- Not sure what a word or phrase means? See the last page for the definitions used in this summary.
- Your Calendar Year Medical/Pharmacy Deductible applies to your Calendar Year Medical/Pharmacy Out-of-Pocket Maximum.
- Some services and penalties do not apply to out-of-pocket maximums.
- This plan only provides benefits for medically necessary services when provided by in-network physicians or providers.
- Medical Home is a team based healthcare model, led by a primary care provider that allows for comprehensive and ongoing care with the end goal of optimal health outcomes for our patients.
- Selection process for the medical home is as follows: When enrolled in the EPO, you must select a Medical Home. Your medical home is a primary care provider that you will contact for all your medical care. You can see what medical homes are available by going online to www.ProvidenceHealthPlan.com/providerdirectory. You must either designate the medical home in your myProv account or contact customer service at 800-878-4445 to make the selection
- This plan summary highlights some of the features of this Providence medical plan. This summary does not include all plan rules and details. The terms of your benefit plans are governed by legal documents. Should there be any inconsistencies between this summary and the legal plan documents, the plan documents are the final authority. Your guide to the words or phrases used to explain your benefits

ACA Preventive drug

ACA Preventive drugs are medications which are listed in our formulary and are covered at no cost when received from Participating Pharmacies as required by the Patient Protection and Affordable Care Act (ACA). Over the counter preventive drugs received from Participating Pharmacies cannot be covered in full without a written prescription from your Qualified Practitioner.

Coinsurance

The percentage of the cost that you may need to pay for a covered service.

Enhanced Preventive drug

Enhanced preventive does not include any drug or medication used to treat an existing illness, injury or condition. Enhanced Preventive drugs are subject to formulary as well as pharmacy management programs such as prior authorization, step therapy and/or quantity limits. Drugs indicated as Enhanced preventive on your formulary must be filled at PPS Mail Order pharmacy.

Formulary

A formulary is a list of FDA-approved prescription drugs developed by physicians and pharmacists, designed to offer drug treatment choices for covered medical conditions. The Providence Health Plan formulary includes both brand-name and generic medications.

In-Network benefit

The in-network benefit is an extensive network of highly qualified physicians and health care providers, also known as network providers, available to you by your plan. To find a in-network provider, go to www.providencehealthplan.com/phs-employees

In-Network provider

A physician or provider of health care services who belongs to the Providence Health Plan in-network provider panel. To find an in-network provider, refer to the directory available at www.ProvidenceHealthPlan.com/providerdirectory.

Medical/pharmacy deductible

The dollar amount that an individual or family pays for covered services before your plan pays any benefits within a calendar year. The following expenses do not apply to an individual or family deductible:

- Services not covered by your plan
- Penalties incurred if you do not follow your plan's prior authorization requirements
- Copays or coinsurance for any supplemental benefits provided by your employer, such as routine vision care
- Copays and coinsurance for services that do not apply to the deductible.

Medical/pharmacy out-of-pocket maximum

The limit on the dollar amount you will have to spend for specified covered health services in a calendar year. Some services and expenses do not apply to the common out-of-pocket maximum. See your Summary Plan Description for details.

Participating pharmacies

Pharmacies that have a signed contract with Providence Health Plan to provide medications and other services at special rates. There are four types of participating pharmacies:

- Retail: a participating pharmacy that allows up to a 30-day supply of short-term and maintenance prescriptions.
- Preferred Retail: a participating pharmacy that allows up to a 90-day supply of maintenance prescriptions and access to up to a 30-day supply of short-term prescriptions.
- Mail Order: a participating pharmacy that allows up to a 90-day supply of maintenance prescriptions and specializes in direct delivery to your home.
- Specialty: a participating pharmacy that allows up to a 30-day supply of specialty and self-administered chemotherapy prescriptions. These prescriptions require special delivery, handling, administration and monitoring by your pharmacist.

Primary Care Provider

A qualified practitioner who specializes in family practice, general practice, internal medicine, pediatrics, obstetrics or gynecology.

Prior authorization

Some services must be pre-approved. In-network, your provider will request prior authorization. Out-of-network, you are responsible for obtaining prior authorization.

Virtual visit

Visit with a Network Provider using secure internet technology such as Providence Express Care phone and video visits or Web-direct Visits.
