Per the Medicare Policy Manual commercial medical policies may be applied to Medicare coverage determinations in the absence of an appropriate NCD, LCD, LCA, or CMS Coverage Manual. Therefore, the commercial medical policy, Chiropractic Care (All Lines of Business Except Medicare), applies to the following services:

- Non-medical, educational, or training treatments
- Digital radiographic mensuration
- Digital postural analysis
- Therapeutic (wobble chair)
BILLING GUIDELINES

- CMS has developed policies which specifically limit coverage to manual manipulation of the spine to correct a subluxation. The codes that accurately reflect this service are the CPT Codes 98940, 98941, and 98942. Documentation must clearly reflect the medical necessity for the service billed.

INSTRUCTIONS FOR USE

Company Medical Policies serve as guidance for the administration of plan benefits. Medical policies do not constitute medical advice nor a guarantee of coverage. Company Medical Policies are reviewed annually and are based upon published, peer-reviewed scientific evidence and evidence-based clinical practice guidelines that are available as of the last policy update. The Companies reserve the right to determine the application of Medical Policies and make revisions to Medical Policies at any time. Providers will be given at least 60-days notice of policy changes that are restrictive in nature.

The scope and availability of all plan benefits are determined in accordance with the applicable coverage agreement. Any conflict or variance between the terms of the coverage agreement and Company Medical Policy will be resolved in favor of the coverage agreement.

REGULATORY STATUS

Mental Health Parity Statement

Coverage decisions are made on the basis of individualized determinations of medical necessity and the experimental or investigational character of the treatment in the individual case.
