You must also reside in our service area for this Supplement coverage.

## Please review the following information about Medicare Supplement policies

You do not need more than one Medicare Supplement policy.

If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverage.

You may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy.

If you suspend your Medicare supplement policy under these circumstances, later your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan.

NOTE: If you lost or are losing other health insurance coverage and received a notice from your prior insurer saying you were eligible for guaranteed issue of a Medicare supplement insurance policy, or that you had certain rights to buy such a policy, you may be guaranteed acceptance in one or more of our Medicare supplement plans. Please include a copy of the notice from your prior insurer with your Application Form.

## Authorization and verification of application information

I declare the answers on this Application Form are complete and true to the best of my knowledge and belief and are the basis for issuing coverage. I understand that this Application Form becomes a part of the insurance contract and that if the answers are incomplete, incorrect or untrue, Providence Health Assurance may have the right to rescind my coverage, adjust my premium or reduce my benefits.

I understand coverage, if provided, will not take effect until issued by Providence Health Assurance, the actual premium is not determined until coverage is issued and that this Application Form and payment of the initial premium does not guarantee coverage will be provided.

I acknowledge receipt of the currently available Outline of Coverage and the document "Choosing a Medigap Policy: A Guide to Health Insurance for People with Medicare" published by the Centers for Medicare & Medicaid Services.

I understand that I must be enrolled in Medicare Part A and Part B to be eligible for Medigap coverage and if Medicare Part A and/or Part B terminate for any reason, my Medigap policy will automatically terminate.
