If any of the following scenarios apply to you, skip to the "Prior and Current Coverage" section on Page 7.

- ☐ Beginning 30 days prior to your birthday, and for 30 days after your birthday, you wish to transfer from your 1990 standard Medigap plan to a 2010 standard plan of equal or lesser benefits (for example, from a 1990 standard Plan A to a 2010 standard Plan A).

- ☐ You enrolled in a Medicare Part D plan during your initial enrollment period and were enrolled under a Medigap policy that covers outpatient prescription medications. Please enclose proof of enrollment in Medicare Part D.

Please review the following information about Medicare Supplement policies

You do not need more than one Medicare Supplement policy.

If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverage.

You may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy.

If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare Supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing Medicaid eligibility. If the Medicare Supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of suspension.

Counseling services may be available in your state to provide advice concerning your purchase of Medicare Supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-income Medicare Beneficiary (SLMB).

Premium payments will not be accepted from any provider or facility offering health care services; or entities that receive 25 percent or more of their funding from providers or facilities, unless from a private, not-for-profit foundation that provides such payments on a charitable basis and does not base contributions on the policyholder's health status, enrollment in a particular health insurance plan, or use of any particular health care services or facilities; or as otherwise required by law.

If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstituted if requested within 90 days of losing your employer or union-based group health plan.

NOTE: If you lost or are losing other health insurance coverage and received a notice from your prior insurer saying you were eligible for guaranteed issue of a Medicare supplement insurance policy, or that you had certain rights to buy such a policy, you may be guaranteed acceptance in one or more of our Medicare supplement plans. Please include a copy of the notice from your prior insurer with your Application Form.

Notice to applicant regarding replacement of Medicare Supplement (Medigap) insurance or Medicare Advantage

Please review this section if you indicated on page 7 of the application that you intend to terminate existing Medicare Supplement coverage or Medicare Advantage insurance, and replace it with a policy to be issued by Providence Health Assurance. Your new policy allows a 30-day "free look" period. If you decide within 30 days to cancel your policy, you will not incur a cost or penalty.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare Supplement policy is a wise decision, you should terminate your present Medicare Supplement or Medicare Advantage plan. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

For Agent/Broker Use Only Please

Agent/Broker must complete the following information and include the notice of replacement coverage, if appropriate, with this Application Form. All information must be complete or the Application Form will be returned.

1. List any other health insurance policies that will be enforced by the time the new plan begins:

2. List policies issued in the past 5 years which are no longer in force (please indicate N/A if none or not applicable):

Statement to applicant by issuer, agent, broker

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare Supplement policy will not duplicate your existing Medicare Supplement coverage or, if applicable, Medicare Advantage coverage, because you intend to terminate your existing Medicare Supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reason (check one):

- ☐ Additional benefits
- ☐ No change in benefits, but lower rates
- ☐ Fewer benefits and lower rates
- ☐ My plan has outpatient prescription drug coverage and I am enrolling in Part D
- ☐ Disenrollment from a Medicare Advantage plan (please explain reason for disenrollment)

☐ Other (please specify) _____

State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.

If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premiums as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded. Do not cancel your present policy until you have received your new policy and are sure you want to keep it.
