

Patient-centered medical homes

A medical home is a team-based approach, designed to put you at the center of your medical care. This model focuses on building a strong relationship between you and your healthcare team, ensuring all aspects of your health are managed effectively. Your plan requires you to choose a medical home.

Four steps to select your medical home:

STEP

1

Log into My Collective® (providencehealthplan.collectivehealth.com) and **open the Coverage tab.**

STEP

2

Choose **Select a medical home.**

STEP

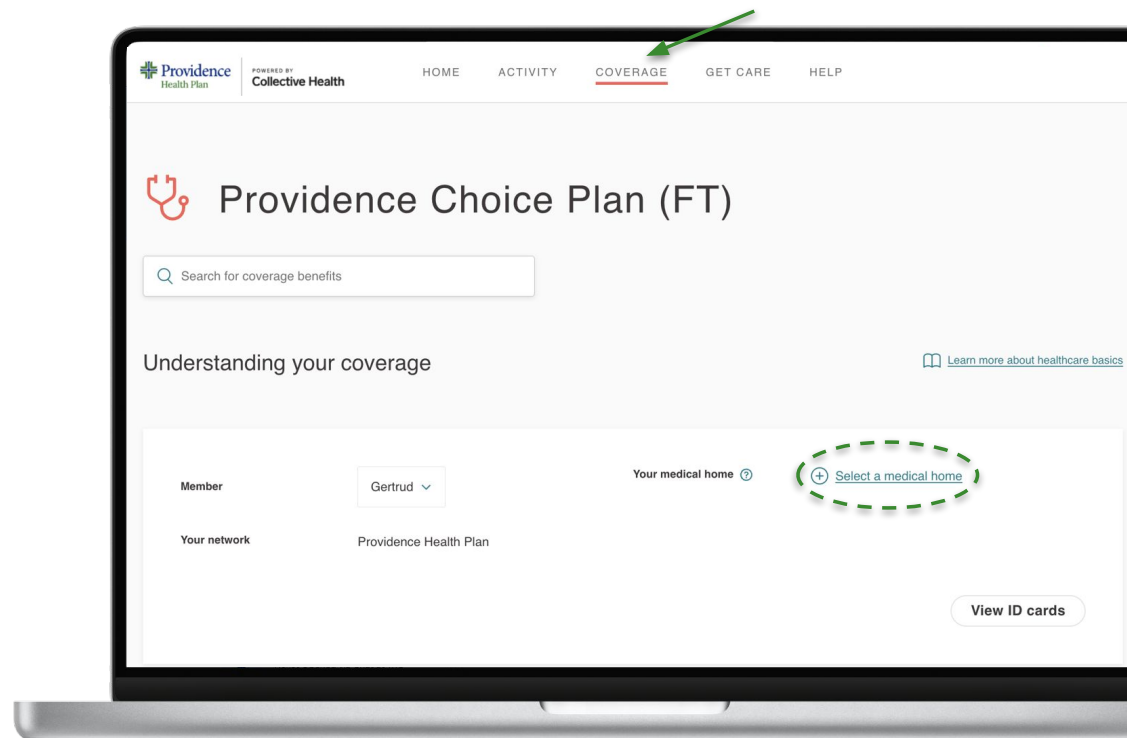

3

Review the list of providers near you.

STEP

4

Select a provider to review their details, then click **Set as medical home.**

Need help?

The Member Advocate team (AKA real humans) can help you get the answers you need. We are standing by to help you Monday – Friday, 4 a.m. – 6 p.m. PT and Saturday 7a.m. – 11 a.m. PT by phone, online message, or chat.

Four steps to select your medical home:

STEP

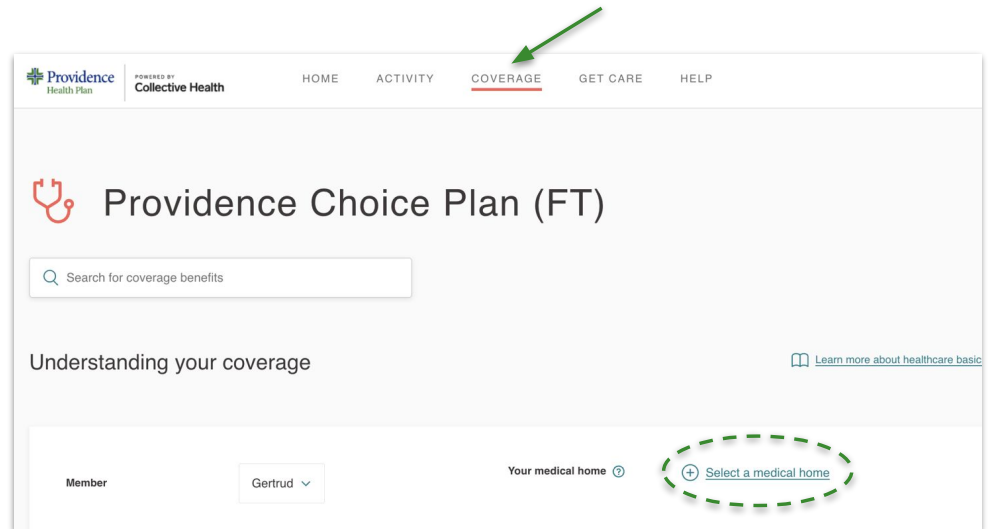

1

Log into My Collective® (providencehealthplan.collectivehealth.com) and **open the Coverage tab.**

STEP

2

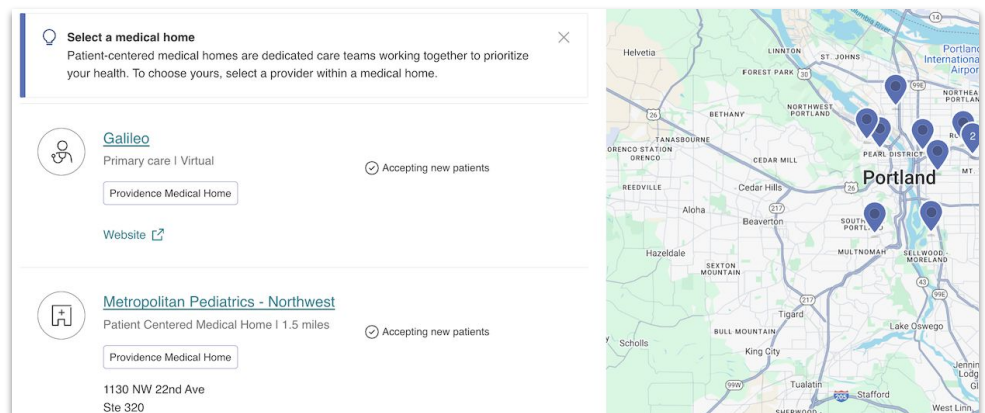

Choose **Select a medical home.**

STEP

3

Review the list of providers near you that practice within a medical home.

STEP

4

Select a provider to review their details, then click **Set as medical home.**
