

# HelpScript™ Program

## Program Features

- Helpscript is a free program that helps lower the out-of-pocket costs of medications for eligible members.
- In some cases, you may have to pay a small copay, but most members pay as low as \$0\*
- Medications eligible for the program are subject to change and are not a guarantee of coverage. Prescription drug formulary and prior authorization requirements still apply.

## Eligibility

- Not all insurance plans are eligible for this program.
- Program exclusions include:
  - Age 65 years or older
  - Enrollment in a Medicare, Medicaid plan, or other government funded programs
  - Enrollment in a Health Savings Account (HSA) plan

## Update

- Starting 01/01/2026 Washington based group plans are eligible, subject to plan design

## Enrollment and Participation

- You are automatically enrolled in the program if you are enrolled in an eligible plan and take an eligible medication in the Helpscript program, but you will still need to finalize enrollment with HelpScript
- If you are filling an eligible medication in the Helpscript program, a patient advocate may reach out to you to complete program enrollment.

The medications currently eligible for the Helpscript program are listed below.

For questions about this program, please contact a Helpscript Patient Advocate at **833-798-6732**.

Helpscript Program - Eligible Medications as of 05/01/2026.

*Note: Medications eligible for the program are subject to change.*
