

Postal Prescription Services (PPSRX)

is a full-service, online pharmacy based in Portland, Oregon. We work with insurance companies to offer affordable mail-order prescriptions and outstanding service.

Step 1: Create an Account

Creating an account takes less than 60 seconds. Simply provide your email address, choose a unique password and you're ready to start managing your prescriptions.

Step 2: Add Patient & Rx Details

If you've already filled a prescription through PPSRX or the Kroger Family of Pharmacies, all you need to enter is a prescription number. Otherwise, we'll need your allergies and shipping address to get you started.

Step 3: Check Your Mailbox

When you're ready for a refill, add the prescription to your cart and we'll have your order ready to ship within 48 hours. Standard shipping is always free with PPSRX.

The PPSRX Promise

We offer our patients convenient service from an online pharmacy they can trust. You can count on us to fill your order accurately and promptly, every time. You'll receive FREE standard shipping on all orders, and you can always reach a registered pharmacist for consultation.

Reasons to Love PPSRX

- **Mail-order Refills**

Refill prescriptions online or over the phone, check order status and track your package with free ship-to-home delivery anywhere in the United States.

- **Quick U.S.-based Support**

Our support team is entirely comprised of licensed pharmacists and technicians located at our on-site pharmacy. Our average wait time is less than 30 seconds for a patient to speak with a technician about their prescription.

- **For the Whole Family**

Manage all your family's prescriptions from the same online account.

- **Expense Reports**

Quickly create and print your own expense reports with all the prescription information you need to file during tax season.

- **Text Notifications**

We can send status updates and refill reminders via text or email to make ordering prescriptions online easy and convenient.

- **NABP Digital Accreditation**

Our NABP accreditation displays our ongoing commitment to providing quality healthcare and safe pharmacy practices over the internet.
