This is a special edition of Providence Health Plan's Coding Policy Alerts. The focus of this update is to correct information published in the January/February 2025 issue of Coding Policy Alerts

CODING POLICY UPDATES

Coding Policy 67.0.E (Telemedicine Services for All Plans Except Medicare)	<p>This is a correction to information published in the January/February 2025 issue of Coding Policy Alerts. Providence Health Plan (PHP) is not recognizing the 2025 CPT Evaluation and Management (E/M) codes for telemedicine visits (CPT codes 98000-98007) for Commercial plans in 2025. Providers may continue to use CPT codes 99202-99215 with location code 02 (for patient in facility) or 10 (for patient in any location other than facility) for synchronous audio-video visits. CPT codes 99202-99215 may be reported with location code 02 or 10 with either modifier 93 or FQ for synchronous audio-only visits.</p> <p>Refer to Coding Policy 67.0.E on ProvLink for additional details and instructions.</p>
