5. Once you have entered an email address and password select "Create Account".

PPS

- 6. Once an account is created you will be directed to the "Add a Patient" page where you will make one of two selections:
 - a. Request New Patient (for new members who have never used PPS or a Kroger Pharmacy)
 - b. Add Online Prescription Management (for members who have used a Kroger Pharmacy)

Account Settings Account Summary Drug Information Medication Toolbox	You're about to make managing your prescriptions easier than ever! First, if you're new to PPS or the Kroger Family of Pharmacies, you'll need to fill out a new patient request form. Then, once we verify your information, your prescriptions will be mailed directly to you. After you've received your prescription(s), you can add Online	
	Request New Patient Request New Patient Request New Patient	
	Add Online Prescription Management You can add Online Prescription Management for yourself or any patient who has already filled a prescription with PPS or a Kroger Family of Pharmacies. Online Prescription Management makes refills and prescription requests easier than ever! To begin, you'll need the prescription number from any PPS or Kroger Family of Pharmacies prescription label. Add Online Prescription Management	

7. If you have never used a PPS or a Kroger Pharmacy select "Request New Patient" which will direct, you to complete the following form:

New Patient Request	Form on with PPS or a Kroger Family of Pharmacies before or n	eed to transfer a prescription from another pharm	acy, please fill out the form below to request a new	v patient.

Add another prescription					

- 8. At the bottom of this form you will need to select 1 of 3 options:
 - Call my doctor: PPS will contact your provider for a new prescription
 - Transfer from another pharmacy
 - Fill a Paper Prescription: Use this option only if you are mailing in paper prescriptions

****Note:** Call my Doctor (New) is the preferred method and will expedite the process over the other two options.

Transfer from another pharmacy Fill a Paper Prescription All Fields Required	
Name of Medication: *	Prescription Number: *
Name of Pharmacy: *	Pharmacy Phone: *
\overrightarrow{I} I would like to transfer and order a refill for this prescription.	
Note: It may take up to two business days to contact your prescri	er or outside pharmacy(if applicable) and fill your prescription.

****Note:** If you select "Transfer from another pharmacy" ALSO check the box below the dropdown options if you need this prescription filled right away. If you DO NOT NEED this prescription filled but want it on file to fill at a later date, do not check the box. If your prescription is held on file you will need to call PPS when ready to fill.

9. If you <u>have</u> used a PPS or a Kroger Pharmacy, PPS can combine your prescription profile for all Kroger affiliated pharmacies, including Fred Meyer by calling PPS Customer Service at 800-552-6694 or you can select the second option "Add Online Prescription Management" on the "Online Prescription Management" page.

****Note:** If you are unable to view your retail pharmacy claims on your profile after you "Add Myself" you can call PPS Customer Service to help combine your retail and mail order profiles. This is for your convenience only and not required to use PPS Mail Order.
