Before You Begin

Here's some important information about this form.

Everyone listed on this form will be enrolled in the same single plan. A separate application is required for any family members who want coverage on different plans.

All plans purchased using this application will expire December 31, 2023. All plans under the Affordable Care Act (ACA) are considered to be guaranteed renewable. Providence Health Plan will send you information at the end of the plan year regarding your eligibility for coverage in 2024.

Learn about different plans, compare coverage and check rates at ProvidenceHealthPlan.com.

This form does NOT cancel any active coverage you might already have. To avoid paying two premiums or having overlapping coverage, you need to cancel any currently active coverage you might have on a plan from either the Health Benefit Exchange or an employer, even if the policy is with Providence Health Plan.

Once you've completed this form:
Submit pages 1–7. If the form isn't signed, dated, fully completed, or if we need additional information, the date your coverage starts may be delayed. Your application will expire 60 days after the signature date, and we will not accept any postdated applications.

Additional Information

What is a Medical Home?

When you enroll in a Columbia plan, you are required to choose a Medical Home (also known as a Primary Care Home). A Medical Home is a cooperative, patient-centered clinic made up of providers and staff who work with you to address your physical & mental health needs and goals. The Medical Home you choose coordinates all elements of your care across hospitals, specialists, pharmacies, home health services, and community resources to ensure greater accessibility, shorter wait times, and an integrative approach to your health. A referral from your Medical Home is required to see a specialist.

I'm signing up during a Special Enrollment Period due to a Qualifying Event. When will my coverage take effect?

If the qualifying event is birth, adoption, placement for adoption or foster care of a child, or a court order, coverage will be effective from the date of the event. All other qualifying events will be effective on the first day of the month following Providence Health Plan's receipt of your completed application. If you would prefer a prospective effective date, please call Membership Accounting at 503-574-5791 or 1-888-816-1300 for further instructions. For further instructions and details related to a Special Enrollment Period (SEP), visit **ProvidenceHealthPlan.com/qe**.

How do I make changes to an existing plan?

If you are an active Individual & Family Plan policyholder in the state of Washington and would like to make changes to your current plan, visit **ProvidenceHealthPlan.com/forms** to complete an Individual & Family Plan Change Form.

This application form is only for new enrollment in an Individual & Family Plan purchased directly from Providence Health Plan. That means if you are an active member and submit this application for new enrollment, you will be enrolled in a new policy which will result in duplicate coverage and two premium payments.
