Coverage wherever you go**
Medicare Supplement insurance is accepted by any provider who takes Medicare nationwide, including specialty clinics (no referrals necessary).
- 02 Reduced costs**
Supplement plans help you cover the costs of some out-of-pocket expenses associated with Medicare, like deductibles, coinsurance and copayments.
- 03 Household discounts**
You might be eligible to receive up to a 20% premium discount for living with a family member or other adults (no more than three).²
- 04 Guaranteed for life**
Once you join a Medicare Supplement plan, you can keep it for life.³
- 05 Responsive, local customer service**
Our customer service team is based here in the Pacific Northwest. And like any good neighbor, they are present, caring and ready to help.

¹ You must be enrolled in Medicare Part A and B to purchase a Medicare Supplement Plan.

² The household discount is not available to those living in a one-person household, or in an assisted living facility.

³ Premiums must be paid on time and there must have been no material misrepresentations on the application.

Added Benefits
