

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, [www.ProvidenceHealthPlan.com](http://www.ProvidenceHealthPlan.com). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	<p><b>In-Network:</b> \$500/per person                      \$1,500/per family (3 or more)  <b>Out-of-Network:</b> \$1,000/per person                      \$3,000/per family (3 or more).</p>	<p>Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the plan, each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a>.</p>
Are there services covered before you meet your <a href="#">deductible</a> ?	<p>Yes. Most <a href="#">preventive care in-network</a>.</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain preventive services without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
Are there other <a href="#">deductibles</a> for specific services?	<p>Yes for prescriptions. \$50/person;                      \$150/family (3 or more).                      Does not apply to value drugs.</p>	<p>You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.</p>
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	<p><b>In-Network:</b> \$3,200/per person                      \$9,600/per family (3 or more)  <b>Max Cost Share</b> \$6,850/person;                      \$13,700/family (2 or more).  <b>Out-of-Network:</b> \$7,500/per person                      \$22,500/per family (3 or more).</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.</p>
What is not included in the <a href="#">out-of-pocket limit</a> ?	<p>Premiums, penalties, copays or coinsurance for Supplemental Benefits, services not covered, fees above UCR.</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>
Will you pay less if you use a <a href="#">network provider</a> ?	<p>Yes. For a list of participating providers see <a href="http://www.ProvidenceHealthPlan.com/providerdirectory">www.ProvidenceHealthPlan.com/providerdirectory</a> or call 1-800-878-4445.</p>	<p>This <a href="#">plan</a> uses a <a href="#">provider network</a>. You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a>. You will pay the most if you use an <a href="#">out-of-network provider</a>, and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays (<a href="#">balance billing</a>). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">providers</a> before you get services.</p>
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	<p>No.</p>	<p>You can see the specialist you choose without a referral.</p>

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
