Special Alert - Breast Reconstructive Surgery, Implant Management and Reduction Mammoplasty (MP58) policy

Special Alert: *The updates communicated in the [May 2025 Provider Alert](#) to the Breast Reconstructive Surgery, Implant Management and Reduction Mammoplasty (MP58) policy effective 7/1/2025 did not get published as anticipated. This has now been corrected and is showing on the policy with effective date 3/16/2026. If you feel this change has negatively impacted your prior authorization request, please re-submit your PA request or submit a reconsideration/appeal for your denied authorization.*
